Each season Ladur é e celebrates this little round cake that's crispy outside and soft inside, a perfect balance of aromas and textures, by creating new flavors. .Laduree's tips for cooking, entertaining, decorating and lifestyle for every day of the year .Easy-to-make recipes, quotes and proverbs to accompany you throughout the year .A section called "Did you know?" for discovering, learning or remembering! .Includes a charming macaroon bookmark which keeps your page and marks your dates The story of Laduree started in 1862 when Louis Ernest Laduree opened a bakery in the heart of Paris at 16 rue Royale. In 1872, following a fire, the little bakery became a pastry shop and the decoration was then done by Jules Cheret, a famous painter and poster designer of the time. Jeanne Souchard, Ernest Laduree's wife, then had the idea of combining the Parisian cafe with a pastry shop, thereby creating one of Paris' first tearooms. In 1993 Laduree was bought by Francis and David Holder and became one of the best-known gourmet addresses in Paris, a veritable institution with its famous "macaroon" as its emblem. In 1997 Laduree opened a tea-room/restaurant on the prestigious Champs-Elysees, followed by another in the Printemps department store and on the Left Bank as well as the beginning of their international adventure with branches in London, Geneva, Monaco and Tokyo. A perfect companion to slip in your purse, the book shares Almanac Laduree's tips and secrets, day by day. It includes over 100 quotes from renowned authors, as well as 30 simple, typical, sweet and savory Laduree recipes. It also includes more than 200 tips for cooking, table decoration, interior design, beauty and lifestyle."

The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it "tells you what's beautiful, what's fun, and what's just unforgettable— everywhere on earth." And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.

Food Trails

The Great Book of Chocolate

Created by France's most respected food writer and critic, Gilles Pudlowski, the Pudlo Paris guide to restaurants, cafes, bars, and gourmet shops is now available in English for the first time in its 17-year history. The Pudlo is considered by discerning Parisians as the most informed, sophisticated, and up-to-date restaurant guide published today. Organized by arrondissement, the guide describes almost 1,000 restaurants in every neighborhood of Paris, ranging from Grandes Tables—the paragons of the French culinary scene—to restaurants that give unusually good value for the price. The Pudlo also lists almost 300 bars, pubs, wine bars, tea salons, and cafes. And—a priceless bonus for the culinary traveler—descriptions of almost 300 specialty gourmet shops. Gilles Pudlowski has singled out 21 of his personal favorites; 185 restaurants in settings of historical significance; 93 establishments he judges as giving especially good value for price; and 144 places where a meal costs less than 30 euros. You'll also find a Listing of Establishments by Rating and an alphabetical index singling out establishments with terrace or garden, those open on Sunday, and those open past 11 PM. Each review in the Pudlo is updated and rewritten annually by Mr. Pudlowski. The Little Bookroom will continue to be the English-language publisher worldwide for upcoming editions of Pudlo Paris as well as Pudlo France (to be published in March 2008).

In Pudlo Paris 2007-2008 you'll find: reviews of 32 Grand Restaurants—the paragons of the city's culinary scene; reviews of 965 Good Restaurants & Others—worthwhile venues in every neighborhood; and reviews of 41 of the top international restaurants. Short profiles of 313 Shops selling: Kitchenwares/Tabletop, Bread & Baked Goods, Wine, Cured Meat & Sausage, Chocolate, Candy/Sweets, Cutlery, Groceries, Cheese, Ice Cream, Fine Groceries, Books, Pastries, Fruit & Vegetables, Coffee, Regional Products, Prepared Food, Tea. Descriptions of 281 casual venues throughout Paris (“Rendez-vous”): Bars, Pubs, Wine Bars, Cafes, Creperies, Tea Salons, Brasseries. And, prized for being the most up-to-date of the restaurant guides, 141 venues make their first appearance in Pudlo Paris 2007-2008. Also noted: outdoor dining; open on Sunday; open after 11PM; children's menus; air conditioning; and all prix fixe and a la carte prices.

When Summer Corey takes over ownership of the Parisian restaurant where chef Luc Leroi works, their workplace clashes turn into private passions. Original.

The book that cracks the code, from the incomparable Patricia Wells. An acclaimed authority on French cuisine, Ms. Wells has spent more than 30 years in Paris, many as former restaurant critic for The International Herald Tribune. Now her revered Food Lover's Guide to Paris is back in a completely revised, brand-new edition. In 457 entries—345 new to this edition, plus 112 revisited and reviewed classics—The Food Lover's Guide to Paris offers an elegantly written go-to guide to the very best restaurants, cafés, wine bars, and bistros in Paris, as well as where to find the flakiest croissants, earthiest charcuteries, sublimest cheese, most ethereal macarons, and impeccable outdoor markets. The genius of the book is Ms. Wells's meritocratic spirit.

Whether you're looking for a before-you-die Michelin three-star experience (Guy Savoy, perhaps, or Restaurant Alain Ducasse au Plaza Athénée) or wanting to sample the new bistronomy (Bistrot Paul Bert, Le Comptoir du Relais) or craving something simple and perfect (L'As du Fallafel, or Breizh Café for crêpes), Patricia Wells tells you exactly where to go and why you should go there. You no longer have to rely on the iffy "reviews" of Yelp or Trip Advisor. Included are 40 recipes from some of her favorite chefs and purveyors and, of course, all the practical information: addresses, websites, email, hours, closest métro stop, specialties, and more.

With her passion for love and food, Chilli Montgomery is at a stage in her life when it seems life itself could not get much better: a happy marriage to her childhood sweetheart, and a successful business with her son in their restaurant. However, all is not as it

seems and Chilli is unprepared for what this next chapter of her life brings. In minutes, the world she once knew is shattered and nothing will ever be the same again. Not even her infatuation and adoration of food. Set against the backdrop of many phenomenal Queensland locations, with Paris weaving its magic in and out, on this gastronomic journey of indulgence you will enjoy every meal with the Montgomerys and be touched by their tears and laughter as they become a part of your life. Provides information on accommodations, restaurants, shopping, sights, and transportation in Paris, France.

In the middle of the twentieth century, Pierre Desfontaines, cousin of Louis Ernest Laduree, created the first Laduree macaron having the genius to stick two macaron cookies together and fill them with a flavorful ganache. Each season Laduree celebrates this little round cake that's crispy outside and soft inside, a perfect balance of flavors and textures, by creating new flavors. Each year the palette of flavors and colors grows, from the classic chocolate or raspberry to festive macarons, exotic flavours for certain destinations, fashion designers, perfumes etc. This book presents, for the first time, the eighty Laduree macarons, their aromas, inspirations, trend books and of course all of the recipes to make them at home. At the end of the book there is a practical, step-by-step section to show exactly how Laduree's chefs make the cookies and the ganache so you can be sure to succeed in making them too. Contents: Introduction: A little history of the macaron 80 Macarons: flavour by flavour, a trend book, inspirations and recipes for each; 1. Classic macarons (vanilla, cafe, chocolate, lemon etc); 2.
