

Eleanor Of Aquitaine By The Wrath Of God Queen Of England

The wellregarded British historian takes on Eleanor of Aquitaine, the feisty queen who eventually married Henry of Anjou, a man destined to become king of England. Original.

What have a deaf nun, the mother of the first baby born to Europeans in North America, and a condemned heretic to do with one another? They are among the virtuous virgins, marvelous maidens, and fierce feminists of the Middle Ages who trail-blazed paths for women today. Without those first courageous souls who worked in fields dominated by men, women might not have the presence they currently do in professions such as education, the law, and literature. Focusing on women from Western Europe between c. 300 and 1500 CE in the medieval period and richly carpeted with detail, A Medieval Woman's Companion offers a wealth of information about real medieval women who are now considered vital for understanding the Middle Ages in a full and nuanced way. Short biographies of 20 medieval women illustrate how they have anticipated and shaped current concerns, including access to education; creative emotional outlets such as art, theater, romantic fiction, and music; marriage and marital rights; fertility, pregnancy, childbirth, contraception and gynecology; sex trafficking and sexual violence; the balance of work and family; faith; and disability. Their legacy abides until today in attitudes to contemporary women that have their roots in the medieval period. The final chapter suggests how 20th and 21st century feminist and gender theories can be applied to and complicated by medieval women's lives and writings. Doubly marginalized due to gender and the remoteness of the time period, medieval women's accomplishments are acknowledged and presented in a way that readers can appreciate and find inspiring. Ideal for high school and college classroom use in courses ranging from history and

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

literature to women's and gender studies, an accompanying website with educational links, images, downloadable curriculum guide, and interactive blog will be made available at the time of publication.

The author harks back to the twelfth century with a sensuous and tempestuous tale that brings vividly to life England's most passionate and destructive royal couple: Eleanor of Aquitaine and King Henry II. Nearing her thirtieth birthday, Eleanor has spent the past dozen frustrating years as consort to the pious King Louis VII of France. For all its political advantages, the marriage has brought Eleanor only increasing unhappiness and daughters instead of the hoped for male heir. But when the young and dynamic Henry of Anjou arrives at the French court, Eleanor sees a way out of her discontent. For even as their eyes meet for the first time, the seductive Eleanor and the virile Henry know that theirs is a passion that could ignite the world. Returning to her duchy of Aquitaine after the annulment of her marriage to Louis, Eleanor immediately sends for Henry, the future King of England, to come and marry her. The union of this royal couple will create a vast empire that stretches from the Scottish border to the Pyrenees, and marks the beginning of the celebrated Plantagenet dynasty. But Henry and Eleanor's marriage, charged with physical heat, begins a fiery downward spiral marred by power struggles, betrayals, bitter rivalries, and a devil's brood of young Plantagenets including Richard the Lionheart and the future King John. Early on, Eleanor must endure Henry's formidable mother, the Empress Matilda, as well as his infidelities, while in later years, Henry's friendship with Thomas Becket will lead to a deadly rivalry. Eventually, as the couple's rebellious sons grow impatient for power, the scene is set for a vicious and tragic conflict that will engulf both Eleanor and Henry. This is an historical novel that encompasses the building of an empire and the monumental story of a royal marriage.

In the twelfth century, as France and England compete for

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

dominion, one woman's passions and ambitions will change history . . . "Aquitaine is mine. It will never belong to anyone else." With these words, fifteen-year-old Eleanor seals her fate. Aquitaine is under the French king's safekeeping, and Eleanor, the Duke of Aquitaine's eldest daughter, knows she must wed Prince Louis in order to insure the future of her beloved duchy. Fiercely independent, filled with untapped desire, the woman who would be queen must provide Louis VII, her monkish husband, with heirs. But it is young Henry of Anjou who catches Eleanor's eye—and sets fire to her heart. Ruled by a raging drive to succeed, Henry vows that he will not be cheated of his rightful place on the English throne. Yet the newly christened Duke of Normandy is thoroughly enraptured by the French queen. In Eleanor, Henry knows he has found a woman whose hunger for life and glory matches his own. So begins a passionate love that will span decades and change the course of history.

Eleanor of Aquitaine

The Passions of Eleanor of Aquitaine: A Novel

Patron and Politician

Eleanor of Aquitaine (1124-1204), queen of France and England and mother of two kings, has often been described as one of the most remarkable women of the Middle Ages. Yet her real achievements have been embellished--and even obscured--by myths that have grown up over eight centuries. This process began in her own lifetime, as chroniclers reported rumours of her scandalous conduct on crusade, and has continued ever since. She has been variously viewed as an adulterous queen, a monstrous mother and a jealous murderess, but also as a patron of literature,

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

champion of courtly love and proto-feminist defender of women's rights. Inventing Eleanor interrogates the myths that have grown up around the figure of Eleanor of Aquitaine and investigates how and why historians and artists have invented an Eleanor who is very different from the 12th-century queen. The book first considers the medieval primary sources and then proceeds to trace the post-medieval development of the image of Eleanor, from demonic queen to feminist icon, in historiography and the broader culture.

The Son She Loved. The Betrayal She Faced. The Legend She Became. The stunning conclusion to the Eleanor of Aquitaine trilogy Imprisoned by her husband. Separated from her children. If King Henry II thought these things would push his queen into submission, he was wrong. Eleanor of Aquitaine refused to give into his tyranny. Freed by his death, she became dowager Queen of England. But the competition for land and power that Henry bred among his sons had grown into a dangerous rivalry that Eleanor must skillfully control. Eleanor would need every ounce of courage and fortitude as she crossed the Alps in winter to bring her son Richard his bride, ransom him from imprisonment and deal with his brother John's treachery. Her indomitable spirit would be tested to its limits as she attempted to keep the peace between her warring sons, fend off enemies, and negotiate a magnificent future for a chosen granddaughter.

Eleanor of Aquitaine Eleanor of Aquitaine became

the queen of both France and England, the wife of two kings, and later the mother of two kings. Heiress to the rich French provinces of Aquitaine and Poitou, she was undoubtedly one of medieval Europe's most powerful and wealthy women. Inside you will read about... - Duchess of Aquitaine, Queen of France - Eleanor and King Louis Joins the Crusade - The Royal Divorce - Continuing Conflict and Courtly Love - At the Center of Rebellion - Fifteen Years of Captivity And much more! Eleanor of Aquitaine has, not surprisingly, captured many imaginations. From inciting her sons to rebel against their father to the tale of her "courts of love," where she reportedly fostered the idea of courtly love and promoted the arts, to her captivity and later tireless work to rescue her son Richard the Lionheart from his imprisonment, Eleanor's life is a tangle of legend mixed with the struggle to interpret the sometimes-scarce facts. This does not make it any less fascinating-or any less worthy of study. In this book, you will find a concise exploration of the life of one of the medieval world's most memorable figures. As Queen of England, Eleanor has a new cast of enemies—including the king. Eleanor has more than fulfilled her duty as Queen of England-she has given her husband, Henry II, heirs to the throne and has proven herself as a mother and ruler. But Eleanor needs more than to be a bearer of children and a deputy; she needs command of the throne. As her children grow older, and her relationship with Henry suffers from scandal and infidelity, Eleanor realizes

VII of France, she barely adjusts before another death catapults them to King and Queen. At the age of just 13, Eleanor must leave everything behind and learn to navigate the complex and vivacious French court. Faced with great scandals, trials, fraught relationships, and forbidden love at every turn, Eleanor finally sees what her future could hold if she could just seize the moment. The first in this highly anticipated trilogy, *The Summer Queen* follows Eleanor through the Second Crusade to the end of her marriage to Louis VII. The author's meticulous research (including delving into the Akashic records) portrays the Middle Ages and Eleanor with depth and vivid imagery unparalleled in historical fiction that will keep readers riveted and wanting more.

In this beautifully written biography, Alison Weir paints a vibrant portrait of a truly exceptional woman and provides new insights into her intimate world. Renowned in her time for being the most beautiful woman in Europe, the wife of two kings and mother of three, Eleanor of Aquitaine was one of the great heroines of the Middle Ages. At a time when women were regarded as little more than chattel, Eleanor managed to defy convention as she exercised power in the political sphere and crucial influence over her husbands and sons. Eleanor of Aquitaine lived a long life of many contrasts, of splendor and desolation, power and peril, and in this stunning narrative, Weir captures the woman—and the queen—in all her glory. With astonishing historic detail, mesmerizing pageantry, and irresistible accounts of royal scandal and intrigue, she recreates not only a remarkable personality but a magnificent past era.

Independent Spirit of the Medieval World

In *When Christ and His Saints Slept* master storyteller and historian Sharon Kay Penman illuminates one of the lesser-known but fascinating periods of English history. The next addition in this highly acclaimed historical fiction series of the middle ages, and the first of a trilogy that will tell the story of Henry II and Eleanor of Aquitaine. *When Christ and His Saints Slept* begins with the death of King Henry I, son of William the Conqueror and father of Maude, his only living legitimate offspring.

New in paperback - In this biography Sara Cockerill has gone back to the primary sources, and the wealth of recent first-rate scholarship, and assessed which of the claims about Eleanor can be sustained on the evidence.

This fascinating new biography tells the story of one of the most influential figures of the twelfth century, Eleanor of Aquitaine, successively queen of France and of England. In tracing her life story Professor Owen reassesses her political importance during the reigns of her husband Henry II and her sons, Richard the Lionheart and John, and

aims to separate the true historical Eleanor from the Eleanor of legend.

Eleanor's patrilineal descent, from a lineage already prestigious enough to have produced an empress in the eleventh century, gave her the lordship of Aquitaine. But marriage re-emphasized her sex which, in the medieval scheme of gender-power relations relegated her to the position of Lady in relation to her Lordly husbands. In this collection, essays provide a context for Eleanor's life and further an evolving understanding of Eleanor's multifaceted career. A valuable collection on the greatest heiress of the medieval period.

Eleanor Of Aquitaine

"Love is for peasants," Eleanor said. "We make alliances. And I intend to make a very good one." Beautiful and brilliant, Eleanor is the daughter of the duke of Aquitaine, whose glittering court is the twelfth-century birthplace of courtly love. For all of the duke's boasts that Eleanor has the brains of a man and the soul of a warrior, everyone knows that a girl of fifteen cannot possibly hold the richest dukedom in France. Everyone, that is, except for her dying father, who insists on leaving Eleanor his most valuable provinces—and making her prey to the first baron who rides in to kidnap her. In order to safeguard her lands and her life, Eleanor devises a

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

scheme to marry the heir to the throne of France. But she must learn to be careful what she wishes for. Eleanor's alliance to Louis VII may be a dazzling one, but her husband is a cautious man, originally intended for the priesthood, whose wit and courage do not always match Eleanor's own; and she ultimately finds herself seeking an even greater match with Henry II of England. Sweeping from the courts of Paris to the perils of the Crusades, Duchess of Aquitaine gloriously illuminates the life of one of the most powerful, resourceful, and fascinating women in all of history.

An account of Queen Eleanor which describes her dramatic life as a queen, her marriages, and her contributions to that period

Eleanor of Aquitaine's extraordinary life seems more likely to be found in the pages of fiction. Proud daughter of a distinguished French dynasty, she married the king of France, Louis VII, then the king of England, Henry II, and gave birth to two sons who rose to take the English throne—Richard the Lionheart and John. Renowned for her beauty, hungry for power, headstrong, and unconventional, Eleanor traveled on crusades, acted as regent for Henry II and later for Richard, incited rebellion, endured a fifteen-year imprisonment, and as an elderly widow still wielded political power with energy and enthusiasm. This gripping biography is the definitive account of the most important queen of the Middle Ages. Ralph Turner, a leading historian of the twelfth century, strips away the myths that have accumulated around Eleanor—the “black legend” of her sexual appetite, for example—and challenges the accounts that relegate her to the

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

shadows of the kings she married and bore. Turner focuses on a wealth of primary sources, including a collection of Eleanor's own documents not previously accessible to scholars, and portrays a woman who sought control of her own destiny in the face of forceful resistance. A queen of unparalleled appeal, Eleanor of Aquitaine retains her power to fascinate even 800 years after her death.

Acclaimed as the most beautiful woman of her time, Eleanor of Aquitaine uniquely shaped 12th-century Europe. As the wife of two kings and the mother of three others, her beauty, grace, style, and intellect captivated a continent. At a time when men regarded women as little more than personal property to be owned and exploited, Eleanor threw off the shackles of male dominance and scribed an indelible mark on the history of France and England. As France's queen, Eleanor accompanied Louis VII on the Second Crusade to the Holy Land and championed a burgeoning feminist movement. After divorcing Louis, she married Henry II of England. Her marriage to Henry upset the balance of power in Europe and led to 300 years of warfare before its restoration. Perhaps best remembered as a symbol of courtly love, Eleanor of Aquitaine also continues to personify the proud image of emancipated womanhood.

queen, first of France, then of England, who was the very lively wife of Henry II and mother of several notable sons, including Richard the Lionhearted.

A revisionist approach to Eleanor of Aquitaine and the political, social, cultural and religious world in which she lived.

Eleanor of Aquitaine was the wife of two kings, Louis VII of France and Henry II Plantagenet of England, and the mother of two others, Richard the Lionhearted and John Lackland. In her eventful, often stormy life, she not only influenced the course of events in the twelfth century but also encouraged remarkable advances in the literary and fine arts. In this book, experts in five disciplines—history, art history, music, French and English literature—evaluate the influence of Eleanor and her court on history and the arts. Elizabeth A. R. Brown views Eleanor as having played a significant role as parent and politician, but not as patron. Rebecca A. Baltzer takes a new look at the music of the period that was written by and for Eleanor,

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

her court, and her family. Moshé Lazar reexamines her relationship to the courtly-love literature of the period. Eleanor S. Greenhill and Larry M. Ayres reassess her influence in the realm of art history. Rossell Hope Robbins traces the lines extending from the French courtly literature of Eleanor's period down into fourteenth-century Chaucerian England. The essays reflect divergent but generally complementary assessments of this remarkable woman's influence on her own era and on future times as well. This volume is the result of a symposium held at the University of Texas in 1973.

The sequel to Sharon Kay Penman's acclaimed novel *When Christ and His Saints Slept*, *Time and Chance* recounts the tempestuous marriage of Eleanor of Aquitaine and Henry II in a magnificent story of love, power, ambition, and betrayal. He was nineteen when they married, she eleven years his senior, newly divorced from the King of France. She was beautiful, headstrong, intelligent, and rich. It was said he was Fortune's favorite, but he said a man makes his own luck. Within two

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

years, Henry had made his, winning the throne of England and exercising extraordinary statecraft skills to control his unruly barons, expand his own powers, and restore peace to a land long torn by banditry and bloodshed. Only in one instance did Henry err: Elevating his good friend and confidant Thomas Becket to be Archbishop of Canterbury, he thought to gain control over the Church itself. But the once worldly Becket suddenly discovered God, and their alliance withered in the heat of his newfound zeal. What Becket saw as a holy mission—to protect the Church against State encroachments—Henry saw as arrant betrayal, and they were launched inevitably on the road to murder. Rich in character and color, true to the historical details, sensitive to the complex emotions of these men and women, Time and Chance recreates their story with all the drama, pain, and passion of the moment.

Eleanor of Aquitaine and the High Middle Ages

The author offers an accessible overview of the vibrant personal and intellectual developments in the medieval court and monasteries during Eleanor of Aquitaine's lifetime. Primary documents, biographical material and thematic chapters bring this unique period to life.

Eleanor of Aquitaine lived in a remarkable age. The 12th century saw significant advances in both the intellectual and emotional spheres. Scholars explored new areas of philosophy and science and also began to reflect on relationships and what it meant to be human and an individual. For the troubadours and the writers of the new romances, who composed in vernacular language, the focus of their works was the expression of personal feelings and the image of the feminine. Women had had more significant parts to play in the first millennium than in the second, because with the militarization of Europe and the emergence of universities, from which women were excluded, they lost much of their influence. This created an imbalance in society and it is within this context that Eleanor's life should be reviewed. The period is sometimes called the Twelfth Century Awakening due to the outpouring of extraordinary intellectual inquiry and discovery. Cathedral schools and universities, Islamic influence on European thought, the classical revival, vernacular literature, and Gothic architecture all exerted powerful pulls on the era's culture and politics. Accounts of Eleanor of Aquitaine's life provides a rare glimpse into women's lives during the medieval period, and though an admittedly extraordinary figure, we are able to draw some general conclusions about marriage and motherhood. Troubadours and courtly love, which revolved around

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

declarations of service, devotion, and passion, and an emerging sense of the self. Thematic chapters hit the major topics, laying them out in clear and easy-to-follow writing. Nineteen biographical sketches bring to life the topics, and 15 primary documents, including songs, letters, and poems provide a close-up glimpse of how the people of the time saw their own world. Genealogical tables, maps, chronology, and a timeline provide useful and information quickly. The book concludes with an annotated bibliography and an index.

For more than sixty years, Queen Eleanor of Aquitaine was involved in all the important events in twelfth-century France and England. This wonderful book tells her tale in exquisite detail, from describing the fashionable furs and luxurious clothing she carried with her, to vivid descriptions of the court of medieval France. It recounts the harrowing battles in the Holy Land as well as the true-to-life discussions of Eleanor's many love interests. Filled with hard-to-find images including a photo of the only remaining sculpture of the famous queen this is a fascinating and visually stunning book. "Marion Meade has told the story of Eleanor, wild, devious, from a thoroughly historical but different point of view: a woman's point of view."—Allene Talmey, Vogue. A riveting novel of Eleanor of Aquitaine's early adult years from the author of *The Virgin Widow*. Orphaned at a young age, Eleanor, Duchess of Aquitaine, seeks a strong husband to keep her hold on the vast lands that have made her the most powerful heiress in Europe. But her arranged marriage to Louis VII, King of France, is made disastrous by Louis's weakness of will and fanatical devotion to the Church. Eleanor defies her husband by risking her life on an adventurous Crusade, and even challenges the Pope himself. And in young,

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

brilliant, mercurial Henry d'Anjou, she finds her soul mate-the one man who is audacious enough to claim her for his own and make her Queen of England.

A Medieval Woman's Companion

Queen of the Troubadours

Henry II and Eleanor of Aquitaine

Queen Defiant

Duchess of Aquitaine

The powerful medieval couple who formed an empire beyond England, and whose children included Richard the Lionheart and King John.

The story of an ambitious princess and heiress that captures this legendary medieval queen in all of her beauty and political intrigue. "A monstrous injurer of heaven and earth," as Shakespeare referred to this powerful medieval matriarch, Eleanor of Aquitaine's reign as England's stormiest and most ambitious queen has never been matched. As the greatest heiress in Europe, she was in turn Queen of France and Queen of England; among her sons were Richard the Lionheart and King John. A magnificent independent ruler in her own right, she lost her power when she married Louis VII of France. She received neither influence nor fame by her second marriage to King Henry II, who jailed her for fifteen years for conspiring and supporting their son's claim to the throne. Her husband was succeeded by their son, King Richard the Lionheart, who immediately released his mother from prison. Eleanor then acted as Regent while Richard launched the Third

Read Online Eleanor Of Aquitaine By The Wrath Of God Queen Of England

Crusade. Her loveliness and glamour, her throwing-off of the constraints that shackled women of the twelfth century, and her very real gifts as a politician and ruler make Eleanor's story one of the most colorful of the High Middle Ages.

In addition to being queen consort of both Louis VII of France and Henry II of England, she was also the mother of Richard I the Lion-Heart and John of England.

This volume is a biography of Eleanor of Aquitaine (ca. 1122-1204) one of the wealthiest and most powerful women in Western Europe during the High Middle Ages. First, she became First Lady of France as the wife of Louis VII, and then First Lady of England when she next married Henry II. Many saw her as a ruthless hellcat, governed by a lust for power, who schemed against her husband and dominated the lives of her sons, Richard the Lionheart and King John. Shakespeare portrayed her as a "monstrous injurer of heaven and earth." Yet there was another side to this powerful queen consort. Worshipped by men and idealized in the songs of the troubadours, she was the sex symbol of her age. She also became renowned as a generous and strong ruler, throwing off the constraints that shackled twelfth-century women. Among her achievements was her patronage of the abbey at Fontevrault, a refuge for battered wives.

A Novel of Eleanor of Aquitaine

The Queen who Rode Off to Battle

Queen and Legend

The Richest Queen in Medieval Europe

One of history's greatest women, celebrated by her contemporaries, descendants, and biographers, now comes to life in this mesmerizing new novel by bestselling author Pamela Kaufman. In 1137, fifteen-year-old Eleanor became Duchess of Aquitaine, a wealthy and powerful province in the south of France. Rich and influential in her own right, her tumultuous marriages thrust Eleanor into the political and cultural spotlight, where she would remain for more than half a century. Still in her teens, young Eleanor of Aquitaine married Louis VII of France, a sickly religious fanatic so obsessed with fears of adultery that he kept his beautiful wife under lock and key, even forcing her to go on a long and dangerous crusade with him. But Eleanor was delighted by the freedom of the crusader's life. Her handsome Aquitanian knights, her deeds on horseback, and her scandalous attire were the talk of Europe; it soon became clear that Louis's young wife was more than he could handle. A lifelong rebel, Eleanor would defy her husband and the Church, and eventually strong-arm the Pope into annulling

her unhappy marriage. Once free of Louis, Eleanor thought to marry Baron Rancon, her childhood love, but found herself forced into another political marriage, this time with a younger and more dangerous husband—Henry II of England, a ruthless soldier known throughout Europe as “the red star of malice.” In Henry Eleanor found a man whose iron will and political cunning matched her own, but the marriage was a bitter and brutal one, which escalated into open warfare when Eleanor backed their sons in an armed rebellion against Henry. Vowing revenge, he imprisoned her for fifteen years, hoping she would die in obscurity. But Eleanor would not go quietly. In prison, she wrote her memoir; this is Eleanor’s book.

Eleanor, Duchess of Aquitaine was one of the leading personalities of the Middle Ages and also one of the most controversial. She was beautiful, intelligent and wilful, and in her lifetime there were rumours about her that were not without substance. She had been reared in a relaxed and licentious court where the arts of the troubadours flourished, and was even said to have presided over the fabled Courts of Love. Eleanor married in turn Louis VII of France and Henry II of England, and was the mother of Richard the Lionheart and

King John. She lived to be 82, but it was only in old age that she triumphed over the adversities and tragedies of her earlier years and became virtual ruler of England. Eleanor has exerted a fascination over writers and biographers for 800 years, but the prevailing myths and legends that attach to her name still tend to obscure the truth. By careful research, Alison Weir has produced a vivid biography with a fresh and provocative perspective on this extraordinary woman. A biography of the twelfth-century queen, first of France, then of England, who was the wife of Henry II also discusses life in the Middle Ages.

Eleanor of Acquitaine has been waiting in Heaven for a long time to be reunited with her second husband, Henry II of England. Finally, the day has come when Henry will be judged for admission--and while Eleanor waits, three people close to her during various times of her life join her, helping to distract her and providing a rich portrait of a remarkable woman in history.

The Book of Eleanor

A Proud Taste for Scarlet and Miniver

Eleanor of Aquitaine was a remarkable woman. She was an important factor in the reign of four kings, lived to the ripe old age of 82, bore 10 children and outlived all but two of them. In an age of men, she was indeed a powerful woman. With astonishing historic detail, mesmerizing pageantry, and irresistible accounts of royal scandal and intrigue, Weir re-creates not only a remarkable personality, but a magnificent past era. As Weir traces the fascinating intersection of public and private lives in Europe's twelfth-century courts, Eleanor comes to life as a complex, boldly original woman who transcended the mores of society. Later, after sixteen years of imprisonment for plotting to overthrow Henry, the humbled Queen emerged, at age sixty-seven, to rule England.

The diary of Eleanor, first daughter of the duke of Aquitaine, from 1136 until 1137, when at age fifteen she becomes queen of France. Includes historical notes on her later life.
