This Lighthouse Bucket List is the perfect journal for enthusiasts who are fascinated by lighthouses around the United States and the world, and who'd like to visit each one on their bucket list adventures. From the first known lighthouse of the Pharos in Alexandria, Egypt, every lighthouse holds a remarkable story. Since 1716 on Little Brewster Island at the entrance to the Boston Harbor, to the newest one, Charleston Light on Sullivan's Island in South Carolina, lighthouses have been built to keep mariners safe from dangers that lie ahead in the dark. It's estimated that there are approximately 18,900 lighthouses in the world and approximately 1,000 lighthouses, light towers, range and pier head lights in the United States alone. We proudly present a sampling of beautiful lighthouse images to hopefully inspire you to place them on your destination Bucket List, journaling all your lighthouse memories. This amazing collection encourages you to begin recording all your lighthouse visits, first impressions, historical facts and special memories.We've included lighthouse images from around the United States, up both East and West coasts, the Gulf of Mexico and the Great Lakes. Each lighthouse is labeled by name and state location along with a journaling page for personal notations about your visit.This bucket list also includes a personal check-off list for 390 U.S. lighthouse destinations you may want to visit. We encourage you to visit them all, and many more. By the time your journal is completed, you'll be able to publish your own book of all the fun places you took the time to visit.If you're ready to begin your Lighthouse Bucket List adventures with book in hand, it's time to jump in the car or contact your travel agent and begin planning the trip of a lifetime.

This collection bundles 3 of Lisa Wingate ' s contemporary/historical Carolina Heirlooms series together in one e-book, for a great value! The Prayer Box (ECPA 2014 Christian Book Award Finalist!) When Lola Anne Poole, an old-timer on Hatteras Island, passes away in her bed at ninety-one, the struggling young mother in her rental cottage, Tandi Jo Reese, finds herself charged with the task of cleaning out Lola ' s rambling Victorian house. Running from a messy, dangerous past, Tandi never expects to find more than a temporary hiding place within Lola ' s walls, but everything changes with the discovery of eighty-one carefully decorated prayer boxes, one for each year, spanning from Lola ' s youth to her last days. Hidden in the boxes is the story of a lifetime, written on random bits of paper—the hopes and wishes, fears and thoughts of an unassuming but complex woman passing through the seasons of an extraordinary, unsung life filled with journeys of faith, observations on love, and one final lesson that could change everything for Tandi. The Story Keeper (2015 Christy Award winner! 2015 Carol award winner!) When successful New York editor Jen Gibbs discovers a decaying slush-pile manuscript on her desk, she has no idea that the story of Sarra, a young mixed-race woman trapped in Appalachia at the turn of the twentieth century, will both take her on a journey and change her forever. Happy with her life in the city, and at the top of her career with a new job at Vida House Publishing, Jen has left her Appalachian past and twisted family ties far behind. But the search for the rest of the manuscript, and Jen ' s suspicions about the identity of its unnamed author, will draw her into a mystery that leads back to the heart of the Blue Ridge Mountains . . . and quite possibly through the doors she thought she had closed forever. The Sea Keeper ' s Daughters (2016 Christy Award Winner!) From modern-day Roanoke Island to the sweeping backdrop of North Carolina ' s Blue Ridge Mountains and Roosevelt ' s WPA folklore writers, past and present intertwine to create an unexpected destiny. Restaurant owner Whitney Monroe is desperate to save her business from a hostile takeover. The inheritance of a decaying Gilded Age hotel on North Carolina ' s Outer Banks may provide just the ray of hope she needs. But things at the Excelsior are more complicated than they seem. Whitney ' s estranged stepfather is entrenched on the third floor, and the downstairs tenants are determined to save the historic building. Searching through years of stored family heirlooms may be Whitney ' s only hope of quick cash, but will the discovery of an old necklace and a Depression-era love story change everything?

The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

Between the covers of Kingdom Planet read about the extraordinary events that surface within the functions of a major worldwide chemical corporation. The diabolical plot of the firm that is actually run by Satan's soldiers, will astound and challenge your thinking regarding workplace realities.

"What Moby-Dick is to whales, Brilliant Beacons is to lighthouses—a transformative account of a familiar yet mystical subject." —Laurence Bergreen, author of *Columbus: The Four Voyages In this "magnificent compendium" (New Republic), best-selling author Eric Jay Dolin presents the definitive history of American lighthouses, and in so doing "illuminate[s] the history of America itself" (Entertainment Weekly). Treating readers to a memorable cast of characters and "fascinating anecdotes" (New York Review of Books), Dolin shows how the story of the nation, from a regional backwater colony to global industrial power, can be illustrated through its lighthouses—from New England to the Gulf of Mexico, the Great Lakes, the Pacific Coast, and all the way to Alaska and Hawaii. Alice to the Lighthouse is the first and only full-length study of the relation between children's literature and writing for adults. Lewis Carroll's Alice books created a revolution in writing for and about children which had repercussions not only for subsequent children's writers - such as Stevenson, Kipling, Nesbit, Frances Hodgson Burnett and Mark Twain - but for Virginia Woolf and her generation. Virginia Woolf's celebration of writing as play rather than preaching is the twin of the Post-Impressionist art championed by Roger Fry. Dusinberre connects books for children in the late nineteenth century with developments in education and psychology, all of which feed into the modernism of the early twentieth century.

"New England is known to have one of the most rugged coastlines in the world. This book was developed to provide the reader a series of stories that encompass the brave men and women of New England who risked their lives at or near New England's lighthouses. These individuals were not only part of the lighthouse, lifesaving, and revenue cutter government services of the nineteenth and early twentieth centuries, but also encompass a town's own citizens, local mariners, or a ship's captain and crew, who would also risk their lives alongside their government counterparts in helping those in distress."--Preface.

Ever wonder what it must have been like to live aboard a lighthouse? Have you ever considered the lighthouse's point of view? The Lucky Lighthouse is a historical coloring book based on the sparkplug lighthouse in the Upper New York Bay, the Robbins Reef Lighthouse. Written in vivid verse with detailed illustrations, and accompanied by clever puzzles and games, The Lucky Lighthouse depicts what life was like for Kate Walker and her family, who lived in the house from 1883 to 1919, then chronicles the lighthouse's subsequent struggles after no longer being occupied by a keeper, then celebrating its restoration, repairs, and bright future after the Noble Maritime Museum, Staten Island NY, was granted stewardship of the light. A story of dedication, patience, perseverance, and hope- along with a little bit of luck- The Lucky Lighthouse is a story the young- and the young at heart- can relate to.
