On a fateful day in 1957, the country saw the Boston Celtics and the St. Louis Hawks face off in one of the most dramatic NBA games in history. But the score at the final buzzer told only part of the story. Celtics rookie Bill Russell, traded by the Hawks because of his race, emerged as a new sports hero. Boston's coach Red Auerbach went on to become the ultimate winner and builder of championship teams. And the city of Boston and its beloved Celtics had their first NBA championship-and the makings of a dynasty.

In 2000, Walt Disney Pictures released the film Remember the Titans which stirred the hearts of many but falsely depicted the Titans of T.C. Williams playing their arch-rival, George C. Marshall, in a nail-biter of a championship football game decided on the last play in a place called Roanoke Stadium. Wrong! The Titans played a small and scrappy bunch of players from Salem known as the Wolverines of Andrew Lewis High in the historic Victory

Andy North is a two-time United States Open champion, current player on the Senior PGA Tour, and a commentator for ESPN. In this book, Andy offers golfing fans a treasure chest of anecdotes and shares his insight and wisdom into the game of golf. Andy first talks about the pioneers of the game and shares memories of his time with the likes of Arnold Palmer, Jack Nicklaus, Tom Watson, Gary Player, and many others. He shares the heartwarming story of his life growing up in Wisconsin and his rise to success on the PGA Tour. He offers advice on how to better understand and play golf. This book has both the drills and games you can play with your children to make golf fun and the games that you as an amateur golfer should play to improve your own game. Finally, Andy talks about the changes facing golf in the coming years and shares his experiences working with his friends at ESPN. The drama, the excitement, and the suspense of professional golf are all captured in this book. Golfers of all ages will enjoy Andy North's unique perspective on golf.

A Best Business Book of 2015, Strategy Business ESPN's rise is one of the most remarkable stories about business and sports in our time, and nobody can tell it better than George Bodenheimer. It may be hard to believe, but not long ago, getting sports updates was difficult and frustrating. ESPN changed everything. George Bodenheimer knows. Initially hired to work in the mailroom, one of Bodenheimer's first jobs was to pick up sportscaster Dick Vitale at the Hartford airport and drive him to ESPN's main campus--a couple of trailers in a dirt parking lot. But as ESPN grew, so did George's status in the company. In fact, Bodenheimer played a major part in making ESPN a daily presence not just here, but all over the world. In this business leadership memoir--written with bestselling author Donald T. Phillips--Bodenheimer lays out

The 1951 Los Angeles Rams were one of the greatest teams in professional football history. Led by pioneer owner Daniel Reeves, head coach Joe Stydahar, and future Hall of Famers Bob Waterfield, Norm Van Brocklin, Elroy Hirsch, Tom Fears, and Andy Robustelli, the team won the NFL championship of that season. In doing this, they defeated the defending champion Cleveland Browns in a fantastic rematch of the 1950 title game. The Rams were the first team in a major professional sports league to relocate to the West Coast, forever changing the face of the NFL and professional sports in America. Fueled by an exciting and accomplished lineup of veteran star players and impactful rookies, the product of the Rams' innovative scouting system and their reintegration of the NFL in 1946, the Rams successfully married the NFL to the glamorous world of Hollywood. Delve into the story of the '51 Rams, the NFL's First West Coast Champions.

Follow these star athletes from the curling rinks of Canada's heartland to their unbelievable performances on the world stage! The women's team, which hails from Winnipeg, and the men's team, based in Sault Ste. Marie, dominated the Sochi Olympic curling events, setting records and capturing the hearts of millions of Canadians. Now Winnipeg Sun sports editor Ted Wyman shares the stories of Canada's favourite curlers. With exclusive interviews and in-depth profiles, Ice Gold delves into each player's beginnings in the sport, the formation of the teams, their road to the Olympics, and their gold-medal triumphs. Learn how Jennifer Jones and Jill Officer became an inseparable tandem after meeting at the Highlander Curling Club; how two brothers, E.J. and Ryan Harnden, and their cousin, Brad Jacobs, went from aspiring hockey players to gold-medal curlers; and how Mike Babcock's inspiring words helped the men's curling team out of their early Olympic slump.

The Greatest Sports Arguments of All Time

Hall of Fame sportswriter Harold Kaese chronicles the ups and downs of the

storied baseball franchise's 82 seasons in Boston.

The story of Dowagiac's first 100 years may ring familiar to other small cities across the United States. After Dowagiac was established on a railroad line in 1848, new settlers arrived and had the opportunity to establish large-scale factories in the young village. This growth would last for a full century, fueled by the Round Oak Stove Company and other manufacturers in the city.

Because of its manufacturing base, immigrants moved to Dowagiac, and the small city enjoyed strong business and manufacturing districts, solid educational institutions, and a vibrant social life. Surrounding lakes provided one venue for entertainment, while downtown Dowagiac offered theaters and fairs. This book documents and celebrates the history of Dowagiac with over 200 photographs from the collection of the Museum at Southwestern Michigan College.

Boston is a sports town. It has been at the forefront of sports development and innovation from the earliest days. Neither the opposition of the clergy nor the strictness of the laws could keep all of the Puritans away from the seventeenth century tavern games all of the time. The Boston Book of Sports is a comprehensive survey of sports and recreational activity in and around Boston from 1630 to 1980. In the mid 17th century the local authorities frowned on sports for many reasons including that it gave people pleasure and reduced work efficiency. But the influence of the Mother country, successive waves of immigrants, and many other domestic social/cultural themes changed all that. In the rules and regulations (1642) of Harvard College, the only exercise allowed was to "read the scriptures twice a day." New England and Puritan asceticism, economic scarcity, and religious devotion combined to overwhelm any possibility of formal sports programs and growth. But the allure of sports is compelling and even in a hostile environment its pleasures were pursued. Toward the end of the 17th century, considerations, circumstances, and attitudes began to change rapidly. Once it changed, sports history was in the making and Boston became the cradle of sports in America. This book is about the people, places, and events of Boston sports history. It indicates the pattern of sports development in Boston from 1630 to the present, recalls the people and events that were important to that development, describes many ways in which that development and the city interacted, and explains why what happened in Boston was important regionally, nationally, and internationally. An acceptance of dancing as a recreation helped make other kinds of pleasure acceptable. As life became less arduous, Sabbath restrictions were relaxed and sports began to be perceived as a method for combating ill health. Harvard College, its students, and its alumni had a major impact on the growth local sports forms, rules, and structures as well as their diffusion to all levels and to other areas. America's first YMCA was established in Boston in 1851, followed by a YWCA where "working girls of the city were especially invited." The YMCA movement itself provided the setting for the creation of the uniquely American

sports of basketball and volleyball. The 1852 intercollegiate rowing race between Harvard and Yale marked the formal beginning of sports competitions among educational institutions in this country; football, golf, baseball, yachting and gymnastics as part of the school curriculum all got their start in Boston. This book includes information about the background of boxing, road sports and harness racing in Boston. It recounts the beginning of the Boston Athletic Association, and even describes 'sand parks' which led to the organized play movement in the U.S and later extended to adolescent playgrounds where sports and recreation were taught and encouraged. Boston might well be said to be the cradle of sports in America. It hosted America's first World Series, its first marathon, its first Davis Cup match. Bicycling, figure skating, golf, squash, lacrosse, field and ice hockey, are just some of the sports popularized and propelled across the country by Boston teams, colleges, and clubs. This comprehensive review brings people, places, and events to life. The chapter headings illustrate the broad range of social and cultural forces that forged the development of sports and later were forged by it as it gained strength and following. Predominant attitudes toward sports are depicted in the chapter headings, which are titled according to historical periods as: • Sports as Sin: 1630-1710 • Sports as Recreation and Amusement: 1700-1810 • Sports of Health and Wealth: 1800-1860 • Sports of Campus and Clubs: 1850-1895 • Sports of Parks and Playgrounds: 1885-1920 • Sports for Amateurs and Spectators : 1910-1945 • Sport
