When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi Westfield has the perfect fiancé: Nicholas Rose holds doors open for her, remembers her restaurant orders, and comes from the kind of upstanding society family any bride would love to be a part of. They never fight. They 're preparing for their lavish wedding that's three months away. And she is miserably and utterly sick of him. Naomi wants out, but there's a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. When Naomi discovers that Nicholas, too, has been feigning contentment, the two of them go head-to-head in a battle of pranks, sabotage, and all-out emotional warfare. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Because now that they have nothing to lose, they're finally being themselves—and having fun with the last person they expect: each other.

Imagine an alien came down to Earth, stuck a probe into a climber 's brain – one who 'd been climbing for over thirty years – and then transmogrified the contents into a big book of climbing tips. Well, 1001 Climbing Tips by Andy Kirkpatrick is just such a book. This is no regular instruction manual – it 's much more useful than that. This is a massive collection of all those little tips that make a real difference when at the crag, in the mountains, or when you 're planning your next big trip. It 's for anyone who hangs off stuff, or just hangs around in the mountains. These tips are based on three decades of climbing obsession, as well as nineteen ascents of El Cap, numerous Alpine north faces, trips to the polar ice caps, and many other scary climbs and expeditions. The following areas are covered: Basics, Safety, Big Wall, Ice, Mixed, Mountain, Training, and Stuff.

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Looking for a travel guide that goes where other guides fear to tread? One that rides roughshod over ad-copy puffery to smartly deliver the real scoop on a destination's sites and attractions? One that is fun? Look no more. Frommer's Irreverent Travel Guides are wickedly irreverent, unabashedly honest, and downright hilarious, and provide an insider's perspective on which attractions are overrated and which are the secret gems that locals love. You'll get the lowdown on restaurants, lodging, and shopping, and even find out what the locals think of you. "Like being taken around by a savvy local," said the author, "I'm savvier than other guides," concurred Diversion magazine. Never shy about confronting the issues, the Irreverents are guides to real travel in the real world. It's said that if you can't have fun at a destination, you want to check your pulse. But you don't have to be driven mad either by the crowds, the aggressive good cheer, or the gloppy sentiment. With the smart, funny, and straight-shooting Frommer's Irreverent Travel Guides, you won't lose your mind--or your kids. Find out which rides and attractions are really worth seeing--and those you shouldn't waste your time on. Find out which Disney food is really worth trying. Get insider tips on beating the system, such as how to avoid standing in long lines, and how to get a room with a view. With this refreshingly honest guide your trip to the Magic Kingdom will be both educational and deliciously fun.

As the eldest of seven children, Esteban Castillo has spent his life protecting others, at home and in the U.S. Marines. Now he leads the construction company founded by his father, and it thrives under his leadership—until a rivalry with another firm places their livelihood in jeopardy. Love comes in many forms. For Sasha Vogt, nothing matters more than her two wives, Nandi and Isisa. Together, the women form Houston's only lion shifter pride, but something is missing from their lives. No man has ever lasted between the three of them, and they doubt one ever will... until Sasha meets Esteban. Dating multiple women may be a fantasy for some men, but for Esteban it seems too good to be true. And right now, with someone out to ruin his family name, love should be the least of his worries. This is not a love triangle, this story does not contain cheating, and all activity between the main characters is 100% consensual. Read on if you dare to delve into the tale of a healthy polyamorous relationship between three women in love seeking the alpha to complete their pride in the longest Wild Operatives release to date. Keywords: Polyamory, shifters, shapeshifters, lion shifters, F/F, military romance

Richie "Ryder" Raymond has a gift. He can find the punchline in any situation, even in his limited vision and prosthetic eye. During the past year at Addison School for the Blind, Ryder's quick wit earned the respect and friendship of his classmates. Heading to mainstream, or "normal," school for eighth grade is going to be awesome. After all, what's not to like? At Addison, Ryder was everyone's favorite person. He could make anyone laugh, especially his best friend Alice. So long as he can be first to make all of the one-eyed jokes, Ryder is sure he'll fit in just as quick at Papuaville Middle School, home of the Fighting Guinea Pigs. But Alice warns him fitting in might not be as easy as he thinks. Turns out, Alice was right. In just the first hour of "normal" school, Ryder is attacked by General MacCathur II (aka, Gramps's cat), causes his bio teacher to pass out cold, makes an enemy out town hero Max, and falls for Jocelyn, the fierce girl next door who happens to be Max's girlfriend. On top of that, Ryder struggles to hold onto his dignity in the face of students' pity and Gramps's non-stop practical jokes. Ryder quickly sees the only thing worse than explaining a joke is being the punchline. But with help from his stuck-in-the-70s Gramps and encouragement from Alice, Ryder finds the strength to not only fight back, but to make peace. This exciting sequel to A Blind Guide to Stinkville weaves humor, recovery and second chances into an unforgettable story, with characters who will hook you from page one.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**In this heartwarming and charming debut from Tif Marcelo, a food truck chef and her long lost Army love clash when they cross paths in San Francisco. Camille Marino has got a full plate. As the sole guardian of her eighteen-year-old sister and the head chef and owner of a food truck, she's used to life being a juggling act. With food to cook, social media accounts to manage, and a little sister to look after, she doesn't have time for much else. That is, until Drew Bautista walks back into her life. Drew is Camille's former high school crush and he returns to San Francisco to repair his relationship with his father before he ships out for deployment. By helping his father renovate his failing Filipino restaurant, he hopes to win back his respect. But when sparks fly between Drew and Camille—his father's major competition and sworn enemy—Drew is**

conflicted. Should he join his father in the war against her food truck? Or surrender to the woman who's given him a second chance at love?

The 5:2 fast is one of the easiest and quickest ways for you to lose weight. It works with your body, helping you to burn fat and weight without counting all the calories and while still being able to go on a diet that works around your schedule. The idea behind this diet plan is that you will pick two days during the week where you will keep your calories low, usually under 500 to 700 for the whole day. As long as these days are not back to back, they can be any day that you would like. Pick a few days during the week when you are usually really busy and it won't seem so bad. For the other five days of the week, you will be able to eat regular calories. You should be careful about not going overboard, but if you eat a relatively healthy diet, even if you splurge a little bit on these other five days, you will still end up taking fewer calories thanks to those two fast days. It is that simple! The hardest part of this diet plan, and many other diet plans, is finding the right recipes to make it work. You want to lose weight, but if you feel deprived all the time, you will give in to the cravings and never see the results that you want. This is where this guidebook can come in! It will provide you with many satisfying recipes that you are sure to enjoy, all of which can be used for either your feast or your fast days. Some of the recipes that you can try from this guidebook include: Tuna Tacos Pancakes French Toast with Raspberries Breakfast in a cup Blueberry muffins Strawberry granola Bread pudding Cheesy Scones Chili And so much more Going on a diet does not have to be difficult or hard to maintain! Check out the 5:2 fast and some of the delicious recipes in this guidebook, and you will be losing weight without feeling deprived!

THE NEW YORK TIMES BESTSELLING SERIES WITH OVER ONE MILLION COPIES SOLD• Everyone is talking about this addictive must-read mystery with shades of Serial and Making a Murderer about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author
