There may be war and destruction in certain parts of the world, but peace can prevail! Peace is within all of us, it sits waiting to wake up and grow, then amazing things can happen. Based on a vision the author had when she was 16 years old, Children and adults will enjoy reading this book. The colorful images tell the story. Seeds of Peace has been translated into Arabic, French, German, Japanese and Spanish. We hope to reach all the children of the world, to spread the seeds of peace. If you have ever tried to learn another language, you know that learning it can be an extremely intimidating endeavor. Spanish Now! teaches you the essentials of learning conversation Spanish including:-Proper Grammar-Sentence Structure-Masculine and Feminine Conjugation-Essential Nouns, Verbs and Adjectives-Real Practice Examples! You may feel self-conscious about sounding wrong and not knowing if someone else laughs or you are corrected. It takes time. You won't be a fluent speaker over night, but Spanish Now! teaches you what you need to know to begin conversing in a few weeks or less! And Most people who are native speakers are actually happy to have the chance to talk in their native language, especially if you are a novice and indicate that you are trying to learn the language. When it comes to learning Spanish you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with learning Spanish is vocabulary. Spanish Now! tackles vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding. Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish and speak with anyone. Regardless of the nation a native Spanish speaker is from (ie Mexico, Argentina, or Spain), you will be able to feel confident that you have the ability to converse in the Spanish language. Buy Spanish Now! and learn Spanish in a few weeks or less!

Have you been desperately trying to learn Spanish but simply can't find the way to take the first steps? Do you dislike overly grammatical learning material and just want to learn in a natural, fun fashion? Are you looking for the most sensible, quickest and most reliable way to learn Spanish where the whole method is backed by reliable scientific research? If you answered yes to at least one of the questions above, this guide is exactly for you. For those who've despaired of ever learning a foreign language, here, finally, is a book that will make the words stick long-term. Possibly the most feared challenge to learning Spanish is the challenge of memory; there are just too many words and too many rules to remember. For every new word we learn, it seems to forget two old ones, and as a result, fluency can seem out of reach. This is exactly why "1001 Top Spanish Words In Context" was written. According to

Professor Elfrieda H. Hieber from the University of California, Berkeley, The 100 most frequent words account for about 50% of the words in a typical text and the 1000 most frequent words for about 70%. Therefore it is evident that the first 1000 words of learning a language can provide you with an immense boost on your journey to master the language. In '1001 Top Spanish Words In Context' you'll discover: The 7 most common contexts to INSTANTLY kickstart your learning process (even if you barely know a word at the moment!) The exact formula to use expressions, proverbs, and sayings like a native speaker The latest scientific research about language learning combined with a practical guide you will not find on your average online learning website The single best way to increase your reading and listening comprehension enable you to communicate with little or no grammar How a simple grouping of thematic vocabulary lists can take tremendous fear from getting started and make everything suddenly seem 10x easier The absolute basic 4 areas of phrases you need to know to communicate in Spanish as quickly as possible (You might be missing out tremendously if you don't know these!) ...and much, much more! Even if you have already tried everything else without success, the beginner friendly and systematic choice of words and phrases are based on both practical experience as a native speaker and the latest scientific research. Thus, '1001 Top Spanish Words in Context' is your shortcut to master the hard beginning in the easiest way possible. So if you want to finally turn into a Spanish speaker nearly overnight with just one single concept, "Add to Cart" now! ?? Essential Dutch Vocabulary For Learners. This dictionary contains ~95% of all daily spoken Dutch, and ~85% of all daily written Dutch text. The fastest way to acquire a base vocabulary for practical spoken and written Dutch! NEW IN 2ND EDITION:- Added 2.500 Dutch to English example sentences- Added International Phonetic

Alphabet entries to help you pronounce Dutch words the right way. According to scientific research*, the 1000 most common words account for 95% of all daily conversational Dutch. The 2.500 most used words account for 85% of all daily written text in NL. The essential Dutch- English Word Frequency Dictionary 2.500 words and verbs give you list of the most useful words to build your Dutch vocabulary fast. These high frequency Dutch words are a great tool for beginners and intermediate students. Learn only the most important and most used words & verbs to quickly gain a practical knowledge of spoken and written Dutch. This Dutch- English dictionary is perfect for beginners and intermediate students of teenage or adult age. It is less suitable for kids and children. The IPA helps you with Dutch pronunciation, by writing a word phonetically. The example sentences, consisting of over 90.000 words, contain practical and useful information. They are designed to get you fluent fast, by using the most common and important words the most. Example sentences also help you discover Dutch idioms and expressions naturally through reading. More fun facts on language learning and vocabulary: * The first 25 words are used in 33% of all daily writing * The top 100 words make up around 50% of all student and adult writings * Top 500 words make up around 70% of all daily written texts. It has been advised to first learn the first 1000 most common words before you start speaking a new language. The facts aforementioned seem to confirm this. That is why we created a list of the most used 2500 Dutch words, and 531 most common verbs. With these words, you are able to cover 85% of the official language in the Netherlands in text, and 95% of all you need in the spoken language. It is therefore a rational move to prioritize learning the words and verbs that you are likely to use and hear the most often. Frequency dictionaries and word lists are a good starting point, and can produce the quickest results. The most common Dutch words & verbs list will give you a good grasp on the official language of the Netherlands in a short amount of time. The word frequency is based on analysis of Dutch subtitles. Scientific research has shown that subtitles are the best source of a practical, spoken frequency dictionary in any language*. Subtitles correlate to both spoken and written Dutch, respectively 73% and 83%*. The product is unique and the best way to understand and speak Dutch quick, because other frequency dictionaries base themselves on written text. The dictionary is not divided by topics (yet), but it has been divided by part of speech, frequency order and alphabetical order. By studying this dictionary with the 2500 most common words and 531 most common verbs, you will quickly gain a broad understanding and practical knowledge of spoken and written Dutch. *Studies quoted: Nation 1990; Liu Na & Nation, 1985; New, Boris; Brysbaert, Marc; Veronis, Jean; Pallier, Christophe, 2007

This fast-paced, witty & easy-to-understand book will teach the English-speaking reader virtually thousands of Spanish words in just a few minutes. Based on English-Spanish COGNATES, the reader has only to memorize a dozen or so single-syllable Rules which apply to English word endings & converts them to Spanish. For each Rule memorized the reader will learn hundreds & even thousands of Spanish nouns, verbs, adjectives & adverbs. The book also teaches the reader Spanish pronunciation of vowels & consonants, basic grammar, word genders, articles & verb conjugation in present, past & future tenses. Having learned thousands of Spanish words in the first few chapters & knowing their meaning & pronunciation, the final chapters will teach the reader how to form simple sentences using those words. The ample Appendix contains dozens of useful phrases & words for the traveller, well categorized, making the book an ideal travel companion. In addition

to the words covered by the Rules, the Appendix lists several hundred English words, alphabetically, with their corresponding identical or nearly-identical Spanish translations. This book is intended to ENCOURAGE the reader to pursue further study of the Spanish language by illustrating the striking similarities between the two languages.

"God Made This/Dieu a fait ceci" is an English/French bilingual book for children. This is Volume 5 in the series and this is Level 1 for infants to toddlers. The books in this juvenile non-fiction series are intended to teach reading in two languages; they are not "story" books. This book includes single words and pairs of words for the ear training of infants as well as toddlers. The pictures help infants associate sounds with symbols--images at first and ultimately words at the toddler level and beyond. Toddlers will be able to repeat words, word pairs, phrases, and brief sentences aided by the picture cues. They will gradually be able to read the words using the printed word as their cue. This volume presents images of the natural world around us and are of high interest to young children. The natural environment, earth, sky, water features, animals, flowers, fruits, vegetables, and a variety of types of people are included. The book teaches that "God made this." Color photos and illustrations were carefully selected to captivate your child's interest. Words and sentences were judiciously chosen and crafted to facilitate learning for both age groups. Words are re-entered throughout the book to help your child feel a sense of accomplishment. It is suggested that only one language be read at a time. Start with the child's first or "maternal" language for several reading sessions, then introduce the second language. At no

time should the two languages be read during the same session. This volume should be of interest to English speakers who want to teach their child(ren) French as well as French speakers who wish to teach their child(ren) English. In addition, speakers of other languages will find the book useful for teaching their child(ren) both French and English. The books are ideal for day care centers, preschools, and elementary schools that offer or wish to include bilingual education or ESL in their educational programs. These bilingual print books and ebooks are suitable for the bilingual education of young people from infant to early elementary school. These bilingual print books and ebooks for children can play a major role in any bilingual or ESL education program for children. There are four levels for each topic or title making it easier for ESL or bilingual children to progress from one level to the next. Level 1 is for infants and toddlers and would be primarily read by parents. Level 2 is for toddlers and pre-schoolers and could be used by parents for the younger children or by day care and pre-school personnel in environments where an English/French bilingual component is included in the program. Level 3 is for pre-schoolers through kindergarten. And level 4 is intended for K-2. There is a full range of topics, 20 volumes in all, in the series of English/French print and ebooks that provide a thorough preparation in English/French education. Offering children's print books as well as children's ebooks provides parents, caregivers, and teachers with a choice and flexibility of format to meet the needs of child education. Children's bilingual print books have the advantage of convenience of use while children's bilingual ebooks include media and are easier to store, making children's bilingual education more accessible and convenient than ever before. These are not fiction story books or picture books. They are juvenile non-fiction bilingual print books and ebooks that are educational in nature, scope, and purpose. As such they meet the academic content standards for juvenile non-fiction bilingual education. For book examination and consideration by schools and teachers these books may also be categorized as juvenile non-fiction education French, juvenile non-fiction languages French, and juvenile non-fiction English/French. The BISAC Category is FOR018000 Foreign Language Study / Multi-Language Phrasebooks.

Reading is a fundamental learning process, and in order to be successful in any endeavor, a student needs to be able to grasp these sight words early on. Without a cognitive understanding of how to recognize and use the sight words in sentences and phrases, a student may be missing out on the most crucial building block of the learning process. How do we help children do this? There are many ways to embed vocabulary into children's daily lives. Engaging in conversations and talking to kids through their daily routines is a great way to build vocabulary skills. There are total 1,000 complete fry sight words with

colorful picture and bilingual translation, English sentences.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions
