

## KS1 Maths Targeted Study Question Book Year 2 (CGP KS1 Maths)

Level: KS1 Subject: English Suitable for 2020 SATs Boost children's test-taking confidence by using the realistic SATs-style questions included in this Key Stage 1 English SATs Question Book by Collins. Specifically designed to get children ready for the English Reading SAT, this book covers all the content and skills that children will be tested on. A variety of reading texts (such as fiction, non-fiction and poetry) give children a chance to practise all kinds of reading skills. Regular progress tests are included throughout to check understanding every step of the way. Answers and marking schemes are also provided to ensure children are prepared for success ahead of their SATs. For more SATs revision books, try our KS1 Grammar, Punctuation and Spelling SATs Question Book (9780008253134) or the KS1 Spelling SATs Question Book (9780008253141) for extra SATs practice.

This book can help your child by providing a whole year of ready to go activities and support on key Mathematics topics which will be being taught in school from 2014. Did you know that children in Year 2 now need to; use place value and number facts to solve problems; work on fractions has been extended to  $\frac{1}{3}$ s and equivalent fractions such as  $\frac{2}{4}$ ; tell and write the time to five minutes? \* Workbooks for home learning \* Linked directly to what your children will be learning in school \* A linked website provides additional activities, answers and support for parents \*

Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.

This book can help your child by providing a whole year of ready to go activities and support on key English topics which will be being taught in school from 2014. Did you know that your child in Year 2 will now need to; be able to distinguish between homophones and near-homophones (such as 'their', 'there' and 'they're'); write different types of sentences, such as statements, exclamations and commands; learn how to use an apostrophe for possession, for example John's. \* Workbooks for home learning \* Linked directly to what your children will be learning in school \* A linked website provides additional activities, answers and support for parents \* Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.

Year 4 English Targeted Practice

New KS2 English Targeted Question Book: Year 5 Comprehension -

The format of Mental Arithmetic differs from that of traditional mental arithmetic materials in that pupils read the questions themselves, use rough paper for workings out, and write down their answers. It provides intensive practice in all areas of the maths curriculum.

Brought to an American audience for the first time, How I Wish I'd Taught Maths is the story of an experienced and successful math teacher's journey into the world of research, and how it has entirely transformed his classroom.

This book contains a range of practice questions for every topic in Key Stage Two Maths, with fun cartoons to help keep kids interested. Complete answers are included at the back.
