

## ***Her Howling Harem 1 A Reverse Harem Romance***

I have a war to end. I've become Queen of Wolf Bridge, and I'm taking Paws Peak next. But my body is revolting. Two of my four mates have sealed me. It isn't enough. If I'm reckless, everything will fall apart. Tenuous ideas of peace between werewolves, vampires, and humans are riding on my moonlight. My need overshadows reason. Once all of my mates take me, I'll be whole, but the world might be damned. One story ends, another begins. I was sold to werewolves. They said I'm the Lost Princess of Howling Sky. I said I'm just Sorissa. They said I'm to be claimed by a lecherous prince and that I'll end some timeless war between werewolves, vampires, and humans. I made other plans. Then four powerful werewolves from a rival kingdom came out of nowhere, and I was stolen again. They call themselves Phantom Fangs. Now, they're taking me to their kingdom to keep me "safe." They probably intend for some other prince to claim me instead. But I'm going to change their minds. They're different from the other werewolves. They're kind, they listen to me, and they make my blood run hot. Can I trust them? Claim the princess, rule the world. I live with a pack of misfit shifters. Freaks. Rogues. Oddballs. Prey. Runts. Deformed. We're all welcome in Pack Aberrant. We aren't going to be winning any popularity contests, but our hodgepodge bunch is more loyal than even the strongest pred packs. I should know. I

## Download Free Her Howling Harem 1 A Reverse Harem Romance

grew up in one of them. As soon as they realized I was different, I was despised, even by my own family. So I left, joined Pack Aberrant, and I've steered clear of alpha pred assholes ever since. Until my heatwave hits, and I accidentally jump three coyote shifters in a parking lot. Whoopsie. Once they realize what my animal is, they're gonna kick me to the curb just like every other pred shifter has. And my old pack? They come back to haunt me. I'm unwanted by the three hotties, threatened by my old pack, and to top it all off, I have to find a new job because I attacked a bank robber. Accidentally. Being a misfit really sucks sometimes. Author's Note: Addie's story is book one in the Pack of Misfits series. Every book will be a standalone for that character, but a continuation of the Pack Aberrant story. Book one is a reverse harem with multiple love interests with the main character. However, this is not a reverse harem series. Some main characters in this series will have monogamous relationships. \*This is intended for ages 18 and older due to sexual content and strong language.

*brutal shifter clan, I've been chained and imprisoned for my entire life by my human uncle for the sole purpose of keeping other humans safe from me. At least that's his excuse. Solitude and pain are all I've known, so when four men show up claiming to be my saviors I'm not exactly receptive to the idea. Sure, I'm grateful that they've busted me out of my own personal brand of hell, but that's about as far as the gratitude goes. Now I have no money, no pack, and nowhere to go unless I take them up on their offer to transport me safely to Newhaven, a sanctuary for omega wolves deep in the woodlands of Alaska. With no other choice left, I take it while vowing to keep my distance for the week-long trip. But as time passes my guard falls, leaving me conflicted and suddenly vulnerable to the charismatically handsome group of men. Will I make it to Newhaven without falling for them, and do I really want to? This is a reverse harem wolf shifter romance with themes of abuse trauma, overcoming it, and learning to trust the ones you love.*

*The world is ending. Everyone knows it. What they don't realize is that it's because demons want to take over, and now they've set their sights on me. Not only do I have demons following me, but there*

When I realized I had a stalker, I swore off men completely... That was until four extremely hot men came into my life. They're all gorgeous, muscular, gifted in the arts, and rich, and for some reason, interested in me. I've never been this attracted to anyone, let alone four at once. I couldn't choose, and luckily, they don't want me to. It takes a special kind of man to not let jealousy get in the way, and I've found four of them. It actually goes beyond rare, it's magical. But the closer my stalker gets, the more I realize that he's no ordinary being. My four

magical lovers might not even be enough to protect me. They tell me they couldn't stand to lose me, and I can't stop them from risking their lives. But I couldn't stand to lose one of them. Knowing it would be my fault they are gone.... This Collection Contains the Following Titles: Shared by the Four Desired by Four Fate of Three

I knew nothing about mates until the alpha rejected me... Growing up in one of the biggest packs in the world, my life is planned out from the second I turn eighteen and find my true mate in the moon ceremony. Finding your true mate gives you the power to share the shifter energy they have, given to the males of the pack by the moon goddess herself. The power to shift into a wolf. But for the first time in the history of our pack, the new alpha is mated with a nobody. A foster kid living in the packs orphanage with no ancestors or power to claim. Me. After being brutally rejected by my alpha mate, publicly humiliated and thrown away into the sea, the dark wolves of the Fall Mountain Pack find me. They save me. The four alphas. The ones the world fears because of the darkness they live in. In their world? Being rejected is the only way to join their pack. The only way their

squad known as Phantom Fangs has a game plan to end the timeless world war between werewolves, vampires, and humans. The pieces have fallen into place. There will soon be a clear victor. But everything changes when a certain lost werewolf princess turns out to be much more than a myth. Claim the princess, rule the world. Four sexy werewolf men + one spunky werewolf princess = all the romance

The Lost Princess of Howling Sky Prologue: Phantom Fangs Book 1: Taken by Werewolves Book 2: Saving the Werewolves Book 3: Queen of Werewolves

The Lost Princess of Howling Sky is a reverse harem (some M/M) paranormal werewolf romance series with a healthy helping of high fantasy elements. It showcases four hot and protective as hell werewolf men and one go-getter werewolf woman who gets ALL the guys. The books must be read in order and the HEA, happily ever after, won't come until the last book. \*\*\*This is a steamy romance series. Naughty language, intense scenes, and sexy times. For mature audiences only.

Killer. Traitor. Queen. I never thought learning about my parents would bring more questions than answers. I am a product of both my genetics and my upbringing, no matter how much my mind rages against recent revelations. But now, it's time to embrace the darkness that lives in my veins. The creature that prowls within. To end this once

## Download Free Her Howling Harem 1 A Reverse Harem Romance

and for all, I'll have to become someone I've spent my life loathing. Lucas, Han, Noah, and Jacob are working to undermine Annex Security from inside with the help of a few unlikely allies while I take the reins and set my sights on a target closer to home. The board is set, the pawns sacrificed, and when all is said and done, the Queen's Gambit is poised to wipe the whole damn board. The only question is, can we all make it out? Can we survive without succumbing to the monsters we hide within? *The Scars We Bare* is the third and final book in the *Maven of Mayhem Series*. It is highly recommended to read the other two books in sequential order to follow the storyline. This is a full-length, why choose novel; meaning our leading lady does not need to choose between love interests to find her happily ever after and includes MM. This book contains steamy scenes and violence. Please read the content warnings because your mental health comes first.

An unclaimed female wolf shifter is a rarity, kind of like a unicorn. Highly-sought after, even fought for. But if Maia has her way, she'll stay unclaimed. Maybe it's a human way of thinking, but she should get to decide who to be with. It isn't asking for the world. On the run from her old pack due to a slight misunderstanding with her intended mate--meaning a claw to his throat--Maia stumbles upon a quaint town in the middle of nowhere.

## Download Free Her Howling Harem 1 A Reverse Harem Romance

What she does not expect is the trifecta of misfit wolves who've made the town their home. Alarick, the understanding, calm and collected alpha. Farkas, the sarcastic and witty beta. Grimm, the tall, dark and handsome loner. All ridiculously sexy, and they instantly make her question her beliefs. Maybe being claimed wouldn't be such a bad thing...Her Pack is a steamy, reverse harem standalone.

The King of Hearts 3

Her Howling Harem

A wolf shifter paranormal romance

A Reverse Harem Shifter Romance

Her Soul to Take

***In the Western imagination, the Middle Eastern harem was a place of sex, debauchery, slavery, miscegenation, power, riches, and sheer abandon. But for the women and children who actually inhabited this realm of the imperial palace, the reality was vastly different. In this collection of translated memoirs, three women who lived in the Ottoman imperial harem in Istanbul between 1876 and 1924 offer a fascinating glimpse "behind the veil" into the lives of Muslim palace women of the late nineteenth and early twentieth centuries. The memoirists are Filizten, concubine to Sultan Murad V; Princess Ayse, daughter of Sultan Abdulhamid II; and Safiye, a schoolteacher who instructed the grandchildren and harem ladies of Sultan Mehmed V.***

## Download Free Her Howling Harem 1 A Reverse Harem Romance

*Their recollections of the Ottoman harem reveal the rigid protocol and hierarchy that governed the lives of the imperial family and concubines, as well as the hundreds of slave women and black eunuchs in service to them. The memoirists show that, far from being a place of debauchery, the harem was a family home in which polite and refined behavior prevailed. Douglas Brookes explains the social structure of the nineteenth-century Ottoman palace harem in his introduction. These three memoirs, written across a half century and by women of differing social classes, offer a fuller and richer portrait of the Ottoman imperial harem than has ever before been available in English.*

*Lies and betrayal have cost her Ryder's love, and it's eating her alive, but Cassie's got a job to do. Looking back when she's got to plan for the battle ahead could prove deadly, and not just for herself. The Undercity of Milan is as corrupt as New York, and if she's to stop an all-out vampire war, she'll have to move mountains to mend fences. But in a world of ultra-powerful kings and queens who will destroy anyone who gets in their way, her heart might not be the only thing that winds up broken.*

*Four haunted men, and a death wish with my name all over it. My friends call me Sephy (short for Persephone). At seven I killed my first demon. It wasn't much, an accident really... but one taste of a demon kill and I was possessed. At thirteen, my hometown banished me. Still, I considered this ability a gift and not a curse, until my twenty-first birthday... when all Hell broke loose. Demonic spirits are crossing over into our world, promising terrifying things. They're targeting me and my piece of shit ex-*

## Download Free Her Howling Harem 1 A Reverse Harem Romance

*boyfriend, a damn cop who's been riding my case for the last two months, a friend who's broken my heart, and a brother of a girl I saved from a demon attack. Normally, I'm a look-on-the-bright-side kinda girl, but the bright side is getting darker, and demons are closing in. And the only hope of me surviving is to team up with these four guys, as long as the madness doesn't claim me first.*

*When escaping, one should make a plan. Someone should have told past-me that first... I also need to fix a little issue or four if I ever escape. 'Surprise, I have a caster for mate' wasn't exactly how I saw my wedding going. I also didn't see this. He betrayed me. Now that I've found my powers, you'd think I know what I'm doing. The betrayal among the wolves is worse than ever and I'm not sure how to end it. Add in that my past is catching up to me and I just have more questions. One problem at a time, I guess. So who's telling my mates about the new guy and how do I get rid of the bad guy once and for all? This is the third and final book in the Howling for Her Series.*

*Stolen by Her Wolves*

*Book Two*

*Walden*

*First Comes Wolves*

*Fated Mates Wolf Shifter Romance*

*Fate might have PMS and she's taking it out on me. I finally found my place, my mates, my pack, and I still can't believe my luck. Except that my luck is running out. If I understood my past, I might be able to lead the wolves into the future.*

## Download Free Her Howling Harem 1 A Reverse Harem Romance

Only my mom took that from me. The power of the pack revolves around me and someone else knows this too. It seems I'm just in time to see the unrest in the wolf shifter world growing. Rogues are attacking pack lands and I have a front row seat. My mates swear to protect me, but what if I'm not the one that needs to be protected? The secrets of my past just keep unraveling. Bereft of her family, carrying her attacker's child, and no stranger to the grey clouds of desolation, Ana meets five men whose secrets are the harbingers of the biggest challenge of her life. Struggling to navigate the relationships she cannot help but find herself in, Ana realizes just how far she will go for the family who found her. The five wolves who run Makeshift Mile, a rescue farm-cum-juvenile shifter rehabilitation center in the middle of the woods, must reconcile the existence of their very human mate with the regulations that have kept supernatural society safe from meddling humans. When she arrives, awkward and pregnant, it's more than just her humanity that disturbs the peace that has been maintained by the supernatural clans. When a secret is revealed, the largest controversy in the last century begins, and the wolves and their woman must decide

## Download Free Her Howling Harem 1 A Reverse Harem Romance

how best to navigate the sacrifices required to keep their new family safe--rules be damned. Makeshift is part one of three-part series, ending in a mild cliffhanger. This is a reverse harem/why choose novel, which means the main character does not have to choose between the men (wolves). If polyamory ain't your thing, feel free to move right along! Trigger/adult content warning violence, non-explicit references to sexual assault, talk about mental health issues including suicide attempts, explicit consensual sex scenes between the FMC and her harem, as well as M/M scenes between some of the men.

Four sexy wolves stand between me and my sworn enemy. I can join them at Werewolf Academy... or die. After my parents die in a fire, the Darken pack comes to town. The werewolves are here for one thing: me. The Darken made a promise to keep me safe, and I need their protection more now than ever before. It turns out that my family has been keeping a secret from me my entire life: I'm a werewolf--a powerful one--and my life is in danger. The only place where I'll be safe is at Werewolf Academy, a boarding school for shifters like us. I feel an unnatural pull to Aiden, Colton, Rhys, and Theo, the hot Alpha of the pack

## Download Free Her Howling Harem 1 A Reverse Harem Romance

who wants to claim me as his own. The only problem? One hint: It's not that my magic is so strong I'm freaking out my Lunar Magic 101 professor. I'm mated to all of them. Hidden Alpha is a YA paranormal academy/reverse harem romance. Recommended for ages 17+.

When librarian Stevie Price goes out with some friends on New Year's Eve, she never expects to come home on the back of a motorcycle with four sexy demons who claim they're her new protectors. And she DEFINITELY doesn't expect to be hunted by a crazed she-devil named Luci who wants her dead. But she's not going down without a fight. Now, if she can just stop herself from falling in love with Damon, Lachlan, Matteo AND Rex? Maybe she's got a chance in hell of surviving this mess... The Succubus Chronicles is a racy supernatural series, jam-packed with romance and suspense featuring alpha heros and the women who love them. For readers of urban fantasy and fun, paranormal romance!

Wicked Heat

Wedding the Wolf

Third Comes Mates

*Charlotte Brontë made a daring choice for her 1847 novel.*

## Download Free Her Howling Harem 1 A Reverse Harem Romance

*Jane Eyre possesses neither the great beauty nor entrancing charm that her fictional predecessors used to make their way in the world. Instead, Jane relies upon her powers of diligence and perception, conducting herself with dignity animated by passion. The instant and lasting success of Jane Eyre proved Brontë's instincts correct. Readers of her era and ever after have taken the impoverished orphan girl into their hearts, following her from the custody of cruel relatives to a dangerously oppressive boarding school and onward through a troubled career as a governess. Jane's first assignment at Thornfield, where the proud and cynical master of the house harbors a scandalous secret, draws readers ever deeper into a compelling exploration of the mysteries of the human heart.*

*"Anna Leonowens has been a historical puzzle. Susan Morgan establishes a solid ground for our understanding of this intriguing writer who became famous in our time thanks to a Broadway musical. Her life and contributions as a writer, a humanist, and a 19th century feminist were far richer beyond being the 'I' with the King."—Thongchai Winichakul, author of Siam Mapped: A History of the Geo-Body of a Nation*

*"With extraordinary detective work, Susan Morgan uncovers the real tale of a brilliant and dynamic traveler who cut ties to her past history and fabricated the story of her life that has found its way into legend. In lovely and graceful prose, she uses this story to help us understand patterns of national and international life."—Allan M. Winkler, author of Franklin D. Roosevelt and the Making of Modern America*

*"With sensitive writing and meticulous research, Bombay Anna offers the first comprehensive biography of Anna Leonowens, the 'I' in The King and I, which gave my father, Yul Brynner, his signature role. The details of her self-invention are only part of the revelation Susan Morgan provides; she also paints a masterful portrait of the Britain's Raj and its colonial hegemony in Southeast Asia. It is a fascinating read." —Prof.*

*Rock Brynner, author of Yul: The Man Who Would Be King  
Reprint of the original, first published in 1867.*

*Go camping, they said. It'll be fun, they said. Relaxing on Lake Travis, drinking beer, and stuffing my face with smores, was what I was hoping for. You know what they say about the best laid plans. I've caught the eye of four sexy men, though, I think they might be a few fries short of a Happy Meal. They are spewing all kinds of crazy about being werewolves and how I'm one of them. Maybe they aren't the only insane ones. Between that and the unexplainable things happening when I'm around them, I think it's safe to say sanity has left the building. Now, Cayden, Barrett, Liam, and Wyatt are taking me on what was supposed to be a road trip to figure out my past. Problem is, theirs isn't the only eye I've caught. Author's note: Since this is a series, the book does end in a cliffhanger. Don't worry, we will be putting up the second book for pre-order very soon!*

**All I want for my birthday is to find my magic and maybe get my first kiss. But that's pretty hard to do**

when rumors fly around that my girly bits are cursed. For years I've lived among witches, always looking in and never quite belonging. For most of my life, my aunt cared for me, raised me, and hid me from the world. My world. Until she can't anymore. My mates have found me. All three of them. If these wolf shifters claim that I am theirs, that can only mean one thing-I'm not a witch, I'm a wolf shifter too. How could my aunt have hidden this from me? How can I go from off limits, a perpetual virgin, to being handed over to not just one, but three wolves? For once, I feel like I belong. Leaving my old life behind seems like a small price to pay for an eternity of happiness.

Cassie's had some pretty close calls in her life, but now that she's gotten her official bad-ass badge as an integral part of the Old Guard, she feels sort of invincible. That doesn't seem to keep anyone from trying to prove otherwise, though, because everyone wants a piece of her. The King of Hearts needs her help, even while the resistance tries to sway her, and the Old Guard has its own plans for her. And then, there's Ryder. Sexy, strong, stubborn Ryder, who will accept no less than everything, including the one piece of Cassie she's not sure she can bear to offer any man...

Cassie's had a rough few months. Being a vampire came with its own risks. Being a con-artist vampire was even tougher. Being forced to fake one's own death to keep from getting thrown in the slammer or

Can Arianna, Anton, Luke and Ethan save the missing piece of their pack before it's too late? Or will they all wind up victims of a mad-man with a diabolical plan? \*This is a reverse harem romance and contains love scenes with more than one partner.

## Download Free Her Howling Harem 1 A Reverse Harem Romance

To be werewolf is to claim power—if you're male. Females are expected to be breeders. They're also rare and therefore highly sought after. But none are as coveted as the Lost Princess of Howling Sky. With her tremendous moonlight, she will end the Prime War by becoming the mother of an unstoppable generation. Werewolves will rise. Vampires and humans will fall. “This is for you, Princess Sorissa,” Babaga murmured as she took my hands and placed the parcel in them. It felt like the weight of a book. A damn fairytale. “Let me stay,” I begged. “Whatever I did wrong, I’ll fix it. Please, Babaga. Please.” “This is out of my control. The deal was struck when I first took you in. You no longer have a place in these woods. You never belonged to me. I have fulfilled my end of the bargain, and the deed is done.” \*\*\*This series is perfect for readers who love high fantasy, spicy why-choose LGBTQ romance, and werewolves. “Having begun my book with the statement that Morocco still lacks a guide-book, I should have wished to take a first step toward remedying that deficiency. But the conditions in which I travelled, though full of unexpected and picturesque opportunities, were not suited to leisurely study of the places visited. The time was limited by the approach of the rainy season, which puts an end to motoring over the treacherous trails of the Spanish zone. In 1918, owing to the watchfulness of

German submarines in the Straits and along the northwest coast of Africa, the trip by sea from Marseilles to Casablanca, ordinarily so easy, was not to be made without much discomfort and loss of time. Once on board the steamer, passengers were often kept in port (without leave to land) for six or eight days; therefore for any one bound by a time-limit, as most war-workers were, it was necessary to travel across country, and to be back at Tangier before the November rains"--Pref.

Leon I earned my reputation among magicians for a reason: one wrong move and you're dead. Killer, they called me, and killing is what I'm best at. Except her. The one I was supposed to take, the one I should have killed - I didn't. The cult that once controlled me wants her, and I'm not about to lose my new toy to them. Rae I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient - something evil - is waking up and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body - he wants my soul.

Her Soul to Take is book 1 in the Souls Trilogy. Although all the books are interconnected, they are stand-alone and can be read in any order.
