

Family Law Law Essentials Scots Law Essentials

This revised second edition analyses social policy in Scotland since devolution in 1999 and reflects the nascent and distinctively Scottish policy agenda. Along with updated chapters, there are two new inclusions: a chapter analysing post-devolution Scotland and a chapter on the likely impacts of Brexit on and within Scotland. Providing diagrams, tables and a range of activities, the book maintains an innovative and pedagogic emphasis to introduce students to a wealth of materials, ideas and practical responses to the increasingly complex and diverse situations faced by social workers and other professionals. Part 1 of the book looks at what social policy is, how and why it is made and highlights the importance of the relationship between social policy and the law. Part 2 refers to specific themes of social exclusion, poverty and (more visible for this revised edition) austerity, considering their complex and multidimensional forms and discussing the range of policies currently extant that aim to combat such disadvantage. Part 3 provides a comprehensive overview of policy for practice, considering concepts of health inequality, mental health, older people, disability, children and families, education, substance use, criminal justice, asylum and immigration and homelessness. This book will be of interest to undergraduate and postgraduate students as well as post-qualified professionals seeking to understand the complexities of the social policy landscape in Scotland, and its influence on social work and related forms of professional practice.

Get started with using the library; find out what statutory interpretation and judicious precedent are; learn about finding and using case law and legislation; discover how to access and cite books, journals and other sources; take your study international with a guide to sources from Europe and further afield; and sail through your coursework and exams with handy tips for legal writing and research.

From defamation to dangerous animals, and from negligence to nuisance, Delict Essentials will introduce you to the Scots law of delict. Covering such topics as productivity, networking, branding, organization, and stress management, The Happy Law Practice will give you the skills that all lawyers need to THRIVE in their career. Whether you are a well-established lawyer or just starting your practice, this book offers tips, strategies, and innovative insights that is sure to help you succeed.

This book offers a modern, contemporary and innovative approach to the core curriculum, offering clear explanations to clarify the material without oversimplification. Carefully developed learning tools are used to help students to build their knowledge of the legal system of England and Wales; moreover, all the materials needed by a reader new to legal education are here in one place. English Legal System will also help students to translate knowledge successfully to an assessment situation (whether examination, tutorial preparation or coursework) through the acquisition and development of key skills such as problem solving and application, critical reasoning and evaluation, and research and referencing. The text has been written with the changes to legal education envisaged by the Solicitors Regulation Authority and Bar Standards Board in mind. The focus throughout will be on recent and key case law and contemporary real-life examples, bringing the subject alive and helping students to understand the foundations on which the law in England and Wales is based. The key pedagogic features seek to embed those legal skills within the context of the content on the legal system. The associated website provides a comprehensive learning environment that will provide further illumination of the text and graphics and that caters for a number of different learning styles with additional video and audio content.

Examines the influence of classical philosophy on revenge narratives by Shakespeare and his contemporaries

Introduces the key facets of Roman Law and its sources, development and influence on law today From property to persons, and from actions to succession, Roman Law Essentials is the ideal student guide to Roman Law and its effect on the law of Scotland. The Essentials

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely

on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

Whether you are studying Law in Scotland or looking to convert to Scots law, this invaluable guide will quickly equip you with all the basics of the Scottish legal system. Fully updated for the third edition, it is the ideal textbook for busy law students and revising for those all-important exams. Summary sections of Essentials Facts and Essential Cases will help you to identify, understand and remember the key elements of the subject.

A Medic's Guide to Essential Legal Matters offers practitioners highly practical advice on the legal principles which they need to apply to everyday clinical practice. Thirteen chapters cover key areas of medical law from the structure of the legal system, confidentiality, mental health capacity, through to current legal practices. Each chapter is written in an easy-to-digest format with helpful summary boxes covering key legal terms, laws, and statutes, and 'key point' boxes highlighting important take-home facts. An alphabetical glossary of legal terms at the end of the book offers a rapid reference that supports every chapter. A Medic's Guide to Essential Legal Matters has been carefully crafted to be concise yet informative and practical, covering the key aspects of this daunting subject. Written by a team of doctors and legal practitioners in the field of medical law, this resource offers you the expertise and experience needed to get to grips with medical law. A Medic's Guide to Essential Legal Matters includes access to online-only content, consisting of 65 multiple choice questions and answers that can be used to reinforce understanding, along with further reading sources to supplement and explore topics of interest. You can access and use this online material by activating your unique access code.

The law of contract forms the basis of our civil society. Without the law of contract we could not buy food, clothing or a place to live, nor could we book holidays, run a business or manage a football club. But contract law is complex and intricate, and disputes over contracts have led to a wealth of court cases over the years. This updated third edition gives you a clear and concise guide to the basics of the law of contract as it pertains to Scotland, from what a contract is to how they are formed, terminated and breached, and from third-party rights to cross-border contracts.

Precise and lucid in its treatment of practical detail, McNae's Essential Law for Journalists is the unrivalled handbook for students of journalism and professionals. Including pithy summaries, clear cross-references, and hands-on practical advice, McNae's meets the needs of busy journalists who need quick and reliable answers to the questions they face in their day-to-day work, while also providing students with authoritative coverage of key media law topics. Published in partnership with the National Council for the Training of Journalists as the elemental text for students, and widely used in newsrooms across the UK, McNae's continues to successfully distil the law and make it manageable. Online resources Comprehensive online resources accompany the text, including regular updates from the authors to keep readers abreast of the law. www.mcnaes.com

Traffic citations are big business, providing billions of dollars annually to municipal corporations. Police are incentivized to unlawfully pull over and detain drivers, seize and search their belongings, and ask interrogating questions, all in the the hope of finding excuses to issue fine-generating infractions. Society has been conditioned to accept violations to their individual rights that in past generations wouldn't have been tolerated. The author reveals that traffic enforcement has become a nationwide racketeering scam. With a deft understanding of natural law and the Constitution, the author shows how police officers routinely ignore individuals' rights, while traffic courts actively disregard due process for the sake of revenue. The chilling reality is that the misapplication of motor vehicle codes is representative of a greater trend towards eliminating our rights in general. Our government is vitiating its people; the sovereign are being transformed into subjects. Its time for Americans to resist totalitarianism: whether at the capitol, in the courts, or on our highways. As one of "We the people," I humbly implore you to read this book and spend time comprehending its implications. As Thomas Jefferson said, "If a nation expects to be ignorant and free in a state of civilization, they expect what never was nor ever will be."

Human Rights Essentials is a clear and concise study and revision guide for students, containing useful summary sections of essential facts and essential cases. Designed to help students gain a quick understanding of property law and as an aid to revision for exams. This book is also an excellent resource for those who need to refresh their knowledge of human rights.

As a writer for AskMen.com, Examiner.com, co-founder and Dating and Relationship Consultant for Suave Lover International and the Suave Lover Podcast, long term bartender and public health professional, I have direct client, personal and social experiences towards improving and solving pick up, dating and relationship situations. The young straight men I've seen and worked with, initially want two things, to meet more women and have more sex. What they don't know is that the success for those two things relies on more than specific pick up lines and rico suave moves, it involves becoming a better man. The current market for pickup and dating self-help material is

overwhelming, objectifying, lacks universality and misses out on this concept. The Essentials provides quick answers for men who want to improve their success with women but with a focus on overall development. Packaged as a travel-friendly, one-stop summary of the very best advice, with sections ranging from self-improvement to creating and sustaining relationships, The Essentials is what you need to improve your current status as a Man. Problem: The current market for pickup and dating self-help material is overwhelming, objectifying, and lacks universality. Solution: The Essentials, packaged as a travel-friendly, one-stop summary of advice, avoids pick-up lines or rico suave moves, and provides expert and concise answers for men who want to improve their success with women but with a focus on overall internal development. Short and to the Point: Read this - Meet more people, Have more sex, Improve yourself

Companies are created by the operation of law and function like artificial persons. As such, they are also restricted by law in what they can and cannot do. Company Law Essentials guides you through how companies are created, governed and protected by UK law. End-of-chapter summary sections of essential facts and essential cases will help you to identify, understand and remember the key elements. Looking at the UK and Scotland, Public Law Essentials is an invaluable guide for law students throughout the United Kingdom and for practising lawyers needing a quick reference. From the monarchy to the UK and Scottish parliaments, and from judicial review to the parliamentary ombudsman, this fully updated second edition gives you all the coverage of public law that you need for your course, your exams and your practice. In particular, the Scots law sections have been updated in light of the Smith Commission and the Scotland Bill 2015-16. Handy reference sections include tables of cases, statues and conventions, and summaries of essential facts and cases. This concise study guides gives you an overview of the main areas of environmental law in Scotland: statutory nuisance, noise, air pollution, climate change, waste, contaminated land, water pollution and nature conservation. In addition, it includes a discussion of the role of town planning in the control of pollution.

A Comprehensive Guide to the Law

A clear and concise study and revision guide for students of family law in Scotland Covering all the major legislation, Scottish Family Law is designed for new students of the subject. It gives you a framework for understanding how family law operates and will help you to prepare for your exams. Each chapter includes lists of essential facts and cases to illustrate how the rules described are applied in practice. Key Features Takes full account of the substantial statutory developments in the field since the Family Law (Scotland) Act 2006 Covers two major recent Acts: the Childrens Hearings (Scotland) Act 2011 and the Marriage and Civil Partnership (Scotland) Act 2014 Includes important new legislation such as the Adoption and Children (Scotland) Act 2007 and the Human Fertilisation and Embryology Act 2008

"e;Recognising the multi-faceted nature of this Scots law, Francis McManus and Eleanor Russell have produced this all-encompassing guide to delict. With numerous case studies and questions for discussion after each chapter, this is essential reading for all students encountering delict for the first time as well as practitioners who require a ready reference for their practice. The Scots law of delict encompasses a vast array of legal sources and contradictions. Many elements are modern and highly developed while others remain ancient and obscure. The majority of delictual principles are case law driven yet, increasingly, legislation plays a part. Further, although the concept of delict is limited to the Scottish jurisdiction, private international law cannot be ignored. "e;

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018.

Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to

establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.
