George Orwell
Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer,

that most of this work focuses on what intertextuality 'is' conceptually, rather than how it can be identified, described and analysed. Drawing on research from literary criticism, neuroscience, linguistics and sociology, this book proposes a cognitive stylistic approach, presenting the 'narrative interrelation
