

Acca Revision Mock Paper P7 Int

The examiner-reviewed P7 Study Text includes everything you need for this paper, including detailed guidance on the exam. The question bank includes questions in the style of the P7 paper, and each chapter contains useful exam focus points and chapter roundups. The Study Text provides an excellent source of the main professional and regulatory aspects of audit and assurance engagements, focusing on ethics and regulation and practice management, before going through the audit and assurance engagement process, and ending with a consideration of current issues and developments.

Question practice is essential for all papers, but particularly for P2 as it has a strong 'fear factor'. Questions look intimidating, and it is only once you get into the detail that you realise that there are easy marks on offer. Our examiner-reviewed Practice and Revision Kit gives ample opportunity to practice the long, case study questions, so important in the exam. Three mock exams provide essential exam rehearsal practice. Many questions have marking schemes, so that you can see that the examiner awards marks for these techniques.
