A collaborative creation unlike any other, the Names Project Foundation’s AIDS Memorial Quilt has played an invaluable role in shattering the silence and stigma that surrounded the epidemic in the first years of its existence. Designed by Cleve Jones, the AIDS Quilt is the largest ongoing community arts project in the world. Since its conception in 1987, the Quilt has transformed the cultural and political responses to AIDS in the U.S. Representative of both marginalized and mainstream peoples, the Quilt contains crucial material and symbolic implications for mourning the dead, and the treatment and prevention of AIDS. However, the project has raised numerous questions concerning memory, activism, identity, ownership, and nationalism, as well as issues of sexuality, race, class, and gender. As thought-provoking as the Quilt itself, this diverse collection of essays by ten prominent rhetorical scholars provides a rich experience of the AIDS Quilt, incorporating a variety of perspectives, critiques, and interpretations.

The New York Times bestselling Elm Creek Quilts series continues, with a novel that celebrates one of America's most romantic and enduring traditions. Sarah McClure arrived at Elm Creek Manor as a newlywed, never suspecting that her quilting lessons with master quilter Sylvia Bergstrom Compson would inspire the successful and enduring business Elm Creek Quilts, whose members have nurtured a circle of friendship spanning generations. The Wedding Quilt opens as the wedding day of Sarah's daughter Caroline approaches. As Sarah has learned, a union celebrates not only the betrothed couple's passage into wedlock, but also the contributions of those who have made the bride and groom the unique people they are. Thus Sarah's thoughts are filled with brides of Elm Creek Manor past and present—the traditions they honored, the legacies they

bequeathed, and the wedding quilts that contain their stories in every stitch. A wedding quilt is a powerful metaphor: of sisterhood, of community, of hope for the future. The blocks in Caroline's wedding quilt will display the signatures of beloved guests. As the Elm Creek Quilters circulate amid the festive preparations with pens and fabric in hand, memories of the Manor--and of the women who have lived there, in happiness and in sorrow--spill forth, rendering a vivid pastiche of family, friendship, and love in all its varieties.

In 24 quilt projects that any adult can make--and any child will appreciate--the author uses machine-piecing and appliqué techniques to create ladybugs, ants and merry little monsters on pillowcases, quilts, chair covers aprons and more, in a book that includes a CD-ROM of patterns. Original.

A funny thing happened on the way to the quilt show. . . . So the story invariably goes, because, where Robbi Joy Eklow (a.k.a. The Goddess of the Last Minute) goes, something funny is bound to happen--or simply to occur to her. As colorful and surprising as the quilts Robbi is famous for, the stories and reflections gathered here create an irresistible picture of an irrepressible character quilting and quipping her way through life. Filled with the kind of gems that have made her Quilting Arts Magazine column so popular, this book includes Robbi’s musings on creativity and color, as well as on the trials and tribulations that every quilter faces. The Goddess of the Last Minute invites readers to take a wry look at those trials--and,
