

## Kia Sportage 2000 Manual Transmission User Guide

*As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, 'fess up."*

*The E-Type Jaguar has been described on countless occasions as one of the most beautiful cars in the world. Over the years it has built a reputation amongst Jaguar enthusiasts and classic car collectors for being the ultimate classic to own. If you are lucky enough to own one and are planning to undertake the restoration work by yourself, this manual will take you through the full nut-and-bolt restoration of a very early example, E-Type Jaguar Chassis No 60. Restoration experts from the world's premier Jaguar restoration company, Classic Motor Cars Ltd, have written each chapter, giving you a first-hand account of the process.*
