A Guide to Legal Drafting Under the Civil Procedure Rules

Paul Maharg presents a critical inquiry into the identity and possibilities of legal education, and an exploration of transformational alternatives to our current theories and practices of teaching and learning the law. His work takes the view that bodies of interdisciplinary theory and knowledge of the history of legal education are important to all stages of legal

education. He also argues that new learning designs - such as transactional learning - need to be developed to help students, educators and lawyers deal with the transitions and challenges facing them now and in the foreseeable future. Throughout, discussions of theory are spliced with case studies of academic and professional legal learning, particularly in the field of technology-enhanced learning. The content of the

Pleadings Without Tears has become established as one of the most successful books on practical legal drafting in the context of litigation. This new eighth edition is fully updated to take account of Civil Procedure Rule (CPR) changes since the last edition. The book takes a practical and insightful look at the subject of legal drafting, enabling the reader to become more confident in approaching this often unnecessarily daunting subject. It focuses on core skills and fundamental rules while clearly addressing each stage of the process and goes beyond a straightforward setting out of the precedents and authorities relevant to statements of case. It gives clear examples of how to set out relevant matters with clarity

Matthew Bender Practice Guide: California Trust Litigation, a one-volume practice guide, provides detailed, practical, up-to-date, and authoritative information on litigating disputes arising out of the creation and operation of trusts in California. Key topics include:

- Proceedings attacking the validity and/or existence of a trust (trust contests).*
- Disputes involving the ownership of trust property.*
- Petitions for instructions relating to the operation of a trust.*

• Compelling a trust accounting. • Suits involving claims of breach of duty or malfeasance by the trustee. • Removal of a trustee. • Related matters such as financial abuse of an elder or dependent adult by a trustee, case evaluation, ethical issues, the recovery of trustee and attorney's fees in litigation, and the mediation and settlement of trust disputes. Trust litigation can be a highly lucrative field for California attorneys. However, it presents unique issues and procedures that set it apart from other types of general civil litigation, and presents many pitfalls for the unwary and inexperienced. This publication gives estate planners and general civil litigators the basic guidance that they will need to expand their practice into trust litigation, as well as serving as a handy reference source of up-to-date practice
