

My First Recorder: Learn To Play: Kids

This is a basic method for learning to play the recorder and read music through the use of folk, classical and familiar songs. Start off by learning to hold the recorder, then learn the basics of reading music. Soon you will be playing tunes like Au Clair De La Lune, Jingle Bells, Shortnin' Bread, Swing Low Sweet Chariot, Scarborough Fair and many more.

Recorder From The Beginning: Pupil's Book 1 (2004 Edition) is the full-colour revised edition of John Pitts' best-selling recorder course. The eight extra pages in Book 1 have allowed for some new tunes and rounds, whilst retaining the well-known favourites that have helped to make the scheme such an enduring success. This is the book we all learned from as children and is still, successfully, teaching today's youth how to play the Recorder.

*Learn to play bass and open up a brand new world of musical knowledge with this exciting method from Alfred. Beginners of all ages can start their journey to a lifetime of musical enjoyment. Beginning with the fundamentals, you will learn about buying a bass guitar, tuning and holding it, fingering and picking styles and getting acquainted with standard musical notation and tablature. You will then move right along to playing different notes, scales, and bass lines, lesson by lesson, all while continuing to increase your knowledge of reading and understanding standard musical notation and TAB. You will learn to play in an array of musical styles, including Rock, Heavy Metal, Blues, Country, and Jazz. Near the end of the book you will be introduced to the concept of playing from chord sheets, which will assist you in coloring your and others' musical creations with your own unique, rockin' style. Upon completion of this book, you will be able to play from popular bass TAB folios and be ready to play in a band. The book features the following resources for reference during and after your lessons: * TAB licks and bass lines * Bass fingerboard chart * Complete chord chart * Photos showing hand positions and more Be your own teacher, and let Alfred be your resource every step of the way.*

The Consortium is All. But Recorder Can No Longer Obey. Recorder has no family, no friends, and no name. Donated to the Consortium before birth, her sole purpose is to maintain and verify the records. A neural implant and drone ensure compliance, punishing for displays of bias. Suddenly cut off from controlling technology, Recorder tastes what it means to be human. But if the Consortium discovers her feelings, everyone she knows will be in danger. With no name, no resources, and only an infinitesimal possibility of escape, Recorder's time is running out.
