Three Men in a Boat. In 1922 it was adapted into a silent film The Wheels of Chance directed by Harold M. Shaw. The Wheels of Chance was written at the height of the cycling craze (1890-1905), when practical, comfortable bicycles first became widely and cheaply available and before the rise of the automobile (see History of the bicycle). The advent of the bicycle stirred sudden and profound changes in the social life of England. Even the working class could travel substantial distances, quickly and cheaply, and the very idea of travelling for pleasure became a possibility for

This is a tome of poetry over 350 pages in length, that covers all aspects of life that the bleeding heart of a poet can long to appreciate. Desperation breeds good poetry, and lovesickness breeds desperation, so the lovelorn heart often speaks plainly, and tells stories of the

shipbuilding, mentions the greatest men who pursued geographical discoveries like Columbus and his contemporaries, and the deeds of pirates like Sir Francis Drake. The author revises the history of the most significant shipwrecks and concludes with poetry dedicated to sea and ship travel. The author spent his life traveling on a steamship and collected numerous stories and illustrations of interesting distant places. The book is the culmination of his lifetime interest in sea, travel, history, and art.

woods; and the grumpy Harbour Master has come to Laura's attention for being cruel to the sea birds living in and around the harbour. Laura McBean lives in the middle cottage of three with her brother Johnny and her mum on the edge of Stokey's Woods. Laura was quite a mischievous girl when she was growing up, and that is how she got the nickname of Laura McNaughty. She doesn't get into as much mischief now because she is that little bit older; but if she finds out that someone has been cruel to animals then that person, whoever he or she maybe, will have Laura and her friends to contend with.

trouble ahead. But will Hambone, Snow, Ra'na, and the wizard Ynob be enough to stop the ensuing apocalypse? Cyclotourism has recently risen to prominence with growing national media coverage and thousands of participants taking to America's roadways on two wheels and under their own pedal power. But the concept is not new. More than a century ago, George B. Thayer took his own first "century," or one-hundred-mile bicycle ride. The Two-Wheeled World of George B. Thayer brings to life the experience of late nineteenth-century cycling through the heartfelt story

of this important cycling pioneer. In 1886, just two years after his first century, Thayer rode his high wheeler across the United States, traveling from his home in Connecticut to California and back. Thayer took an indirect route without any intent to set speed records, but his trip was full of adventure nonetheless. Thayer loved going downhill, his legs over the handlebars, risking life and limb atop the large wheel on often rough and muddy roads. With aplomb and humor, he dealt with the countless other hazards he encountered, including dogs, mule teams, and wild hogs.

Even bad weather and poor sleeping conditions could not keep Thayer down. After his epic tour across the United States, Thayer had the urge to cycle abroad and eventually toured England, Germany, Belgium, and Canada on his bike. His later travels were in part aided by his hometown of Hartford, Connecticut, which was the epicenter of American bicycle manufacturing in the late 1890s. In addition to telling Thayer's cycling story, Kevin J. Hayes brings to life the culture of cycling and its rise at the end of the nineteenth century, when bikes became more affordable and the

started with a tickle. Roger Hargreaves' son Adam asked him what a tickle looked like. In response, Roger drew a small orange man with extraordinarily long arms that could reach anywhere and tickle anyone. Mr Tickle, the first of the Mr Men, was born. Mr Tickle was soon joined by Mr Greedy, Mr Happy, Mr Nosey, Mr Sneeze and Mr Bump. The books were an instant hit and Roger went on to create many more Mr Men and Little Miss characters. What Roger really wanted was to make children laugh, which is probably why his own favourite character is Mr Silly.
