While other books focus on etiquette, recipes, or a few notable figures, this book offers a more in-depth consideration of the meal by discussing its intersections with English colonialism, its changes over time, and its regional variations.

Celebrating a birthday is a momentous occasion. And what better way to commemorate it than with a tea party? This collection of 10 afternoon-tea menus includes table settings and recipes idyllic for a range of themes—from a little girl's fairy-inspired party to a Jurassic-themed one for boys to a Parisian-planning Sweet 16, as well as several elegant options for adults. Each set of scones, savories, and sweets has a perfectly paired tea to complement each course, and our tea-steeping guide ensures each infusion is properly prepared. With more than 90 recipes, TeaTime Birthdays will make party-planning simple, and each menu is certain to delight invitees and, especially, the guest of honor.
