Someone came between Lee and Leslie Strobel, threatening to shipwreck their marriage. No, it wasn't an old flame. It was Jesus Christ! Leslie's decision to become a follower of Jesus brought heated opposition from her skeptical husband. They began to experience conflict over a variety of issues, from finances to child-rearing. But over time, Leslie learned how to survive a spiritual mismatch. Today they're both Christians--and they want you to know that there is hope if you're a Christian married to a nonbeliever. In their intensely personal and practical book, they reveal:* Surprising insights into the thinking of non-Christian spouses* A dozen steps toward making the most of your mismatched marriage* Eight principles for reaching out to your partner with the gospel* Advice for raising your children in a spiritually mismatched home* How to pray for your spouse--plus a 30-day guide to get you started* What to do if you're both Christians but one lags behind spiritually* Advice for single Christians to avoid the pain of a mismatch All people have sinned and broken God's law. None of us are good (Rom. 3:10). And as a result of our sin, God commands us to repent. But what does repentance look like? In this booklet, Dr. R.C. Sproul looks at several people in the Bible and how they give us a model of repentance. Dr. Sproul explains that true repentance is not simply a religious ritual or the resolve to do better next time. Rather, it's a spiritual conversion in which we turn from our sin and to God in faith. The Crucial Questions booklet series by Dr. R.C. Sproul offers solid answers to important questions often asked by Christians and thoughtful inquirers. It's the bestselling book ever. It's been translated into more than 2,000 languages. It's changed people's lives around the world. No, it's not Thin Thighs in 30 Days . . . it's the Bible!Yet the Bible remains about as well-understood to many people as your typical software license agreement—and about as exciting. That's too bad, because the Bible is exciting, and it doesn't have to be a mystery.Whether you're new to the Bible and think the book of Job is a guide to finding the perfect career, or your rusty Bible knowledge needs a spit-and-polish, or you just want a fresh look at the book you've read so many times, this is the book for you. No dry theological treatise, it's written in an engaging, humorous style you will enjoy. In short, readable chapters, the authors first answer some basic questions: Who wrote the Bible? Is it accurate? How do you find your way around it? And how did Noah fit all those animals into the ark anyway? (Well, maybe not that, but there's still plenty of trivia in there.) Then they take you on a guided tour from Genesis to Revelation, summarizing important people, events, and themes. You'll get a good foundation for understanding and an excitement for reading this most important of books, the Bible."The title says it all! It's an inspiring trailer for the Best Book in the World. Read it front to back or just dip in—either way it does the biz."—Rob Lacey, author of the word on the street, actor and broadcaster

In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

Every girl is a beautiful creation, uniquely equipped by God to do His work in the world. But as girls are growing, changing, and making choices about the kinds of lives they will lead, they are bombarded with conflicting messages about what it means to be a woman. The media says one thing, boys say another, and friends seem obsessed with whatever is newest and coolest. As a result, girls too often hand their decisions over to those least qualified to make them. Into the breach steps Elizabeth George, bestselling author and beloved Bible teacher. With wisdom, gentleness, and tremendous grace, she guides tween girls ages 8 to 12 through the most challenging decisions they face, teaching them to let God--not the world--define who they are. Discussing such topics as attitude, friendships, crushes, parents, school, and avoiding bad situations, Elizabeth helps girls see that the very best choice of all is a choice to live within God's will. Perfect for individuals, small groups, and mentoring.

How do we know the Bible is God ’ s Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you ’ ve asked questions like these, then “systematic theology” is no abstract term. It ’ s an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem ’ s award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don ’ t need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It ’ s easy to understand--and it ’ s packed with solid, biblical answers to your most important questions.

Chapter by chapter, Graham leads us on a journey in faith. We learn about God and his purpose for our lives; who Jesus is and what he has done for us. We are reminded of the things God has given us to live successfully: the Bible, the privilege of prayer, fellowship and the church, and the Holy Spirit. We learn to deal with challenges along the way: temptation, wrong thoughts and motives, emotions that can defeat us, habits that destroy our spirit, and what to do when life turns against us. And we are given practical advice on knowing God's will, making right decision, strengthening our marriages, being wise parents, and using our gifts to share Christ with others. With insight that only comes from a life spent with God, The Journey is filled with wisdom, encouragement, hope, and inspiration for anyone who wants to live a happier, more fulfilling life.

In the section entitled “Concerning the Service of the Church,” the Book of Common Prayer identifies the normative services of the Episcopal Church: The Holy Eucharist, the principal act of Christian worship on the Lord’s Day and other major Feasts, and Daily Morning and Evening Prayer, as set forth in this book, are the regular services appointed for public worship in the Church. (BCP, 13) Eucharistic prayers (collects, Scripture readings, and proper prefaces) are provided in the Book of Common Prayer for the days when the Eucharist is the principal service. The Calendar section at the front of the Prayer Book identifies these eucharistic feasts by placing

them into three categories, ranked by priority: Principal Feasts, Sundays, and Holy Days. Normatively, on all other days, Morning and Evening Prayer are the Church's official public services. However, as celebration of the Eucharist has become more frequent, many congregations and other communities of faith now celebrate weekday Eucharists on days for which the Prayer Book does not assign propers. The Prayer Book provides a range of possible options for the celebration of the Eucharist on these ferial or non-feast days. These options include the celebration of: • a Major Feast that has fallen elsewhere in the week (BCP, 17); • a commemoration listed in the Calendar (BCP, 18); • a commemoration not appointed in the Church's Calendar by using the Common of Saints (BCP, 18); • an Ember Day or Rogation Day (BCP, 18); • the season, by using the propers of the preceding Sunday (BCP, 18); • the weekdays of Holy Week and Easter, by using the propers appointed in the Book of Common Prayer; • an occasion provided for in the propers for Various Occasions (BCP, 18). In addition, since 1979 Lesser Feasts and Fasts has appointed weekday propers for seasons of the church year, and when Holy Women, Holy Men was authorized in 2009, it included those seasonal propers. To facilitate the use of these authorized options, this resource contains weekday propers for the seasons of the Church Year (the temporal cycle), the Common of Saints (the sanctoral cycle), and Various Occasions from the Prayer Book and from resources authorized since the adoption of the Prayer Book. The propers in this resource are grouped into three sections by type for the temporal cycle, the sanctoral cycle, and various occasions.

Ken Sande, author of the bestselling classic The Peacemaker, has long been a trusted resource on the topic of conflict resolution. In Resolving Everyday Conflict, Sande distills his message to the essentials, quickly equipping readers with the tools they need to bring peace to their relationships. Everyone encounters conflict--whether it be with a coworker, family member, friend, or complete stranger. And yet we all desire harmony in our relationships. Resolving Everyday Conflict is a practical, biblical, concise guide to peacemaking in everyday life that can turn tumultuous relationships into peaceful ones.

Tragic confrontations at schools throughout the past two decades are striking evidence that teens need help and training in peaceful conflict resolution. God knows each conflict a teen goes through--with their families, friends, and teachers--and he is in control. In this student edition of The Peacemaker, Ken Sande and Kevin Johnson show teens, youth leaders, parents, and pastors, how they can apply biblical principles to conflict situations, allowing for forgiveness and reconciliation instead of hatred or violence. With an approachable style that treats teens with respect, this much-needed resource can be used individually or as part of a small group or youth group study.
