***A comprehensive guide to safeguard your livelihood, income, and standard of living through the ups and downs of any economy. Most Americans, no matter what their economic circumstances, identify themselves as middle class. A recent Gallup poll showed that 63% consider themselves upper-middle or middle class. And they are feeling burned out and squeezed, under pressure to bring home more and more money just to maintain their standard of living. Middle Class Lifeboat is an answer to that pressure, a comprehensive guide to living a more stress-free lifestyle. Part I: Safeguarding Your Livelihood: profiles the 53 best jobs to have to be self-sufficient whether the economy is up or down. Part II: Safeguarding Your Income: 6 ways to extend your earnings, that don't always involve money. Part III : Safeguarding Your Standard of Living: 10 off-the-grid lifestyle choices to increase your quality of life***

Looks at the cinematic art of mainland China, Hong Kong, and Taiwan discussing the creativity of Chinese film, and exploring the intertwined traditions of the three regions and their influence on movies.

Fully updated, this irreverent guide to the City of Angels focuses on both the major tourist destinations as well as lesser-known gems and curiosities. A colour photograph section brings the city's highlights to life, from the Hollywood Hills to Santa Monica Boulevard. Each chapter gives detailed coverage of each area's attractions, from accommodation and restaurants to galleries, shops, sports activities and child-oriented diversions. There are also feature articles on such subjects as Hollywood, LA on film, architecture and LA people.

(Applause Libretto Library). Book by Burt Shevelove and Larry Gelbart Introduction by Larry Gelbart "This brazenly retro Broadway musical, inspired by Plautus, is as timeless as comedy itself." Vincent Canby, The New York Times "The most urbane and literate musical comedy text ever conceived." John Simon, New York magazine

Popular Science gives our readers the information and tools to improve their technology and their world. The core of Popular Science and our readers share: The future is going to be better, and science and technology are the driving force that will help make it better.

This book is a unique first-hand account - by Jana Sanskriti's artistic director Sanjoy Ganguly - of the group's growth and development since its founding in 1985. Jana Sanskriti's work has resulted in an Indian Forum Theatre network consisting of Augusto Boal to be the chief exponent of his methodology outside of its native Brazil.

[A] long overdue retrospective of the major playwrights, theatre companies, and professional organizations which have shaped the children's theatre movement in this country. . . . Part One of McCaslin's book is a historical overview of the signs and changes which have characterized children's theatre and influenced the art and craft of playwriting. . . . Part Two of McCaslin's guide, contains an alphabetical listing of over 350 educational, community, and commercial theatre companies, as well as national and regional organizations--some no longer operating--which have made children's theatre the main focus of their work. . . . Several appendixes augment the usefulness of this altogether practical and meticulously researched book. Children's Literature Association Quarterly An authoritative reference for children's theater professionals, educators, and enthusiasts, McCaslin's historical guide will be frequently used in public, college, and university libraries. ARBA Those associated with children's theater in any way will want to study this book thoroughly and keep it as a handy reference. Thanks to Nellie McCaslin, the history of children's theater can take its rightful place beside all other theater history. Professor McCaslin, a leading authority in the field, examines the history of the companies and organizations that strive to bring live theatrical entertainment to children from 1903, beginning with a theater founded by a settlement house on the Lower East Side, to the present day. She begins with an overview of children's theatre history. The main text consists of alphabetically arranged profiles of both early and current producing companies and associations that have made a significant contribution to the field. Appendixes to the volume supply a Personalities Roster, a Geographical Index, and a Chronology of Events significant in the history of the children's theatre movement.
