Hope and joy radiate from the pages of Robert Sabuda s new pop-up book celebrating the Nativity. Long ago in the town of Bethlehem, on a bright and starry night, a baby was born, a child who was called the son of God. Announced by an angel, born in a humble manger, laid in a bed of straw, visited by shepherds and wise men the age-old, awe-inspiring story of the birth of Jesus is lovingly brought to life by master pop-up artist Robert Sabuda in six gorgeously imagined scenes, culminating in a 3-D manger sheltering humans and beasts, guarded by an angel above. Glinting with touches of gold and pearlescent foil, "The Christmas Story "is a festive feast, a holiday treasure to be shared with the whole family."

An Italian journalist pleads her case for learning ancient Greek in modern times. For word nerds, language loons, and grammar geeks, an impassioned and informative literary leap into the wonders of the Greek language. Here are nine ways Greek can transform your relationship to time and to those around you, nine reflections on the language of Sappho, Plato, and Thucyides, and its relevance to our lives today, nine chapters that will leave readers with a new passion for a very old language, nine epic reasons to love Greek. The Ingenious Language is a love song dedicated to the language of history’s greatest poets, philosophers, adventurers, lovers, adulterers, and generals. Greek, as Marcolongo explains in her buoyant and entertaining prose, is unsurpassed in its beauty and expressivity, but it can also offer us new ways of seeing the world and our place in it. She takes readers on an astonishing journey, at the end of which, while it may still be Greek to you, you’ll have nine reasons to be glad it is. No batteries or prior knowledge of Greek required! Praise for The Ingenious Language “Andrea Marcolongo is today’s Montaigne. She possesses an amazing familiarity with the classics combined with the ease and lightness of those who surf the web.” ?André Aciman, New York Times–bestselling author of Find Me “[Marcolongo’s] declaration of love for Ancient Greek does more than celebrate the virtues of its grammar, it shows us modern fools how this language can help us understand ourselves better and live a better life.” ?Le Monde (France)

Roan, speckled, dappled, gray -- how many different horses are playing on these pages? A new novelty delight from renowned pop-up master Robert Sabuda. Watch with awe as majestic horses leap off the page when you open this stunning full-color pop-up book. Glorious images of horses grazing, prancing, and galloping in an idyllic farm setting are inspired by everyday scenes in rural America as well as by the real Ten Horse Farm (now an art studio) owned by artist and designer Robert Sabuda in upstate New York. This 3-D gem will draw horse enthusiasts of all ages.

"A film that will let you see the music and listen to drawings; in a word, a film full of Fantasia!" Bruno Bozzetto's Allegro non Troppo tips its hand right away: it is an unabashed, yet full of admiration, retake on Walt Disney's 1940 'concert feature'. The obvious nod to that model fuels many tongue-in-cheek jokes in the film; however, Allegro non Troppo soon departs from mere parody, and becomes a showcase for the multifaceted aesthetics of Italian animation in 1976, as well as a witty social satire and a powerful rethinking of the music-image relationship in cinema. Marco Bellano reconstructs the history of the production of Allegro non Troppo, on the basis of an original research developed with the contribution of Bozzetto himself; it also presents an audiovisual analysis of the work, as to reassess the international relevance of Bozzetto's achievements by giving insight into the director's"-- Return to the past with Geronimo Stilton in this fabumouse special edition! Imagine my surprise when I, Geronimo Stilton, was offered the chance to travel back in time again! Professor Paws von Volt entrusted me to lead my family on a secret journey in his new time machine. This voyage took us to ancient Rome, to the great Maya Empire, and to the Palace of Versailles during the age of the Sun King! Along the way I competed in a scary chariot race, saved some mouselings from a hungry jaguar, and was forced to organize a huge party for the king who had everything. What a wild trip through history!

Journey back in time with Geronimo in this fabumouse hardcover special edition! I, Geronimo Stilton, never expected to set paw inside a time machine. But when Professor Paws von Volt invited me to travel with him, I had to accept! My family came along to help us discover how the dinosaurs became extinct, how the Great Pyramid of Giza was built, and what life was like at King Arthur's court. Along the way I was chased by a Tyrannosaurus rex, almost eaten by a crocodile in the Nile, and asked to save a maiden from an evil knight's castle. Holey cheese! It was an adventure through history!
