

Braydon Nicole Edwards

From New York Times and USA TODAY bestselling indie author Nicole Edwards comes the seventh book in her Alluring Indulgence series, erotic romances featuring the Walker brothers from Coyote Ridge, Texas, and their sizzling-hot love interests. Sawyer Walker has never run into problems with women. The female population tends to swarm toward him, in fact, and he's never had a complaint. But there's one woman Sawyer has always had his eye on. A woman who won't give him the time of day. In recent months, it would seem that Kennedy Endsley is opening up to Sawyer, but she's got a few surprises in store for him. Because, as hard as she finds it to resist the handsome Walker brother, she won't give in easily. Not when her heart is on the line.

This is the complete Unhinged Trilogy. Have you ever met that someone who steals your breath with just a look? That someone you can't stop thinking about, no matter how hard you try? I have. I met her in a dream. Never would I have expected her to step right into my reality, though. But she did. Although I can't explain why, Payton Fowler makes me want things I never imagined I could have. She soothes the chaos in my head. But she doesn't know who I really am, and she doesn't see the darkness that lives inside of me. She's supposed to be off limits to me. But that's not a problem because I've perfected the art of breaking the rules. My name is Sebastian Trovato, and this is the story of how I met the woman who unhinges me.

Overnight Love is a novella that is tied to the Dead Heat Ranch series, but can be read as a standalone, and was originally published in the Cowboys Last All Night boxed set. MacKenzie Callay never expected a blind date to lead to one of the best nights of her life. She also never expected sparks to fly when she runs into the sexy cowboy who helped her evade the drunken guy she was supposed to meet. Lucas Burch wasn't looking for a woman when he finds himself coming to MacKenzie's rescue. Twice. But can Lucas look beyond the pain of his past and give in to her? And can Kenzie convince him that just because he doesn't believe in love at first sight doesn't mean they can't welcome this overnight love?

Dead Heat Ranch Novella, #0.5 New York Times bestselling author Nicole Edwards is heating things up with Boots Optional, a sexy new menage novella which is the first book in a hot new series called Dead Heat Ranch. Grace Lambert is familiar with hard work, long days, and handsome cowboys. She's been working for her family's dude ranch since she was old enough to ride a horse and she's not afraid to get her hands dirty. What she is afraid of is the heat that's been generating between her and not one, but two sexy cowboys who've set their sights on her. And each other. Grant Kingsley and Lane Miller have both had their eyes on Gracie for years, but the feisty cowgirl has managed to keep them at bay. As far as they are concerned, cowboys don't give up, and neither of them is ready to give up just yet. Not on her and not on the heat that transpires between the two of them. Find out what happens when the sultry Texas nights get as hot as the fierce Texas days.

Up to this point, avoiding the sexy twins hasn't been as easy as she hoped it would be. Thankfully, she has a plan: sign them up for the Fall Festival's auction and let some lucky lady win a date with them. After all, it's for a good cause. Plus, it ensures she doesn't get pulled into Kaden and Keegan have questions. Bristol reluctantly agrees to dinner to explain the details. That was her first mistake. The second resulted in the hottest night of her entire life with the two sexiest men she'd ever met. A night that would change all their lives in ways they never expected.

Matt Quinn has been an escort for most of his adult life. He's so good at his job that he's booked months in advance. An enquiring email from a potential client finds him intrigued about the shy, awkward woman. A back and forth is started and before Quinn knows it, a friendship is formed. Time passes and Quinn is smitten. There's only one problem... The client is his best friend's little sister. She's Matt Quinn.

Come back to Coyote Ridge for Christmas... When Travis Walker finds himself uninspired about gifts for his family, he realizes what he wants to give them doesn't come wrapped in a box with a shiny bow on top. This year, with the help of his brothers, Travis is going to pull off a surprise that'll lay the groundwork for the Walker Christmas tradition going forward. Of course, Travis won't consider while he's at it. As for where those will eventually land... well, that's anyone's guess.

Have you ever felt... incomplete? As though happily ever after is a fleeting, unattainable concept? Not that I haven't had memorable experiences because I have. Plenty of them. It's more like what's necessary to check off all the boxes for a successful HEA hasn't been defined yet. At least not for me. To say my desires—not to mention my expectations—are complicated would be putting it mildly. Each other what we both need. A Dominant who can tame our inner submissives. Then the unexpected happens. Secrets are revealed, danger unfolds, decisions are made. And it's during the ensuing roller coaster ride that five peoples' lives are forever changed. Including mine.

Vanessa Carmichael will never forget that horrible day for as long as she lives. With Zane fully on the mend from the brutal attack he suffered right in her very own yard, she knows she should be grateful, which she is. She also knows that walking away from Zane might be the only way to keep him safe. Despite her denial, V knows she can't trust her own heart, especially when it comes to the youngest Walker brother, but he's not the kind of man who will walk away when there is something he wants. He wants her even if it isn't safe for him, and she's not sure she is strong enough to walk away. Zane Walker might have been brutally attacked and after months in the hospital, walked away with his life spared, but now that he's out of the hospital, he has only one goal in mind. Getting the girl.

The girl. From the first time he kissed her, Zane knew V was the one for him. He also knew that getting her wasn't going to be as easy as he hoped. She's stubborn and the walls she has erected around her heart are nearly impenetrable. However, there's one thing about Zane—he never gives up. And he's not about to start now. Can V learn to open her heart to the one man who is desperate to get past those walls she has erected, or will she walk away to protect him? How long will Zane allow her to deny what he knows is growing between them? Or is the only option to obscure the underlying emotions with spine-tingling lust? When V and Zane come together, smoke detectors go on the Fritz, but when they bring Zane's best friend, Beau, into the mix, extra fire extinguishers are needed.

The members of the Off the Books Task Force are at it again, this time spending some quality time together and solving a mystery that has them temporarily baffled. Brantley Walker and Reese Tavoularis continue to find balance between their personal and professional relationship. In doing so, they realize they have a lot to learn about one another. When JJ gets caught up in a plot to abduct the governor's son, she turns to Baz for help. And though he comes to her rescue immediately, she soon realizes the rift she caused between them may be too great to repair. Brantley's keeping a secret, one that affects the future of the entire task force. While he helps the team resolve the mystery involving Dante's disappearance, he has to determine the best way to relay the news that Governor Greenwood has decided to disband the task force. Melinda Sweet loved her husband before she learned of his wealth and she loves him still, despite the fact that it's gone. Unfortunately, while she knows the collapse of his Chicago financial services business had nothing to do with him, he believes otherwise. His upbeat adjustment to their new – and temporary – life on his grandfather's rundown honey farm is a foil to cover the burden of failure. She wasn't expecting to throw – in five weeks – the traditional Sweet Christmas Open House, but it's a good earning opportunity and how hard could it be? Austin Sweet is determined to make his wife proud of him again. But he also wants to erase the sting of shame he feels from his parents, to whom he owes a debt of gratitude for arranging for this caretaking job. Getting paid to fix up this disaster is better than living in their basement, sure. But what does he know about bees? Or fixing broken plumbing? Or cleaning a chimney? But when Austin's grandfather gives him the farm as a Christmas gift, there's only one response. Accepting the gift will secure a future that will make his wife even more unhappy than he already is. Refusing the gift will finalize the rift between him and his family, but he'd rather lose them than Melinda. Then he discovers she's spared him the choice. Austin's not-so-Sweet side rears up as he determines that he's done trying to make everyone happy. He'll get his wife back, no matter what. And they'll decide their future together.

British Battles 493-937 deals with thirteen conflicts, either locating them correctly or explaining some of their aspects which have puzzled historians. They include the following: Mount Badon (493) at Braydon, Wiltshire; battles of the British hero Arthur (the legendary 'King Arthur') (536-7) in northern Scotland or the borders; 'Degastan' (603) at Dawyck, on the River Tweed, Scotland; Maserfelth (642) at Forden, on the Welsh border; the Viking victory of 'Aluthléla' (844) at Bishop Auckland, near Durham; and the English triumph of Brunanburh (937) at Lanchester, also near Durham. British Battles 493-937 is, thus, one of the most revolutionary books ever published on war in Britain and is a valuable resource for battle archeologists and research historians.

About Last Night

Sometimes love isn't beautiful... Sometimes the only way to describe it is beautifully brutal.If you think you know him... You're wrong. If you think you know his family... Wrong again. If you think you know his story... You don't. If you did, you'd likely wonder how the hell a man like Maximilian Adorite managed to make it to this point in his life. At twenty-nine, he's experienced more than most people could only ever imagine, all thanks to his family. Organized crime they call it. Mafia. No matter how they spin it, it comes down to one thing. Max gets what he wants. Except for the one thing he wants most. Her name is Courtney Klogan. And now that he's had a taste of her, Max knows he'll never be able to let her go.

Do you get up every morning, spend close to an hour or more getting ready, pick out the perfect outfit, make sure your makeup is suitable, then style your hair just so? Do you slip your feet into your favorite heels, lock your modest one-bedroom apartment, climb into your practical car? Do you drive twenty minutes to downtown, find a spot in the company parking garage? If you do, then you're very much like me. However, I think our stories will differ significantly once you get to your office and I get to mine. Sure, it's possible you work in a high-rise office building in the heart of downtown. It could be any downtown office in any big city, in fact. New York, Chicago, Dallas. The location doesn't matter. It's even feasible to think that you're a secretary for a multibillion-dollar PR firm. You could even have four bosses like I do. Four mouthwatering male bosses, even. But, like I said, at that point, our stories will likely be drastically different. In order for you to understand why, I'll have to start at the beginning...

Ryan Trevor has devoted his entire life to his family's security business. Zachariah Tavoularis—nicknamed Z—has been employed by Sniper 1 Security for a decade. Despite being known as the most loyal enforcer out of task force, Z also has a reputation as the playboy, though that was based more on rumor than fact. When an assignment comes up that forces the two of them to work together, Z knows it's time to show RT he's not the man he thinks he is. Can they complete the mission, despite the fact that it puts them in a tenuous situation, bringing them closer than either of them ever expected? And will Z allow RT to convince him that they can never be together, no matter how much they both want it?
