**We all have a story to tell. We often judge our own stories as being good or bad, right or wrong. The truth is, each and every one of them not only holds meaning for us but for those around us as well. Chicken Soup for The Teenage Soul IV is filled with such stories: what it really means to be a teenager in today's world. A Shepherd to Fools is the second of Drew Mendelson's trilogy of Vietnam War novels that began with Song Ba To and will conclude with Poke the Dragon.**

**In this short, lucid, rich book Michael Dummett sets out his views about some of the deepest questions in philosophy. The fundamental question of metaphysics is: what does reality consist of? To answer this, Dummett holds, it is necessary to say what kinds of fact obtain, and what constitutes their holding good. Facts correspond with true propositions, or true thoughts: when we know which propositions, or thoughts, in general, are true, we shall know what facts there are in general. Dummett considers the**

He then examines the special semantic and metaphysical issues that arise with relation to time and tense.
