This 304 page coffee table book takes a look at 26 of America s great authors and the places that inspired them.

File Type PDF Happy Birthday, Thomas!

Unique to this book of literary biography is the element of the photograph. With over 140 photographs throughout, the images add mood and dimension to the writing and they are often shockingly close to what the featured authors described in their own words. Lushly illustrated, and

File Type PDF Happy Birthday, Thomas!

beautifully designed, the book is as much of a pleasure to look at as it is to read. Rags to riches. Forbidden loves. Supernatural experiences. Narrow escapes. Some of the greatest stories of American literature are the stories of the scribes themselves and of the places that sparked their imaginations. In
