Many times Christians excitedly receive a promise or vision from God. From that moment forward, they want to tell the whole world what God is going to do in and through them. It's so exciting to have a promise from God. The Bible says, "Where there is no vision, the people perish" (Proverbs 29:18). But when God gives us a promise or vision, it takes time to see it fulfilled. Rarely is the vision for tomorrow or even the next year. It's for a certain time set by God. He shows it to you early, but He still wants to prepare you for the journey ahead. Many Christians get discouraged

Small churches need the work of all of their people to survive, and this means that there's a productive place in the church family for every person, no matter how gifted or challenged.

Small churches are uniquely personal, and they provide an unparalleled opportunity for Christians to learn, grow, and live out their faith consciously, every day. Small churches become a family, children of God, and brothers and sisters of Jesus together. There's no place to hide in a small church. The normal human dramas of good and evil, sin and repentance, forgiveness and reconciliation all happen in our relationships in the family. A small church is a place where people can serve an apprenticeship in faith, learning from those before them and passing on their experience to those around them. In a small church the pastor provides context by preaching and teaching, serves as a role model in encouraging the ministry of others, and, by loving the people, helps them see themselves through God's eyes. The rest is up to the people themselves and to God. Miracles still happen and Rachel Wilfong is proof! After 15 years in a wheelchair, she was miraculously healed of Muscular Dystrophy. **A collection of devotional readings and Bible verses for each day of the year. Many parents feel hopeless, frustrated, angry, and exasperated when raising their children. This is a book of hope. Jenean shares some of her personal struggles in raising twin boys diagnosed with autism, after a painful legal separation from her husband. True stories from seven other God-fearing single parents are shared to encourage you along your journey in raising your blessings from the Lord. This devotional was written to embolden you or a loved one—there is light at the end of the tunnel. That light is Jesus Christ, the Anointed One. He will guide you as to what is best for you and your child. He has equipped you for this precious child. It may not be easy, but God purposed you for a time such as this. Jenean encourages you to journal your prayers daily as you comb through the Scriptures. Jot down your hopes, fears, dreams, and prayers daily as you get to know God. She has chosen songs and Scriptures that ministered to her during the difficult times. ### Learning to Be Bigger and Better Than Bitter

#### It's Your Time

***Life is happening and it hurts! But as they say, "When life throws you lemons, make lemonade!" Today, I'll Make Lemonade is a journey of how molestation, abandonment, divorce, rape, depression, low self-esteem, single parenthood, sickness, and ministry all led author Stephanie Simpson to the understanding of how to celebrate God, and the purpose of her suffering. We are all survivors of something. This must-read memoir encourages us to change our perspective when it comes to life's lemons. 'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In WHEN GOD WINKS he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Best of all, WHEN GOD WINKS shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. ***Ever since the beginning of the world, man has contained within him an insatiable desire to be the captain of his own ship and master of his own fate. It's a natural flaw in man in our fallen state. It really becomes problematic when pride prevents one from looking outside their selves for help or for the correct answers in life. It's not that God has abandoned us with no direction or answers, it is simply the failure to launch in oneself a humbling posture to allow us to receive that which God has given to us freely" his wisdom. *Clichés are commonplace in the world today. Some people build their whole life around a catchy phrase that both entertains and informs. *something that empowers people to explore more deeply the great issues of our life and times. The effort of this book is to take a popular cliché and use it to enable people to think more seriously about the issue of bitterness and strife that pervades a great part of the population of the world today. To live a life full of bitterness and strife has to be one of the most distressing ways to live. Bitterness and strife absorb so much of a person's daily existence. It is hard to be constructive when something so strong as bitterness and strife has a foot hole in a person's life. So then, using the common cliché, "When life gives you lemons, make lemonade", this book aims to lead the reader towards a path away from bitterness and strife and into a life of joy and peace. No one has to be bitter in life. Bitterness is a choice. There are alternatives. A path to a more positive and constructive way of life can be chosen. Since this cliché has been introduced into the language of modern culture it has been used by various disciplines, doctrines and daily conversations to capture the innate ability of many humans to rise above the pull of bitterness and adopt a lifestyle that chooses to be positive and constructive rather than angry and bitter. We are not created to be bitter, but to be a pleasant aroma that*

*overcomes the harsh tone of our existence that pervades human interaction in so many sectors today. "When life gives you lemons, make lemonade" is a cliché that is simple but profound in so many ways. Part of the aim of this book is to move it away from just its simplistic use to a more serious effort to transcend the pervasive tendency of modern humans to be consumed by bitterness and strife. Seven elements are presented as primers for acquiring the capacity to overcome any form of bitterness that seeks to have control over our lives. Some are biblical and some are human aspirations that have a close correlation to the teachings of the Bible. In either case the belief is that God desires that humans would be able, with divine help, to live a life that is void of bitterness and infused with God's love that is able to transform the most hurtful situations in life into expressions of God's all-encompassing love, mercy and grace. What I hope to do in this book is to enable someone to get beyond any anger or bitterness in life and become a stronger more loving, compassionate, and kind person.*

my story, but God's.

God came to earth as an illegitimate child. Mary, his mother, was a human being, not a porcelain figure in a nativity scene with a halo. She was a young teenage Mediterranean woman who wanted to save herself for marriage. Then an angel told her she'd become pregnant by the Holy Spirit. This book intends to dismantle the fictitious Mary made in the image of religion. Rather, the human Mary of the Scriptures who gave God a body is the subject of this book. Mary was the mother of God, not the mother of the church. She is blessed without being divine, an ordinary girl who obeyed God and supernaturally delivered the Savior of the world. It is only a human Mary who can be accessible to the church as a model disciple of her son, Jesus Christ.

Why is this happening to me? is a question being asked by millions of people who have lost their livelihoods in today's economic recession. In *Better for Life* you will find answers to this question as you explore the trials of several biblical characters and the purposes for those trials. Within these pages you will not only discover the purpose of your trial, but you will also learn what you can do about it. You can't change your situation, but you can change yourself. God's plan is not merely to get you out of your trials, but to transform you while you are in them. Take a journey to discover the reasons for your hardships, and learn how you can use these
