The New York Times bestselling author of Slow Getting Up chronicles his descent into the madness of early retirement and fantasy football. In Slow Getting Up—hailed by Rolling Stone as "the best football memoir of all time"—Nate Jackson told his story face down on the field. Now, in Fantasy Man, he's flat on his back. Six years have passed since the former Denver Broncos tight end wore a helmet, and every day he drifts further from the NFL Guy, the sanctioned-violence guy, the psychopath who ran head first into other psychos for money. But Nate hasn't quite left the game. Bed-ridden by a recent surgery to remove bone fragments in his ankle, he's trying to defend his title as top dog in Bunny 5-Ball, one of the millions of leagues captivating America through modern fantasy football, the interactive human poker game started by rotisserie leagues, boasted by ESPN and Yahoo!, and now elevated to that rarefied world of vaguely-legal Internet gambling by FanDuel and DraftKings.com. And this time it isn't a 300-pound wall of flesh rushing to crunch his spine. It's worse. Exploring the fantasy—and the reality—of professional football after you've left the field, Fantasy Man is as funny, self-deprecating, and shockingly honest as Slow Getting Up.

From the just-completed meetings of the NFL's Owners and Rules Committee comes this completely revised and updated rules edition of "America's Sport."

Foreword by Kyle Whittingham! Eric Weddle has developed a reputation as one of the NFL's best defensive minds, a fundamentally sound tackling machine, and a reliable last line of defense in the secondary for the San Diego Chargers. Prior to the 2011 season, the Chargers made Eric one of the highest paid safeties in league history by signing him to a five-year, \$40 million contract. "Honestly, who would have ever thought I would be at where I am today?" Eric said. "I was a kid who loved sports, who struggled, who was benched, who was injured, but I didn't let the little things get me down. The little things don't affect who I am or what I'm about, but they drive me to do better. To get better today, you must demand more than you did yesterday. Winners pay the price to reach their goals." Weddle's story is about overcoming adversity and accomplishing impossible dreams. It's about an athlete who surprised his family and friends by joining the Mormon church, and about how his faith has continued to bless his life. It's a story about epic wins and devastating losses, confidence and character. It's a story of a man who values his family above all else. In short, it's a story about living each day with no excuses and no regrets. "Eric's story demonstrates that you don't have to be the biggest, the strongest or fastest to defy odds and achieve your goals." Adam Schefter, NFL Insider for ESPN "It's nice to read the stories of top draft picks that were supposed to be good. It's better to read about guys like Eric Weddle who through hard work and passion grew to dominate his position in the league." - Darren Rovell, ESPN sports business reporter "If you are as impressed as I am by Eric Weddle 'the player and leader', you will be even more so by the view of Eric Weddle 'the person and father' that you gain from No Excuses, No Regrets." - Alex Marvez, Senior NFL Writer, FOXSports.com "Eric Weddle has been a pillar of the NFL community, exemplary on the field and off. His story is one of dedication and perseverance and he rose to become one of the dominant safeties in the game, silencing detractors and becoming one of the cornerstones of the Chargers organization. Football fans everywhere will enjoy his tale." - Jason La Canfora, NFL Insider for CBS

EFFECTIVE: Keep track of your schedule with this cute wall calendar. This calendar will help you stay organized while expressing your personal style. DIMENSIONS: The convenient 7" x 7" size when close and 7" x 14" size when open makes this calendar an excellent option to hang on the wall or to use as a cute desk accessory. GRAPHIQUE: Our diverse line of high-end stationary, gift, and home essentials help elevate personal style through expert design and tailored research. Our fine collections offer the perfect combination of sophistication, fashion, and functionality. HIGH QUALITY: Made with high-quality, thick pages that are easy to write on and will not fall off your wall. The Ice Bowl

These High, Green Hills

The day of the Ice Bowl game was so cold, the referees' whistles wouldn't work; so cold, the reporters' coffee froze in the press booth; so cold, fans built small fires in the concrete and metal stands; so cold, TV cables froze and photographers didn't dare touch the metal of their equipment; so cold, the game was as much about survival as it was about skill and strategy. On New Year's Eve, 1967, the Dallas Cowboys and the Green Bay Packers met for a classic NFL championship game, played on a frozen field in a sub-zero weather. The "Ice Bowl" challenged every skill of these two great teams. Here's the whole story, based on dozens of interviews with people who were there—on the field and off—told by author Ed Gruver with passion, suspense, wit, and accuracy.

This is the compelling story of the experiences of three young women who attended the University of California at Berkeley and became caught up in the tumultuous changes of the Sixties. Davidson's honest and detailed chronicle reveals the hopes, confusion and disillusionment of a generation whose rites of passage defined one of the most contentious decades of this century.

Finally, the information you've been waiting for, who really killed JonBenet? Perhaps the most compelling murder case of our day, the death of six-year-old JonBenet Ramsey galvanized the nation-and years after it occurred, the mystery still endures. Who killed the young beauty queen and why? Who is covering up for whom and who is simply lying? In JonBenet, the most authoritative and comprehensive study of the Ramsey murder, a former lead Boulder Police detective, Steve Thomas, explores the case in vivid and fascinating detail-pointing the way toward an analysis of the evidence some deem too shocking to consider. Here, Thomas raises these and many other provocative questions: -How was the investigation botched from the beginning-and why did police so carelessly allow the crime scene to be tampered with? -Why were John and Patsy Ramsey protected from early questioning and any lie-detector tests, even though their stories and behavior were erratic, suspicious and inconsistent? -Why was crucial evidence ignored, why were certain key witnesses unquestioned by detectives, and why were the Ramseys privy to sensitive information about the case and even police reports?

NEW YORK TIMES BESTSELLER • "Good unclean fun . . . [a] convoluted, scandal-greased, exposed-backsides-of-the-rich-and-famous story . . . told in a confiding, breathless undertone."—Entertainment Weekly Jules Mendelson is wealthy. Astronomically so. He and his wife lead the kind of charity-giving, art-filled, high-society life for which each has been carefully groomed. Until Jules falls in love with Flo March, a beautiful actress/waitress. What Flo discovers about the super-rich is not a pretty sight. And in the end, she wants no more than what she was promised. But when Flo begins to share the true story of her life among the Mendelsons, not everyone is in a listening mood. And some cold shoulders have very sharp edges. . . .

ANNE GEDDES' LITTLE BLESSINGS is a beautiful new gift book featuring the world of award winning photographer and New York Times bestseller Anne Geddes. Each spread features a unique photograph flanked with a thoughtful quote or blessing that highlights the joy, beauty, and wonder that new babies bring to every parent. Through the lens of Anne Geddes, LITTLE BLESSINGS captures the unparalleled relationship between child and caregiver.

Chronicles the history of the Mighty Mites high school football team from their turn-of-the-twentieth-century origins within a Freemason orphan-and-widow home, to their dominant status in the 1930s and 1940s, to their prestigious state-champion competitions, in an account that also cites the pivotal contributions of team leader Rusty Russell. Reprint. 40,000 first printing.

Sixty-one tales narrated by Yaqis reflect this people's sense of the sacred and material value of their territory.

On the football field, Sean Taylor was feared by opposing teams. Off the field, he was loved by those who knew him best, as well as his many fans. Tragically, Sean was killed in a home invasion gone wrong. However, "Going Full Speed, the Sean Taylor Stories" is not just about being at the wrong place at the wrong time. It's Sean's father, Pedro "Pete" Taylor's recollection of raising, training, then losing his superstar son. But Sean Taylor was no saint. And in the words of his father, he wants to give readers "the good, the bad and the ugly." Sean Taylor touched many lives. In "Going Full Speed" you'll be touched by stories from family, friends, teammates, coaches, and the owner of the Washington Redskins and more. Thirty-three people in all share their favorite personal stories of the fallen superstar. You'll "hear" from names such as University of Miami coaches Larry Coker, Curtis Johnson, Don Goldinger and teammates Buck Ortega and Jon Vilma. From the Washington Redskins, coaches Gregy Williams and Steve Jackson, teammates Santana Moss, Clinton Portis, Renaldo Ryan and team owner Daniel Snyder share their favorite anecdotes. Some stories are hilarious, some heartwarming, and some are heartbreaking. So you may want to read this book with a box of tissues close by. Highlights of the book include: - revelations, Sean stories never before told; - life lessons, talks that would serve Sean -- or frankly anyone -- well in life; and, - training tips, things Pete Taylor taught Sean in order to get his body and mind ready for school and competition. This book is a must have for football fans, Sean's fans, student athletes, and parents of athletes.

UPDATED FOR 2020 WITH A NEW PREFACE BY NATE SILVER "One of the more momentous books of the decade. " —The New York Times Book Review Nate Silver built an innovative system for predicting baseball performance, predicted the 2008 election within a hair’s breadth, and became a national sensation as a blogger—all by the time he was thirty. He solidified his standing as the nation’s foremost political forecaster with his near perfect prediction of the 2012 election. Silver is the founder and editor in chief of the website FiveThirtyEight. Drawing on his own groundbreaking work, Silver examines the world of prediction, investigating how we can distinguish a true signal from a universe of noisy data. Most predictions fail, often at great cost to society, because most of us have a poor understanding of probability and uncertainty. Both experts and laypeople mistake more confident predictions for more accurate ones. But overconfidence is often the reason for failure. If our appreciation of uncertainty improves, our predictions can get better too. This is the "prediction paradox": The more humility we have about our ability to make predictions, the more successful we can be in planning for the future. In keeping with his own aim to seek truth from data, Silver visits the most successful forecasters in a range of areas, from hurricanes to baseball to global pandemics, from the poker table to the stock market, from Capitol Hill to the NBA. He explains and evaluates how these forecasters think and what bonds they share. What lies behind their success? Are they good—or just lucky? What patterns have they unraveled? And are their forecasts really right? He explores unanticipated commonalities and exposes unexpected juxtapositions. And sometimes, it is not so much how good a prediction is in an absolute sense that matters but how good it is relative to the competition. In other cases, prediction is still a very rudimentary—and dangerous—science. Silver observes that the most accurate forecasters tend to have a superior command of probability, and they tend to be both humble and hardworking. They distinguish the predictable from the unpredictable, and they notice a thousand little details that lead them closer to the truth. Because of their appreciation of probability, they can distinguish the signal from the noise. With everything from the health of the global economy to our ability to fight terrorism dependent on the quality of our predictions, Nate Silver’s insights are an essential read.

A funny, blank book, gag gift for Denver Broncos fans; or a great coffee table addition for all Broncos haters! The most thoroughly researched and coherently argued fan guide to date, "Reasons To Be A Broncos Fan: An Intelligent Guide" is a fan dissertation sure to provide vital data to help you make an educated fan decision. Lawmakers require that we state the book is mostly blank and contains precisely 1500 words. In other 'words', it's a gag gift, but also a must-have addition to any fan or hater's coffee table.

Join #1 New York Times bestselling author Jan Karon on a trip to Mitford—a southern village of local characters so heartwarming and hilarious you'll wish you lived right next door. At last, Mitford's rector and lifelong bachelor, Father Tim, has married his talented and vivacious neighbor, Cynthia. Now, of course, they must face love's challenges: new sleeping arrangements for Father Tim's sofa-sized dog, Cynthia's urge to decorate the rectory Italian-villa-style, and the growing pains of the thrown-away boy who's become like a son to the rector. Add a life-changing camping trip, the arrival of the town's first policewoman, and a new computer that requires the patience of a saint, and you know you're in for another engrossing visit to Mitford—the little town that readers everywhere love to call home.

Inside the Ramsey Murder Investigation

Offers tips on planning an inexpensive wedding, including advice on gown deposits, ceremony and reception sites, and selecting invitations

An award-winning journalist's dramatic account of a shooting that shook a community to its core, with important implications for the future On the last evening of summer in 2013, five shots rang out in a part of northeast Denver known as the Holly. Long a destination for African American families fleeing the Jim Crow South, the area had become an ‘invisible city’ metropolis. While shootings there weren’t uncommon, the identity of the shooter that night came as a shock. Terrance Roberts was a revered anti-gang activist. His attempts to bring peace to his community had won the accolades of both his neighbors and the state’s most important power brokers. Why had he just fired a gun? In The Holly, the award-winning Denver Rubinstein reconstructs the events that left a local gang member paralyzed and Roberts facing the possibility of life in prison. Much more than a crime story, The Holly is a multigenerational saga of race and politics that runs from the civil rights movement to Black Lives Matter. With a cast that includes billionaires, elected officials, cops, developers, and street kids, boundaries between a city’s elites and its most disadvantaged citizens. It also probes the fraught relationships between police, confidential informants, activists, gang members, and ex-gang members as they struggle to put their pasts behind them. In The Holly, we see how well-intentioned efforts to curb violence and improve neighborhoods can go badly awry, and how enforcers with gang members who conceive of themselves as defenders of a neighborhood. When Roberts goes on trial, the city’s fault lines are fully exposed. In a time of national reckoning over race, policing, and the uses and abuses of power, Rubinstein offers a dramatic and humane illumination of what’s at stake.

New information from We Have Your Daughter has been revealed. Here is some of it. The Family As a top reporter in Denver, Paula Woodward was one of the few who had access to the Ramsey attorneys and thus the family. One of the prevailing questions in most of the television specials is about the bowl of pineapple on the kitchen table with Burke and Patsy's pineapple has been linked to JonBenet's death on some television broadcasts because of a reference in the autopsy to JonBenet having "fragments like pineapple" in her stomach. For more than a year after the murder, the pineapple theory behind her death was talked about. But when Boulder police finally had the material in her stomach tested at the University of 1997, they found out two months later in December, that the material was pineapple, plus grapes, grape skins, and cherries. That is food similar to that found in a fruit cocktail. What does that mean? This is the type of exclusive and factual information you will find in We Have Your Daughter that allows you to challenge preconceived theories. In 2010, Woodward specifically for her book • Burke discussed his family and the chaos surrounding the case. Woodward has obtained a Boulder Social Services Evaluation of the Child about Burke Ramsey that states "From the interview it is clear that Burke was not a witness to JonBenet's death." That raises more doubts about those who believe Burke was involved in his sister's death. Information Woodward has researched and uncovered. - In an interview with Burke Ramsey from 2010, he talks about his mom and how she taught him he could be optimistic or pessimistic about all the tragedies in their family. She chose positive for herself and so did he both believing it was important to find joy in each day. • After Patsy Ramsey was diagnosed a began sharing private conversations with Paula in 2004 and 2005. This information was to be used after she died. • John Ramsey gave Paula access to his personal journal as well as access to JonBenet's personal drawings and photos The Handwriting Test Results Handwriting is another key controversial part of this investigation and story. Paula has information a with how Boulder Police handled this aspect of the investigation. She discusses the results of the handwriting. Exclusive Reports & Documents Investigative Reporter Paula Woodward reviewed portions of thousands of police reports and documents for her book. Here are some highlights of her findings which she includes in the book, all of which affected the investigation. Exclusive report from the Boulder Police Officer who was FIRST to arrive on scene the morning of December 26, 1996 - before JonBenet's body was found and why he didn't find it. Exclusive: In the police report from the BPD Detective who stayed on scene until JonBenet's body was found - Paula lists some discrepancies in that report. Exclue she calls a "deliberate campaign of disinformation" by law enforcement, based on information she received from her sources. She also cites issues with the media coverage, with outlets reporting information without verifying it. Woodward says much of the information and "anonymous leaks" reported were untrue and has all had an effect on the investigation. She Paula found that Boulder police withheld the results of the DNA tests that excluded the Ramsey family from both the Boulder district attorney and the public. The evidence that was submitted as DNA excluded the Ramseys. In We Have Your Daughter: The Unsolved Murder of JonBenet Ramsey Twenty Years Later, Emmy Award-winning investigative journalist uncovered, definitive, insider perspective on the twentieth anniversary of one of the most heinous, sensationalized, unsolved crimes in American history. Here for the first time, Woodward examines conversations and information from all sides of those involved in the case. She shares information compiled during the twenty years she reported on the murder, including law enforcement individuals directly involved in the case, their thoughts and dissections of what went wrong and right, and who they now believe is the killer. Woodward has included drawings by JonBenet, letters from her teachers, and photographs that show a normal, happy six-year-old whose life was cut short in such a horrible manner. She shares portions of where he wrote of his torment and grief in the aftermath of the murder. And she recounts personal conversations with JonBenet's mother prior to her death from cancer in 2006. JonBenet's brother Burke talks publicly about his sister's death and how it affected the family and his life. We Have Your Daughter is an extraordinary work of journalism. It shares portions of under siege with their guilt or innocence still openly questioned. This book allows readers to decide in this heartbreaking story - was it Ramsey or an unknown intruder?

The Unsolved Murder of JonBenet Ramsey Twenty Years Later

Fast Food Nation

Popular and outspoken NFL cornerback Hanford Dixon offers an inside look at the turbulent, exciting, and frustrating Cleveland Browns seasons of the 1980s. A three-time Pro Bowler and co-inventor of the Dawg Pound, Dixon recalls both the roller-coaster on-field action and a culture of drug use that permeated the NFL and led to the tragic death of a teammate. He shares in detail what it was like to be a first-round NFL draft pick fighting for the starting job in training camp . . . What it took, mentally and physically, to play the toughest game at the highest level for a storied franchise . . . The adrenaline rush of whipping up a frenzied crowd of 80,000 rabid fans in Municipal Stadium . . . The thrill of being one game away from the Super Bowl—three times! . . . And the crushing disappointment of losing those big games. Dixon refers to himself as “a top-notch, speedy, loud-mouth, cocky, shutdown cornerback.” That gives an idea of his outsized personality as well as his willingness to say exactly what he means. He’s not shy about delivering praise or criticism where he thinks it’s due-to teammates, coaches, officials . . . or himself. This Dawg tells it the way it was.

A dramatic, inspiring memoir by legendary rock climber Tommy Caldwell, the first person to free climb the Dawn Wall of Yosemite's El Capitan. On January 14, 2015, Tommy Caldwell, along with his partner, Kevin Jorgeson, summited what is widely regarded as the hardest climb in history. Yosemite's nearly vertical 3,000-foot Dawn Wall, after nineteen days on the route, Caldwell's odds-defying feat was the culmination of an entire lifetime of pushing himself to his limits as an athlete. This engrossing memoir chronicles the journey of a boy with a fanatical mountain-guide father who was determined to instill toughness in his son to a teen whose obsessive nature drove him to the top of the sport-climbing circuit. Caldwell's affinity for adventure then led him to the vertigo-inducing and little understood world of big wall free climbing. But his evolution as a climber was not without challenges; in his early twenties, he was held hostage by militants in a harrowing ordeal in the mountains of Kyrgyzstan. Soon after, he lost his left index finger in an accident. Later his wife, and main climbing partner, left him. Caldwell emerged from these hardships with a renewed sense of purpose and determination. He set his sights on free climbing El Capitan s biggest, steepest, blankest face the Dawn Wall. This epic assault took more than seven years, during which time Caldwell redefined the sport, found love again, and became a father. The Pushis an arresting story of focus, drive, motivation, endurance, and transformation, a book that will appeal to anyone.

After her fiancé calls off their marriage a week before the wedding, heartbroken Christine Hollister reluctantly agrees to accompany her friend Jessica to Peru to do volunteer work in an orphanage, where she meets American doctor Paul Cook. Reprint. 100,000 first printing.
