

All Your Worth

INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of *It Ends with Us*—whose writing is “emotionally wrenching and utterly original” (Sara Shepard, New York Times bestselling author of the *Pretty Little Liars* series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham’s perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. *All Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people? The author interviews a number of prominent women—including comedian Susie Essman, writer and director Nora Ephron and TV personality Joy Behar—to reveal the ways that everyday women can achieve their deserved recognition and financial worth in today’s professional world.

The best-selling author of *The Courage to Be Rich* and *You’ve Earned It, Don’t Lose It* shows readers how to obtain control over their money through changing their spending habits; how to understand investments, retirement, insurance, and credit; and how to gain true financial freedom. Reprint. 250,000 first printing.

DIV This landmark book looks at what it means to be a multiracial couple in the United States today. According to *Our Hearts* begins with a look back at a 1925 case in which a two-month marriage ends with a man suing his wife for misrepresentation of her race, and shows how our society has yet to come to terms with interracial marriage. Angela Onwuachi-Willig examines the issue by drawing from a variety of sources, including her own experiences. She argues that housing law, family law, and employment law fail, in important ways, to protect multiracial couples. In a society in which marriage is used to give, withhold, and take away status—in the workplace and elsewhere—she says interracial couples are at a disadvantage, which is only exacerbated by current law. /div

Knowing Your Worth

As a psychotherapist for 21 years, I've noticed one thing that many of my clients of all ages have in common. It is that they don't know their own value as a human being. The three areas this most often plays out in is how they see themselves, how they present themselves at work, and how they interact with others in their lives. This book looks at different aspects of all three areas. In addition to helping readers to recognize their own worth, this book lists ideas in each section teaching how to know your worth and exercises to practice at the end of each section. With this book, readers will know both how to recognize their own worth and make sure that others recognize it as well.

Build your confidence, increase your value, and make a lasting impact—a brand authenticity expert shares her most powerful secrets. Entrepreneurship marketing is talking “authenticity.” Which means making a personal or professional brand should be simpler than ever, right? What could be easier than “being yourself?” Simple? Sure. But easy? Not so much. Why? Because authenticity is unfiltered, unapologetic, and honest. Authenticity owns its imperfections and takes responsibility for mistakes. It shows up on the good and bad days. In short, authenticity is real. No wonder we try to brand ourselves as someone else we think will be more appealing than our real selves. Jessica Zweig founded the agency to revolutionize an authenticity-first approach to branding. *With Be: A No-Bullsh*t Guide to Increasing Your Self Worth and Net Worth* by Simply Being Yourself, she shares her most powerful secrets for building authenticity, service, and real connection into your winning brand. “I’m opening up the freakin’ vault to SimplyBe.’s best-in-class, trademarked methodologies, tools, and frameworks for clearing away everything that’s keeping the real you from shining through,” she says, including: Branding Reinvented—Forget the hacks and tricks, it’s time to lead. Personal branding is really about embracing your sh*t—All that stuff you think you need to hide? That’s actually your most important resource. Your Vibe Attracts Your Tribe—Learn to magnetize the people who most want to support you (and they’re out there). Your Personal Brand Hologram®—SimplyBe.’s universal framework can crystallize your utterly unique brand platform. The Supernova™—Create winning content with the secret sauce of consistency and clarity. The Pinnacle Content Framework™—Take the stress out of strategy and find the most direct path toward your goals. Getting Social Media Right—Stop chasing trends and learn the 10 sustainable, evergreen principles for online content. Living Your Brand—Take your authentic personal brand where it matters most: offline and into your relationships, your workplace, and the way you show up in the world. “We are living at an inflection point,” says Jessica Zweig. “For any brand—business or personal—the game is no longer about eyeballs, but engagement. No longer about impressions, but impact. Content is no longer king, clarity is. Your best strategy? Service with generosity. Your best solution? Authenticity.” Here is a powerful guide for connecting with others, changing lives, and moving the world forward as only you can.

An uncompromising, darkly humorous look at life in the criminal underworld of the Irish border from a major new Irish literary voice. *Dundalk—The Town, to locals—took Aoife in when she left home at eighteen. Now she’s gone from a small-time slinger of hash to a bon vivant in Dundalk’s criminal underworld. Aoife’s smart, savvy, and cool under pressure. Except, that is, when it comes to Annie. Annie is mysterious and compelling, and Aoife is desperate to impress her and keep her close. Unfortunately, not everyone in The Town shares Aoife’s opinion of Annie. So much so that when Aoife’s friend and associate, the Rat King, approaches her about off-loading ten kilos of stolen coke, he specifically tells her to keep Annie out of it. Aoife doesn’t want to do the job without Annie, though, so she lands on an idea. Annie has contacts in London, sure it’d be better to get the coke as far away from Dundalk as possible. At first, everything goes to plan. But when Annie decides she’s staying in the UK, Aoife makes a decision that changes everything, and finds her whole world turned upside down. Gritty yet tender, tragic yet triumphant. Iron Annie crackles with energy, warmth, and heart. A VINTAGE CRIME/BLACK LIZARD ORIGINAL.*

THE GREAT GATSBY BY F. SCOTT FITZGERALD Key features of this book: * Unabridged with 100% of it’s original content * Available in

Machiavelli for Women

Finding Your Financial Confidence

In a world obsessed with building self-esteem, our sense of well-being hinges on performance, the whims of good luck and positive outcomes. But when we don't measure up to our own tough standards, things don't go our way or life falls apart, we are called to access a deeper source of resilience, that of self-worth.

*Untangle your emotions and expectations about money so that you can live your best financial life. Without fear and shame holding you back, it's more possible to move past all those social barriers to actualizing whatever your money aspirations are, whether that's getting a raise, getting out of debt, having honest conversations about money with your family, raising your kids to be savers, or wherever your values lead you. Dr. Faith, author of the bestselling Unf*ck Your Brain and Unf*ck Your Intimacy, tackles one of the toughest emotional topics there is with her trademark mix of neuroscience, gentle encouragement, and no-nonsense language. This book isn't about getting rich quick (or necessarily at all)—it's about figuring out your own economic values and baggage, and learning to be the person in the world you know you have it in you to be. Create a foolproof budget that's right for you! Everyone wants a simple and practical way to manage their money, but with countless financial planners, budgeting articles, and websites available, it's not always easy to figure out where to start. Filled with only the most essential information on budgeting, this book shows you how to build a financial plan that not only meets your needs, but helps you stay on track. From prioritizing goals and listing expenses to saving regularly and planning for future finances, this book guides you through all the important steps of budgeting with realistic advice. You'll be able to*

*create a visual portrait of your finances as well as learn how to manage your spending, stay out of debt, and build for the future. This book also includes a resource guide for free and up-to-date web tools that make the process as easy and comprehensive as possible. With *The Only Budgeting Book You'll Ever Need*, you will finally be able to find peace of mind knowing that you can create a realistic budget that works for your financial situation and goals.*

*When we feel that we aren't enough, or that we aren't good enough, we also fear that we'll never have enough. Money. We love it. We hate it. If we don't have enough, we're struggling to get more. If we do have it, we're fighting to hold on to it. Why does money have to be such a source of anxiety? Is it possible to find a balance? Yes! According to integrative life coach Nancy Levin, the real key to creating financial freedom isn't changing what we do, it's changing how we feel—and that requires more than just learning how to invest. In *Worthy*, Nancy makes an essential, eye-opening connection: the state of our net worth is a direct reflection of our self-worth. Then she shows us how to get to the root of the problem and do the internal work that's needed to replace feelings of unworthiness with a stronger sense of our own value. Filled with inspiring real-life stories and thought-provoking questions and answers, her 10-step plan helps us to:*

- Get real about the money issues we face every day*
- Examine the excuses we use to avoid creating the life we really want*
- Be willing to see ourselves as worthy of abundance in all its forms*
- Take back our financial power—and watch amazing things start to happen*

*Whether we're looking for financial ease or a new relationship with money and ourselves, *Worthy* will give us the tools to clear the path for wholeness, fulfillment, and richness in all areas of our lives, not just in our bank accounts.*

Travels with Charley in Search of America

Nine Steps to Financial Freedom

Overcome Your Money Emotions, Value Your Own Labor, and Manage Financial Freak-outs in a Capitalist Hellscape

"5 Voices helps leaders know themselves to lead their team. By discovering your voice and the voices of those around you, you will learn how to connect, communicate, and lead every kind of team member. The 5 Voices of Leadership are: 1. the Pioneer: focused of future vision and how to win 2. the Connector: focused on relational networks, communication, collaboration 3. the Creative: focused on future, organizational integrity, social conscience 4. the Guardian: focused on tradition, money, and resources 5. the Nurturer: focused on people, values, relationships"--

The illustrator Andrew Loomis (1892-1959) is revered among artists - including comics superstar

Alex Ross - for his mastery of figure drawing and clean, Realist style. His hugely influential series of art instruction books have never been bettered, and Figure Drawing is the first in Titan's programme of facsimile editions, returning these classic titles to print for the first time in decades.

An intimate journey across and in search of America, as told by one of its most beloved writers, in a deluxe centennial edition In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York. Travels with Charley in Search of America is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—Travels with Charley is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics Deluxe Edition also features French flaps and deckle-edged paper. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

An instant New York Times Bestseller! The new uplifting book from Matt Haig, the #1 New York Times bestselling author of The Midnight Library, for anyone in search of hope, looking for a path to a more meaningful life, or in need of a little encouragement. Named by The Washington Post as one of the best feel-good books of 2021. "It is a strange paradox, that many of the

clearest, most comforting life lessons are learnt while we are at our lowest. But then we never think about food more than when we are hungry and we never think about life rafts more than when we are thrown overboard." THE COMFORT BOOK is Haig's life raft: it's a collection of notes, lists, and stories written over a span of several years that originally served as gentle reminders to Haig's future self that things are not always as dark as they may seem. Incorporating a diverse array of sources from across the world, history, science, and his own experiences, Haig offers warmth and reassurance, reminding us to slow down and appreciate the beauty and unpredictability of existence.

Outlines a practical approach to Bible study for readers of all experience levels, explaining in an accessible format the various differences in Biblical literary genres while providing straightforward guidelines and insight on how to accurately read and interpret the Bible.

Original.

Why have so many middle-class Americans encountered so much financial trouble? In this classic analysis of hard-pressed families, the authors discover that financial stability for many middle-class Americans is all too fragile. The authors consider the changing cultural and economic factors that threaten financial security and what they imply for the future vitality of the middle class. A new preface examines the persistent and new threats that have emerged since the original publication. "[A] fascinating, alarming study. . . . [This] chilling diagnosis of middle-class affliction demonstrates that we all may be only a job loss, medical problem or credit card indulgence away from the downward spiral leading to bankruptcy."--Publishers Weekly "A well-designed and carefully executed study."--Andrew Greeley, University of Chicago "The Fragile Middle Class, a well-written work of social science that is about as gripping as the genre gets, forces us to reevaluate notions about consumerism."--American Prospect

The deliberate devaluation of Blacks and their communities has had very real, far-reaching, and

negative economic and social effects. An enduring white supremacist myth claims brutal conditions in Black communities are mainly the result of Black people's collective choices and moral failings. "That's just how they are" or "there's really no excuse": we've all heard those not so subtle digs. But there is nothing wrong with Black people that ending racism can't solve. We haven't known how much the country will gain by properly valuing homes and businesses, family structures, voters, and school districts in Black neighborhoods. And we need to know. Noted educator, journalist, and scholar Andre Perry takes readers on a tour of six Black-majority cities whose assets and strengths are undervalued. Perry begins in his hometown of Wilkinsburg, a small city east of Pittsburgh that, unlike its much larger neighbor, is struggling and failing to attract new jobs and industry. Bringing his own personal story of growing up in Black-majority Wilkinsburg, Perry also spotlights five others where he has deep connections: Detroit, Birmingham, New Orleans, Atlanta, and Washington, D.C. He provides an intimate look at the assets that should be of greater value to residents—and that can be if they demand it. Perry provides a new means of determining the value of Black communities. Rejecting policies shaped by flawed perspectives of the past and present, it gives fresh insights on the historical effects of racism and provides a new value paradigm to limit them in the future. *Know Your Price* demonstrates the worth of Black people's intrinsic personal strengths, real property, and traditional institutions. These assets are a means of empowerment and, as Perry argues in this provocative and very personal book, are what we need to know and understand to build Black prosperity.

From the founder and superstar CEO of *DailyWorth.com*, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized "money stories" that have nothing to do with what is really possible. As the founder of *DailyWorth.com*, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. *Worth It* outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are stressed and anxious when it comes to their finances and teaches them to stay away

from strict budgeting and other harsh austerity practices. Instead, she makes money relatable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures.

NEW YORK TIMES BESTSELLER NPR'S FAVORITE BOOKS OF THE YEAR INDIE BESTSELLER GOODREADS

CHOICE AWARD WINNER: BEST MEMOIR & AUTOBIOGRAPHY A laugh-and-cry-out-loud memoir from the beloved star of Netflix's *Queer Eye*, Jonathan Van Ness Who gave Jonathan Van Ness permission to be the radiant human he is today? No one, honey. The truth is, it hasn't always been gorgeous for this beacon of positivity and joy. Before he stole our hearts as the grooming and self-care expert on Netflix's hit show *Queer Eye*, Jonathan was growing up in a small Midwestern town that didn't understand why he was so...over the top. From choreographed carpet figure skating routines to the unavoidable fact that he was Just. So. Gay., Jonathan was an easy target and endured years of judgement, ridicule and trauma—yet none of it crushed his uniquely effervescent spirit. *Over the Top* uncovers the pain and passion it took to end up becoming the model of self-love and acceptance that Jonathan is today. In this revelatory, raw, and rambunctious memoir, Jonathan shares never-before-told secrets and reveals sides of himself that the public has never seen. JVN fans may think they know the man behind the stiletto heels, the crop tops, and the iconic sayings, but there's much more to him than meets the *Queer Eye*. You'll laugh, you'll cry, and you'll come away knowing that no matter how broken or lost you may be, you're a Kelly Clarkson song, you're strong, and you've got this.

From the NPR host of *The Indicator* and correspondent for *Planet Money* comes an “accessible, funny, clear-eyed, and practical” (Sarah Knight, *New York Times* bestselling author) guide for how women can apply the principles of 16th-century philosopher Niccolò Machiavelli to their work lives and finally shatter the glass ceiling—perfect for fans of *Feminist Fight Club*, *Lean In*, and *Nice Girls Don't Get the Corner Office*. Women have been making strides towards equality for decades, or so we're often told. They've been increasingly entering male-dominated areas of the workforce

and consistently surpassing their male peers in grades, university attendance, and degrees. They ' ve recently stormed the political arena with a vengeance. But despite all of this, the payoff is—quite literally—not there: the gender pay gap has held steady at about 20% since 2000. And the number of female CEOs for Fortune 500 companies has actually been declining. So why, in the age of #MeToo and #TimesUp, is the glass ceiling still holding strong? And how can we shatter it for once and for all? Stacy Vanek Smith ' s advice: ask Machiavelli “ with this delicious look at what we have to gain by examining our relationship to power ” (Sally Helgesen, New York Times bestselling author). Using *The Prince* as a guide and with charm and wit, Smith applies Renaissance politics to the 21st century, and demonstrates how women can take and maintain power in careers where they have long been cast as second-best. “ *Machiavelli For Women* is the ultimate battle guide for our times. Brimming with hard-boiled strategies, laced with wit, it ' s a must-read for every woman ready to wield power unapologetically ” (Claire Shipman, coauthor of *The Confidence Code*).

A step-by-step guide to financial freedom Do you know if you have enough? Do you know how much is enough? If you can't answer these questions, *Master Your Money* is for you. In this book, Ron Blue extracts principles from God's Word and applies them to your financial portfolio. Learn how to: Avoid the most common financial mistakes Apply biblical principles for money management Save, invest, and give wisely Create a long-term financial plan that works Plan for your taxes and estate needs Get out of debt Ron ' s professional experience in financial planning will ease your anxieties over money and be an asset to you and your family for generations to come. Learn the tools and techniques you need to move forward toward true financial freedom. This new edition includes important updates and new content, making it timely and relevant.

A guide to achieving financial stability and prosperity by the co-authors of *The Two-Income Trap* encourages readers to change the ways they think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt. 150,000 first printing.

THE GREAT GATSBY

Packed with humor, inspiration, and advice, You Are a Badass is the #1 New York Times

bestselling self-help book that teaches you how to get better without getting busted. In this refreshingly entertaining how-to guide, bestselling author and world-traveling success coach, Jen Sincero, serves up twenty-seven bite-sized chapters full of hilariously inspiring stories, sage advice, easy exercises, and the occasional swear word, helping you to: Identify and change the self-sabotaging beliefs and behaviors that stop you from getting what you want, Create a life you totally love. And create it NOW, and Make some damn money already. The kind you've never made before. By the end of You Are a Badass, you'll understand why you are how you are, how to love what you can't change, how to change what you don't love, and how to use The Force to kick some serious ass.

Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to • Protect yourself • Spend smart • Build your future • Give to others Also included is a bonus chapter on investing—for those who are living by Suze's unbreakable financial ground rules and ready to learn how to invest with confidence. Women & Money speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze's unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It's the means to living a full and meaningful life.

A guide to achieving financial stability and prosperity encourages new ways to think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and

getting out of debt.

*Too many Christians avoid reading theology for fear they won't understand it or out of a misconception that it's only meant for the academic elite. Similarly, students in introductory theology classes can feel overwhelmed by the concepts and terminology they encounter. Yet theology can be read with enjoyment and discernment. In *How to Read Theology for All Its Worth*, professor, author, and devoted reader Karin Stetina introduces students to the basic skills of intelligent reading, applied especially to theological works. Anyone who'd like to read theology well, whether a formal student or interested layperson, will benefit from the simple steps Stetina outlines. Steps include: Identifying genre Becoming acquainted with the author and the context out of which he or she wrote Determining a thesis and main arguments How to Read Theology for All Its Worth will equip readers not only to understand theology but also to insightfully engage authors' ideas. With the basic tools in hand, everyone can read with confidence and enjoy "conversations" with theological works.*

Women, Money, and Getting what You're Worth

(Penguin Classics Deluxe Edition)

*Strengthening the Financial Future of Families, Communities and the Nation
Over the Top*

Penny is sad because she's been told that her namesake coin, being worth only one cent, isn't worth enough to buy anything. But when she finds a penny on the ground, things begin to change. She starts to have good luck, and her heart grows bigger and more kind. Is the lucky penny the source of all the good things in Penelope's life? Or was it there all along? With vivid illustration and sing-song prose, #knowyourworth will teach children how to discover their worth and give them the courage to follow their dreams!

From #1 New York Times bestselling author Senator Elizabeth Warren and consultant Amelia Warren Tyagi, the classic book about America's middle class -- and why economic security remains out of reach for many. In this exposé, Elizabeth Warren and Amelia Warren Tyagi show that modern middle-class families are increasingly trapped by the grinding reality of flat wages and rising costs. Warren and Tyagi reveal how a ferocious bidding war for housing and education has silently

engulfed America's suburbs, driving up the cost of keeping families in the middle class, and placing unprecedented pressure on hard-working families. Revolutionary when it was first published in 2003, *The Two-Income Trap* remains disturbingly relevant today. Now with a new introduction by the authors, *The Two Income Trap* shows why the usual remedies won't solve the problem and points toward the policy changes that would create better opportunities for both parents and children.

THE INSTANT SUNDAY TIMES BESTSELLER 'Anna's wise, uplifting and refreshingly honest words are what every woman needs to read right now' Fearne Cotton Your worth never changed.

Your awareness of it did. A strong understanding of self-worth is crucial to living an authentic and fulfilling life, yet so many of us have lost that sense of who we truly are and what we are worthy of. On the surface, this may look like low confidence, imposter syndrome, chronic busy-ness, exhaustion, overwhelm, fear or anxiety, but at the core, it's low self-worth. In her second book, Sunday Times bestselling author and psychotherapist Anna Mathur will set you on a journey towards greater self-worth. Anna

will use her personal and professional insight to guide you to a place of balance that will allow you to recognise and appreciate your self-worth, build your self-esteem, grow in confidence and worry less about what other people think. Using Anna's own experience of embarking on this journey herself, and spending ten years facilitating her therapy clients to do the same, Know Your Worth will help you to understand why you feel the way you do, what perpetuates it and what the cost of low self-esteem has been for you. It will provide the coping mechanisms, habits and tips that will redirect your self-esteem on a healthy and fulfilling upward spiral and help you to escape the relentless desire to 'be better' and 'do more' with the realisation that perhaps you were actually far more acceptable than you first thought.

Your Guide to Understanding the Bible Understanding the Bible isn't for the few, the gifted, the scholarly. The Bible is accessible. It's meant to be read and comprehended by everyone from armchair readers to seminary students. A few essential insights into the Bible can clear up a lot of misconceptions and help you grasp the meaning of Scripture and its application to your 21st-century life. More than half a million people have turned to How to Read the Bible for All Its Worth to inform their reading of the Bible. This third edition features substantial revisions that keep pace with current scholarship, resources, and culture. Changes include: •Updated language •A new authors' preface •Several chapters rewritten for better readability •Updated list of recommended commentaries and resources Covering everything from translational concerns to different genres of biblical writing, How to Read the Bible for All Its Worth is used all around the world. In clear, simple language, it helps you accurately understand the different parts of the Bible—their meaning for ancient audiences and their implications for you today—so you can uncover the inexhaustible worth that is in God's Word.

How did Americans come to quantify their society's well-being in units of money? In our GDP-run world, prices are the measure of not only goods and commodities but our environment, communities, nation, even self-worth. Eli Cook shows how, and why, we moderns lost sight of earlier social and moral metrics that did not put a price on everyday life.
