

Fabrizia Ramondino: Rimemorazione E Viaggio

This is a timely and extensive biography of a writer who, in the early twentieth century, achieved such status in the literary world that publishers in Italy vied for her novels, and editors felt honoured to publish her short stories and 'sketches'. Now, almost seventy years after her death, her novels continue to be reprinted and translated, and critical appreciation of her work continues to grow. Her works still live and have the power to move her readers.

The four novellas in this text show illusions being lost and ideas betrayed amid war and revolution. Each one has its own historical moment: the Allied invasion of Sicily, the Spanish Civil War, the death of Stalin and the revolution of 1848.

Once upon a time there was a huge family of children, and they were terribly, terribly naughty ... Mr and Mrs Brown thought that their children had been cured of naughtiness by the inimitable, magical Nurse Matilda. But now, with Nurse Matilda gone, the children have slipped back into their wicked ways: Tora has put glue in the sandwiches; Emma has made a chocolate cake out of mud; David has put a toad in the milk jug; and Tim is tying Nanny's shoelaces to her chair! Their stay in London with their Great Aunt Adelaide seems set for disaster - until the arrival of Nurse Matilda ... This highly collectable new edition of a timeless classic is packed with episode after episode of mischief, mayhem

and hilarity, all accompanied by Edward Ardizzone's beautiful original illustrations. The works and ideas of Leonardo in the last years of his life. This casebook gathers a collection of ambitious essays about both parts of the novel (1605 and 1615) and also provides a general introduction and a bibliography. The essays range from Ramón Menéndez Pidal's seminal study of how Cervantes dealt with chivalric literature to Erich Auerbach's polemical study of Don Quixote as essentially a comic book by studying its mixture of styles, and include Leo Spitzer's

masterful probe into the essential ambiguity of the novel through minute linguistic analysis of Cervantes' prose. The book includes pieces by other major Cervantes scholars, such as Manuel Durán and Edward C. Riley, as well as younger scholars like Georgina Dopico Black. All these essays ultimately seek to discover that which is peculiarly Cervantean in Don Quixote and why it is considered to be the first modern novel.

One of the most studied and popular works of Italian literature, Giuseppe Parini's The Day has been unjustly neglected in the English-speaking countries.

This edition reissue of Herbert Morris Bower's beautiful verse translation, the only complete English version of the poem, is enriched by facing original text and extra end notes. Parini's satirical description of a lazy young nobleman's fashionable day, from his awakening late in the morning to the fatuous pleasures that noon and evening bring, has been often compared to The Rape of the Lock, and displays the same gentle tone, pointed wit, and enduring charm of Pope's masterpiece.

Published in France in 1980, Marine Lover is the first in a trilogy in which Luce Irigaray links the interrogation of the feminine in post-Hegelian philosophy with a pre-Socratic investigation of the elements. Irigaray undertakes to interrogate Nietzsche,

the grandfather of poststructuralist philosophy, from the point of view of water. According to Irigaray, water is the element Nietzsche fears most. She uses this element in her narrative because for her there is a complex relationship between the feminine and the fluid. Irigaray's method is to engage in an amorous dialogue with the male philosopher. In this dialogue, she ruptures conventional discourse and writes in a lyrical style that defies distinction between theory, fiction, and philosophy.

Described as the most "conspicuous voice in Italian poetry after Eugenio Montale," Mario Luzi created for himself an unmistakably individual rhythm, idiom, and ethos ...

Particular to Luzi's poetry is the quality of lyricism, and tone of conversational intimacy, of which *For the Baptism of Our Fragments* represents the crowning achievement of a long poetic career which began with his first book of poems in 1935.

Anna Malvas is taken in by her uncle Paolo Veleno and his family soon after she becomes an orphan. Anna enters their home as a child and grows into adulthood, falling in and out of love and eventually blossoming into a poised young woman. Along the way, Deledda's vivid descriptive narrative accompanies us as we discover the Sardinia of the late 19th-century. Anna's story is set around cameo-like vignettes interspersed with simple details - descriptions of a wedding dress and the scented white paper in which it is wrapped, the intricacies of Richelieu embroidery, the procedure for sun drying tomatoes - which enhance the fabric of the story. Throughout *Honest Souls*, Anna's story is imbued with folkloric zest, making the novel a valuable snapshot of the smalltown Sardinia of her day. Written in 1895, by Grazia Deledda, *Honest Souls* is an excellent example of the regional Italian fiction of its day. Deledda has a descriptivist's eye and she brings the unique flavours of Sardinia to the attention of the world. Grazia Deledda enjoyed international acclamation, winning the Nobel Prize for Literature in 1926."

In this magical novel a count from Milan stumbles upon a desolate community of lost noblemen on an uncharted island off the coast of Portugal. When he discovers, to his astonishment, that their ill-treated servant is in fact a maiden iguana, and then proceeds to fall in love with her, the reader is given a fantastic tale of tragic love and delusion that ranks among the most affecting in contemporary literature. "The reptilian servant is only the first in a series of fantastic touches that transform the narrative into a satiric fable dense with the echoes of Shakespeare's 'Tempest' and Kafka's 'Metamorphosis.' . . . The Iguana is a superb performance." "€"New York Times Book Review

Grazia Deledda has been variously categorised as Romantic, Realist, Symbolist or Decadent. This book aims to show the writer and her work in a fresh light, emphasising the extraordinary nature of her achievement given her unpromising beginnings. It offers insight into her work from the perspectives of modernism, feminism and post-colonialism.

First published in 1968, *The World Saved By Kids* was written in the aftermath of deep personal change and in the context of what Elsa Morante called the great youth movement exploding against the funereal machinations of the organized contemporary world. Greeted by Pier Paolo Pasolini as a political manifesto written with the grace of a fairy tale and by Antonio Porta as one of the most important books of the decade, *The World Saved By Kids* has Morante display true mastery of tone, rhythm and imagery as she works elegy, parody, storytelling, song and several more forms into an act of language magic through which Gramsci and Rimbaud, Christ and Antigone, Mozart and Simone Weil and a host of other figures join the sassy, vulnerable

neighbourhood kids in a renewal of the word s timeless, revolutionary power to explore and celebrate life s insoluble paradox. Morante gained international recognition and critical acclaim for her novels *Menzogna e sortilegio* (to date untranslated except for a heavily abridged version), *History*, *Arturo s Island* and *Aracoeli* but always considered the unclassifiable *World Saved By Kids* her best book and the one that most closely spoke her spirit. Evoking in vivid detail the literary world in Rome at the turn of the century. Her Husband tells the story of Silvia Roncella, a talented young female writer, and her husband Giustino Boggiolo. The novel opens with their arrival in Rome after having left their provincial southern Italian hometown following the success of Silvia's first novel, the rather humorously titled *House of Dwarves*. As his wife's self-appointed (and self-important) promoter, protector, counselor, and manager, Giustino becomes the primary target of Pirandello's satire. But the couple's relationship - and their dual career - is also complicated by a lively supporting cast of characters, including literary bohemians with avant-garde pretensions and would-be aristocratic

aesthetes who are all too aware of the newly acquired power of journalists and the publishing establishment to make or break their careers. Having based many of the characters - including Silvia and Giustino - on actual literary acquaintances of his, Pirandello reacted to the novel's controversial reception by not allowing it to be reprinted after the first printing sold out. Not until after his death were copies again made available in Italy.

Gli studi raccolti in questo volume abbracciano un ampio ventaglio di temi, che comprende la trasposizione di elementi biografici sul piano della finzione nelle opere pirandelliane, le modalità specifiche con cui l'autore fece proprie sia la cultura ed il paesaggio - incluso quello urbano - che la letteratura e la filosofia della Germania (dal classicismo di Goethe, attraverso l'idealismo ed il romanticismo fino a Schopenhauer e Nietzsche, Theodor Storm ed Arthur Schnitzler), il suo riflettere tendenze del suo tempo (tra le altre, naturalismo ed espressionismo); ed ancora la profonda conoscenza che Pirandello ebbe della drammaturgia tedesca, l'influenza che esercitò sul teatro e le sue relazioni con il cinema in Germania. Il volume segue percorsi di ricerca solo recentemente aperti dagli studi pirandelliani, sviluppandosi intorno ai grandi temi legati al rapporto di questo autore con la Germania, la cui conoscenza si presentava fino a questo momento ancora lacunosa. Una particolare attenzione è dedicata alla ricostruzione topografica ed alla documentazione relativa ai soggiorni di Pirandello a Berlino.

The Church of Solitude tells the story of Maria Concezione, a young Sardinian seamstress living with breast cancer at the cusp of the twentieth century. Overwhelmed by the shame of her diagnosis, she decides that no one can know what has happened to her, but the heavy burden of this secrecy changes her life in dramatic ways and almost causes the destruction of several people in her life. This surprising novel paints the portrait of a woman facing the unknown with courage, faith, and self-reliance, and is the last and most autobiographical work of Grazia Deledda, who died of breast cancer in 1936, shortly after its publication. An afterword by the translator offers additional information on the author and examines the social and historical environment of that time.

This represents the first time that Pirandello's Brecche and the War has been translated into the English Language. Pirandello's historical novella, set in the months preceding Italy's entry into the First World War, is amongst much else a highly individual contribution to war literature and historical fiction. As he charts the crisis of those times as it affects the carefully constructed identity of his protagonist, he embarks on a radical questioning of nineteenth-century notions of order, method and discipline. Further, his dialogue with historical narrative leads him to explore and expose the fiction inherent in representing historical reality, and the fictions by

which we all live.

Marcello Mastroianni is considered by many to be the consummate symbol of Italian masculinity. In this work, Jacqueline Reich goes behind the popular image to reveal a figure at odds with and out of place in the unstable political, social and sexual climate of post-war Italy.

Elsa Morante has long been recognized internationally as one of the most significant, innovative, and important writers of the 20th century Italy. Nonetheless, there has, to date, been no full-length study in English dedicated to her work. Critical perspectives on Morante's literary achievement have shifted dramatically in recent years, and while this volume proposes to offer the first comprehensive evaluation of Morante to appear outside Italy, it also aims to take into account modern critical and theoretical developments. The authors' aim is to underline Morante's centrality in a broader context which goes beyond Italian national frontiers and deserves critical attention across a range of transcultural disciplines, departing from the traditional realm of philological analysis to encompass approaches informed by cultural and interdisciplinary studies. This volume gives a comprehensive insight into current thinking on and understanding of Elsa Morante's work. This book

places her work in a much wider context of European culture, and traces her influence on a younger generation of writers.

This book explores how women's relationship with food has been represented in Italian literature, cinema, scientific writings and other forms of cultural expression from the 19th century to the present. Italian women have often been portrayed cooking and serving meals to others, while denying themselves the pleasure of the table. The collection presents a comprehensive understanding of the symbolic meanings associated with food and of the way these intersect with Italian women's socio-cultural history and the feminist movement. From case studies on Sophia Loren and Elena Ferrante, to analyses of cookbooks by Italian chefs, each chapter examines the unique contribution Italian culture has made to perceiving and portraying women in a specific relation to food, addressing issues of gender, identity and politics of the body.

By recognizing the groundbreaking work of many non-Italian ecocritics, and linking to the homegrown contributions of Serenella Iovino, Marco Armerio, and Giovanna Ricoveri, the authors of *Ecocritical Approaches to Italian Culture and Literature: The Denatured Wild*, challenge the narrowly defined conventions of Italian Studies and illuminate the complexities of an Italian ecocriticism that reveals a rich environmentally engaged literary and cultural tradition.
