An illustrated journal for feminists looking to raise their consciousness and strengthen their well-being in a positive, inclusive, and radical way. Grab a pen and notebook to follow along with this digital version! Fifty Feminist Mantras began as a weekly blog post and blossomed into a year-long project with the purpose of helping readers embrace feminism and themselves as feminists. Inside are fifty mantras—memorable phrases or words—arranged by week and season. Each mantra is paired with guided reflections and writing prompts, along with journal pages for readers to fill. Sample mantras: Grow Soft: As we consider soft power, I invite you to experiment with feeling softer. How might this make you more powerful? Enact Your Emotions: Which of your emotions lead you toward other people and into action with them? (Does being angry rile you up the most? Being hurt? Falling in love? Feeling scammed?) How you can express those emotions with purpose? Birthday Gifts for Men, Birthday Journal Notebook for 30 Year Old for Journaling & Doodling, Birthday Keepsake Book
