For the last half century, since 1945 when they won their last pennant, the Chicago Cubs have often been characterized as "lovable losers." The Cubs set a record for consecutive second division finishes, 20. The Cubs have won 16 pennants, set the one-season major league record for victories, 116 in 1906, and are the only charter member of the National League to play in the same city, 121 years without interruption. The Chicago Cubs Encyclopedia offers readers: over 500 photographs,

*multidisciplinary approach to cancer and aging With the majority of cancers occurring in individuals over the age of 65 against a backdrop of an expanding aging population, there is an urgent need to integrate the areas of clinical oncology and geriatric care. This timely work tackles these issues head-on, presenting a truly multidisciplinary and international perspective on cancer and aging from world-renowned experts in geriatrics, oncology, behavioral science, psychology, gerontology, and public health. Unlike other books on geriatric oncology that focus mainly on*
