A Blueprint for Revival! Many believers today yearn for an encounter with the supernatural. They hunger to experience the glory of God they've only read about in the Bible. Joshua Mills believes that all Christians are intended to live, move, and operate within what he calls "glory realms." Now Joshua opens up God's glory by explaining the different realms, spheres, and dimensions of the kingdom. He systematically builds a faith framework in which the reader can begin to move into the glory of God with ease. Joshua breaks down our understanding of God's glory into three parts: first, moving in the Spirit, which is about understanding the different dynamics of faith, anointing, and God's glory; second, moving in the supernatural by recalibrating ourselves to heaven's frequency, working with angels, and accessing the highest power of God's glory so that the miraculous dimension begins to manifest; and third, moving in the heavenlies, dealing with spiritual travel and prophetic encounters, manifesting divine abundance, and living in heavenly revelation. Throughout, Joshua shares many unusual and extraordinary testimonies of God's glory working through uncommon signs and wonders, heavenly experiences, angelic appearances, and other manifestations of the miraculous. Through his dynamic teaching and powerful testimonies, Joshua will not only help you understand God's glory, he'll also guide you into experiencing and walking in the glory every day.

Secret of preparation on time is a crucial part of moving from emergency preparation to taking advantage of the various seasons in your life to prepare for the next season. You can apply this teaching to your personal life, career, family, church, business and whatever constitutes your life or whatever is attached to your life. If you consistently build and prepare towards your destiny, career etc. when the time of manifestation comes you will look stronger than somebody that really has greater gifts and grace in his life but didn't prepare. I want you to make up your mind not to wait until crisis comes before you begin to prepare on time. Don't do emergency preparation in your life.

The Authority of the Believer

Dr. Billye Brim began her study of Hebrew at a prestigious language school in Israel. Her study of the language has equipped her to explore the deep meaning of the Hebrew Scriptures. Here she starts at the root of the word ׁshalomׂ and examines the development of the related words that have grown from it. There is more to the word than meets the eye.

Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.

Much of what Billye Brim has learned about prayer in more than 30 years of her God-given assignment to "help the prayers" she has put together in this book. It comes at this time when the Lord needs the Body of Christ to work with Him in these days that the Bible calls "the end of days." Some topics covered are:

With extensive expertise and personal experience, prophetic leader Jane Hamon takes a deep dive, biblically and practically, into one of the least known and most unused gifts of the Holy Spirit, covering the following topics: - discerning the presence of God - discerning the times - discerning angels and demons - discerning the hearts of people around you - acting wisely with what you discern - walking in wisdom and balance - and more This book will help you operate in greater spiritual authority and walk in wisdom as you help build God's kingdom on earth.

In Your Spiritual Authority Capps focuses his teaching on the believers identity in Christ. I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. (1 Timothy 2:1-2)At the admonition of the Lord to study the Awakenings in America in 2008, this unique book examines this directive, along with others. You will learn:The history of spiritual Awakenings, and the people and events that founded and preserved this special nation. How they relate to the next great Awakening; including the Revival and prayer roots of President Trump.The role of the Church in government affairs. Uniting the Body of Christ in the First of All campaign.The success of this or any future administration falls primarily upon the shoulders of the Body of Christ. Dr. Billye Brim has ministered this revelation thru the various platforms available to her and has now written about it, believing the body of Christ can unite in this prayer effort and overcome the enemy's plot to destroy us through division."America can finish her God-given course. America can, will, and must reach her destiny. And that depends upon the prayers of God's people. That depends on you and me." --Billye Brim

David Baron was raised in a devout Jewish family and studied Hebrew in rabbinical school. After completing his own study of the Scriptures, he converted to Christianity and devoted himself to a twofold ministry: explaining Christianity to the Jews and explaining the Jews to Christianity. These two objectives form the basis for his classic work Israel in the Plan of God. Israel's past and future, from her national election by God to the final judgment of her enemies, is covered in the balanced, biblical study of this astute scholar.

If you read the entire passage, however, you'll see that Paul is contrasting the works of the flesh with the works of the spirit. Actually it refers to the fruit of recreated, born again human spirit.

The Authority of the Believer urges the faithful Christian to take utmost cognizance in their deeds and words, that their closeness to the Lord be soundly affirmed each day. A sublime series of reflections upon what it is to be a good Christian, 'The Authority of the Believer' allows the reader to deeply contemplate. Reflecting on many of the greatest lessons and deeds depicted in the Bible, together with experiences in his own life, John MacMillan shows us just how powerful and capable a true believer in God can be. MacMillan was a Canadian politician and a preacher who spent his younger years as an emissary to the Chinese and Asian communities of Western Canada, spending time in both Asia and North America where he spread the good word of Christ.

She chronicles not only the many answers to Sylvias prayers, but the prayer practices that brought her such success. These practices are part of a legacy that continues to bless Penny and her family. And be encouraged because you can get the same kind of results by embracing these Secrets of Praying Heaven and Earth Together.

Authority is delegated power. Jesus delegated the authority on the earth to His body on the earth. Understanding this authority is of top importance in working with God in prayer in the end of days. Christians have the authority to keep Satan from having high carnival in their homes and families. Wherever demon forces are the culprits, we have the authority to keep them at bay. But believers must know about it. And they must know how to operate in it. In the 1980s, Kenneth E. Hagin told Billye Brim, 'As long as you are in this world, you can't keep weapons from being formed against you, but you can keep them from prospering.' Since then, she has studied the subject of the authority of the believer and learned to use it in her own life, family, and ministry. In this special edition mini-book, Dr. Billye Brim gives practical instructions from the Word of God on how we can rise up in the authority and power that is ours to do the work that God intended we should do in the earth.

Discusses the profound power of the blood of Jesus and how important the work that Jesus did at Calvary.

The rapidly approaching end of the age is witnessing a tremendous increase in the activity of the powers of darkness. These conditions are reacting strongly upon the great ministry of Christ's Church. No longer are these concerned about the lost souls which wander in darkness; their thought is centered on raising their social status and meeting their intellectual and physical needs. They seek, in their own jargon, to "build a better world." But the world they envision is one without a Savior. There are few subjects relating to the Christian life concerning which there is so little exact knowledge as that of the Authority of the Believer. This is not because such authority is the property only of a few elect souls. On the contrary, it is the possession of every true child of God. It is one of the "all things received in Christ." Its reception dates from the soul's contact with Calvary. John MacMillan was a Canadian Presbyterian businessman who became involved with ministry to Chinese and Jewish people in Toronto. Ordained at the age of 49, MacMillan and his wife traveled to China as missionaries with The Christian and Missionary Alliance. He later became Field Director of the Christian and Missionary Alliance in the Philippines.
