" Knowledge held within is dead knowledge. Share it with others, and then it is resurrected. " These are words that Apostle Dr. Muriel Avant Fuqua lives by. Though, throughout her life, there have been plenty of things she'd rather have kept silent about, she has learned, firsthand, that it is these very traumas that must be brought into the light so that broken and healing can begin. A shining example of the necessity to speak out—and a cautionary tale about the harm and dysfunction that results from silence—this empowering memoir is about your coming out of abuse and infidelity through the healing power of a loving God. At the same time, Dr. Fuqua's debut book serves as an excellent educational source on the challenging issues of women in ministry and church hurt. Over the years, Dr. Fuqua has experienced more than her fair share of pain, but she has also discovered the amazing truth that God can truly renew brokenness. And her life, her marriage, and her church all declare the good news. Discover for yourself the peace of Christ, as you learn from her story how you, too, can step into the light and wrap your pain in the glory of God.

How many times have you told yourself just being such a PUSHOVER and stand up for what you really think and believe? Why don't you just speak up already? Confederate Winter is historical fiction based on a true family story backed up by an affidavit in the Confederate archives in Montgomery, Alabama. It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that it will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the heavens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Matthew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the enemy. We continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick," even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.

Seventeen-year-old Jane had found the horse of her dreams-or so she thought. Windsong had the breeding, training, and the flashy good looks to win medals at national competitions, but conservative, shy Jane wasn't sure she was up to the challenge of riding the temperamental beast. He may have been an imported Swedish Warmblood, and he may have had Grand Prix dressage training, but he was wild. When her spirited, new horse races out of control, help comes unexpectedly-and unwelcomed-from a loathsome cowboy, a horribly mean-spirited, condescendingly brusque gorgeous black-haired, azure-eyed reining champion, who is positive Jane is most definitely not up to the challenge. As these two from opposite ends of the horse world are forced to work together, tempers blaze and horseshoes fly, but something else begins to spark. Can Jane overcome her fear and preconceptions to win her goal of competing in the National Junior Rider Championships...and not lose her heart at the same time? This story about a teen dressage competitor is the first of a series of three books following her developing career in national competition. This book is not just for horse-crazy teens though, it will captivate women and young adults who love outdoor sports and romance. If you have experience with horses or other outdoor sports, you already know that horse showing or sport competition is an adventure; and, let me tell you, horse showing in national competition is equestrian adventure at its most exhilarating. Are you up to the challenge?

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. The knowledge and wisdom held by the Cholo'qj as a sacred calendar is very deep, so the information I present within these pages is simply a starting point for all those who want to begin their journey within this wisdom. Although the format of this book may be seen as a daily calendar (and can be used as such), my purpose in creating it this way is to accompany you on an inner journey. It is a way which allows you to begin to relate to, and understand the 20 energies making up the Cholo'qj; to begin to understand the Mayan signs themselves - a way which helps you to understand how those 20 energies relate to and influence us, in a very personal way. In the first pages you will find some theoretical information regarding the Sacred Calendar, the 20 energies which make it up, and an explanation of the importance of knowing your Mayan Sign. In this way you can begin to become familiar with the concepts of each of the different energetic vibrations manifesting within our universe, and the beautiful dance of transformation it brings to us. Within this book is a day by day guide for the whole year of 2019 on the Gregorian Calendar, combined with the messages of the Cholo'qj. On each date you will see a different quote related to the energy of that day, and how to connect, meditate, or act in harmony with the natural, universal vibration manifesting that day. You will have a space to make small notes about the main emotions, sensations, and events that you face each day. Making notes will help allow you to gain a better idea about your physical and emotional states, the way your relationships are going, messages you are receiving in your dreams, or situations which may seem out of the ordinary. This may expand into meeting someone from your past, the birth or death of a loved one, messages coming from nature, magical manifestations, or when an opportunity suddenly arises. This book is here as an effective guide; one where you can begin to relate to the energies of the Cholo'qj. Little by little, everything will begin to become clarified, and you will come to understand which days are beneficial to you for certain activities and which days are not. From my heart to yours, I hope that the words contained here will become a constant support for the greatest adventure you may ever take; The journey of knowing yourself, and understanding the constant natural movement of energy in which we all live in, and to begin dancing within its natural rhythms.

Dance describes the life of Dr. Ann Peterson-Higgins. She was definitely "Born to Dance". Ann spent her entire life dancing and brining joy to thousands of people from all walks of life. Dance is shut up in her bones waiting to explode with every expression of movement. However, like the prophet Jonah who rose up to flee unto Tarshish from the presence of the Lord (Jonah 1:3), Ann spent some of her early years running from the call that was on her life. Going in the opposite direction of her Lord, she refused to dance. Ann bares her soul and candidly shares her life experiences, as the hand of God skillfully transformed her from a "star with no light" into a vessel of honor to show forth the brilliant splendor of the Glory of God. This book is especially written to encourage others to also use their giftings to EXPOSE GOD'S GLORY".

Tori Brown is recovering from the embittered breakup of her engagement and seeks solace in the depths of Herefordshire. Living alone, she adapts to the close and friendly village life, where her personal life is not questioned, thus distancing herself from any prospective relationships. With the calming influence that her horse Carlos gives her, she is soon riding the bridle paths and woodland and beginning to enjoy her life once again. Sudden events take a hold and Tori is thrown, not only from Carlos, but into the beginnings of a new life that is to change everything. Someone else comes into her life, not what she quite expected but certainly what she wanted. Johan Andersen, a local Norwegian forester, captures Tori's heart and from that point on life is not the same again... just better, beyond her wildest dreams.

A "tremendous," "intrepid" history of the devastating war in the heart of Africa's Congo, with first-hand accounts of the continent's worst conflict in modern times. At the heart of Africa is the Congo, a country the size of Western Europe, bordering nine other nations, that since 1996 has been wracked by a brutal war in which millions have died. In Dancing in the Glory of Monsters, renowned political activist and researcher Jason K. Stearns has written a compelling and deeply-reported narrative of how Congo became a failed state that collapsed into a war of retaliatory massacres. Stearns brilliantly describes the key perpetrators, many of whom he met personally, and highlights the nature of the political system that brought these people to power, as well as the moral decisions with which the war confronted them. Now updated with a new introduction, Dancing in the Glory of Monsters tells the full story of Africa's Great War.

This author shares childhood experiences that relate to "Why Me?" and "Me Too." After becoming a believer in Christ Jesus, she happily can say, "Yes, Me!"

"Managerial styles are influenced by habit, familiarity, and workplace culture. It's no wonder that well-intentioned professionals doing their best to be good organizational leaders often repeat unhelpful supervisory practices experienced in their early careers, even if they disliked them at the time. In the DUH! Book of Management and Supervision, the author disagrees with many accepted leadership principles (unabashedly referring to them as myths) and makes new and different approaches easier to imagine. Her challenging and controversial concepts illustrated with poignant stories suggest common-sense and immediately applicable alternatives more suitable in today's workplace"--Back cover.

Why Me? Yes, Me!

God's Spirit once took the prophet Ezekiel to a vast valley filled with brittle, parched-dry bones—a potent picture of widespread spiritual dryness. But by the Word of God proclaimed through Ezekiel's mouth, those piles of bones took on sinew and flesh and skin, then were infused with life-giving, wind-driven breath from the Spirit of God. A sweeping vista of skeletons was turned instead into a force of fired-up warriors ready to do battle for the Lord. A transformation just as dramatic is what God wants to generate in our individual lives today and in the life of His church. Dry Bones Dancing is about escaping religious dryness to move on to true spiritual passion. The results will be an experience of supernatural power and peace in the presence of God as you are invited to go deeper and see God's character and glory as never before. Broken . . . Whole Parched . . . Flourishing Dry Bones . . . Dancing Is the landscape of your spirit all too desert-like? Then it's time for a change. It's time for a miracle. And God is ready to give it to you. Author and speaker Dr. Tony Evans boldly declares the truth: God's people are not meant to dwell in a lifeless valley. But if we are to embrace pure joy and rich passion once again, God requires a humble heart. Evans shows desert-dwellers how to pinpoint what brought them there in the first place—and how to get out. Experience spiritual nourishment and vitality once again. And get ready... ..to dance! Story Behind the Dry Bones many years of ministering to Christians burned out by religion and spiritually dry, Tony Evans searched the Scriptures for answers to share with everyone who is seeking to rekindle their passion for God. He found the perfect passage in Ezekiel. Through his study of the story, he bolstered his own spiritual passion, and now he shares it with those seeking to be rebuilt and reenergized by and for God.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.
