Colloquially,

These promises are easily made and often quickly broken, leaving us feeling like we do not measure up to what we should be. In his letter to the Philippians, the apostle Paul joyfully turns to spiritual

"Lent For Non-Lent People" is a daily guide to prayer, fasting, rest, and following Jesus for people who want training wheels for Lent. In ordinary language, this book explores prayer, fasting, and Sabbath. There are eight

chapters. You can read them as chapters. But if you look closer, you will find seven sections in each chapter, a reading for every day of Lent and a bonus chapter for the week after Easter. So this can be a daily reader. In each reading, we

something. People observing Lent give up something that matters to them. Often it's food, like meat on Friday or sugar for the forty weekdays. Sundays often are free days, exempt from the giving up. As best as I can tell, it started with the idea of
