The path Dr. Kendra Lowe has walked as a cadet at the Air Force Academy as an active duty service member, and now as a military spouse, has given her a front-row seat to many of the traumas, setbacks, successes, discriminations, and celebrations that military families experience. These experiences fueled ten years of research aimed at better understanding military spouse stress and how bad the stress really is, as well as the unique contributing factors of the military lifestyle. Most significant were the findings that 27 percent of military spouses report a significant increase in four military spouses wake up every day under a heavy layer of stress that builds day by day, week by week, and year by year. Unfortunately, many military spouses perceive this stress as normal, unaware of how dangerously close they are to clinically significant levels of emotional, social, or physical distress. Wake up, Kick Ass, Repeat was created to help alleviate these significant concerns. This comprehensive and invaluable tool will help you accept the unique nature of military life, anticipate and persevere in the face of so possibilities. Dr. Kendra has expertly woven research, personal anecdotes, powerful stories from other military spouses, as well as practical principals of Rational Behavioral Therapy to help individuals work through stressful situations while maintaining better emotional control. This is a must-have book for military and first responder spouses, their family members, professionals working with military and first responder families, as well as anyone seeking to find a way to help themselves to better social and emotional health. Regardless of your income level, poor money habits can deeply affect your life, destroying any hope of security and happiness or ultimately, the ability to retire. If you have money issues, are living paycheck to paycheck, hopelessly mired in debt, it may be time to re-think and transform your money habits. Sometimes we have bad habits that if we knew better, we would do better. Sometimes we just need better tools.

And for some of us, all that we need are a few new money tips. This book is an effort to educate: to give you the knowledge you need to change your money habits to better match your priorities and along the way, live links to some effective tools to help. The author provides tips on money management with each chapter dedicated to one of 7 phases of money management, habits she used to turn around over \$100,000 of debt into over \$100,000 of savings and investments in less than 5 years. In Chapter 1 you’ll learn some budget planning habits, and some popular budgeting tools to help. Chapter 2 focuses on how to set money goals, both short-term and long-term according to your priorities. In Chapter 3, you’ll learn about some bad habits to avoid with common spending triggers and how to control your emotions about money. Chapter 4 provides tips on how to save money in every category of your budget, suggesting new habits and tools to significantly lower bills. Habits to raise income are presented in Chapter 5 with ideas on how to make more money at work and outside of work. In Chapter 6, tips to reduce debt quickly are explained, with the ultimate goal of habits that promote debt-free living. Finally, Chapter 7 is all about developing habits to grow your money in savings and investing. You CAN live on less, pay off debt, and retire with more with Smarter Money Habits!o learn more, I invite you to click the “BUY” button above.

The journey to become a successful writer is long, fraught with peril, and filled with difficult questions: How do I write dialogue? How do I build suspense? What should I know about query letters? How do I start? The best way to answer these questions is to ditch your uncertainty and transform yourself into a KICK-ASS writer. This new book from award-winning author Chuck Wendig combines the best of his eye-opening writing instruction—previously available in e-book form only—with all-new insights into writing and publishing. It’s an explosive broadside of gritty advice that will destroy your fears, clear the path, and help you find your voice, your story, and your audience. You’ll explore the fundamentals of writing, learn how to obtain publication, and master the skills you need to build an army of dedicated fans. No task is too large or small for the kick-ass writer. With his trademark acerbic wit and gut-punch humor, Wendig will explain: • How to build suspense, craft characters, and defeat writer’s block • How to write a scene, an ending—even a sentence. • Blogging techniques, social media skills, and crowdfunding. • How to write a query letter, talk to agents, and deal with failure—and success! Whether you’re just starting out or you need one more push to get you over the top, two things are for certain—a kick-ass writer never quits, and chuck Wendig won’t let you down in this high-octane guide to becoming the writer you were born to be.

*Dan Thorpe of Guitar Domination teaches you how to get started on the guitar - the proper way. There are 8 essential steps that most guitarists don't follow. This hampers many players and increases frustration. Do you find that you are not making the progress on guitar that you would like? If so, this book has the solution. Find out the essential 8 steps to becoming the guitarist you dream about. It is time to start practicing the guitar the proper way. There are many methods people use to learn the guitar but the truth is most guitarists don't have a method at all. They just pick up their acoustic and strum a few chords or they sit and noodle about on their electric for hours on end. I know, I made those mistakes too when learning. Now, after teaching 100's of students and 10,000's of hours of lessons taught I want to ensure you learn the guitar the better way. All 8 tips will help you on your journey to be the best guitarist you can be. Some will surprise you, but ALL 8 steps are highly effective and are the result of me teaching 10,000's hours of lessons and tweaking and perfecting my methods. You will get the benefit of these. In the book you will learn some simple and easy to apply nuggets of information - things such as how to improve your strumming, improve your aural skills, exactly how to practice and what to practice. All this and plenty more. This is a short and tight to the point book with zero filler. I wanted to make a quick and easy guide that you can apply right away. The value of the content of the book is far more than the very low price as the information contained in it will potentially save you 100's hours of time and frustration. The 8 Step Beginner's Guide To Being A Kick Ass Guitarist is a fun read and will help your guitar playing - I guarantee it.* Dan Thorpe Guitar Domination 8 Steps\* Good, solid advice for any beginner - Always better to start from a good base knowledge of a few seemingly simple principles instead of wasting time not mastering them from the offset. I have to say the man talks some sense. - Stephen Taylor

*A much-needed kick in the ass for women everywhere! Like many women, Andrea Owen always lived life on the sidelines, watching each day pass by without ever catching a glimpse of the happiness she yearned for--until the day she had enough. She realized that she had to take action and step out of the box she had created for herself if she really wanted the best life possible. And now, as a celebrated life coach, she shows thousands of women how to take the reins, create an actionable plan for their goals, and finally reach their full potential. In this powerful book, Owen guides you through her acclaimed strategies for creating a more fulfilling life. *"I raced through RADICAL CANDOR--It's thrilling to learn a framework that shows how to be both a better boss and a better colleague. RADICAL CANDOR is packed with illuminating truths, insightful advice, and practical suggestions, all illustrated with engaging (and often funny) stories from Kim Scott's own experiences at places like Apple, Google, and various start-ups.*

*Indispensable."--Gretchen Rubin author of NYT bestseller THE HAPPINESS PROJECT "Reading Radical Candor will help you build, lead, and inspire teams to do the best work of their lives. Kim Scott's insights--based on her experience, keen observational intelligence and analysis--will help you be a better leader and create a more effective organization."--Sheryl Sandberg author of the NYT*

*bestseller LEAN IN "Kim Scott has a well-earned reputation as a kick-ass boss and a voice that CEOs take seriously. In this remarkable book, she draws on her extensive experience to provide clear and honest guidance on the fundamentals of leading others: how to give (and receive) feedback, how to make smart decisions, how to keep moving forward, and much more. If you manage*

*people?whether it be 1 person or a 1,000--you need RADICAL CANDOR. Now."--Daniel Pink author of NYT bestseller DRIVE From the time we learn to speak, we're told that if you don't have anything nice to say, don't say anything at all. When you become a manager, it's your job to say it--and your obligation. Author Kim Scott was an executive at Google and then at Apple, where she developed a*

*class on how to be a good boss. She has earned growing fame in recent years with her vital new approach to effective management, Radical Candor. Radical Candor is a simple idea: to be a good boss, you have to Care Personally at the same time that you Challenge Directly. When you challenge without caring it's obnoxious aggression; when you care without challenging it's ruinous empathy.*

*When you do neither it's manipulative insincerity. This simple framework can help you build better relationships at work, and fulfill your three key responsibilities as a leader: creating a culture of feedback (praise and criticism), building a cohesive team, and achieving results you're all proud of. Radical Candor offers a guide to those bewildered or exhausted by management, written*

*for bosses and those who manage bosses. Taken from years of the author's experience, and distilled clearly giving actionable lessons to the reader; it shows managers how to be successful while retaining their humanity, finding meaning in their job, and creating an environment where people both love their work and their colleagues.*
