

Magic Eye 2017 Wall Calendar

New York Times bestselling author Cora Carmack's young adult debut: Roar. In a land ruled and shaped by violent magical storms, power lies with those who control them. Aurora Pavan comes from one of the oldest Stormling families in existence. Long ago, the ungifted pledged fealty and service to her family in exchange for safe haven, and a kingdom was carved out from the wildlands and sustained by magic capable of repelling the world' s deadliest foes. As the sole heir of Pavan, Aurora's been groomed to be the perfect queen. She' s intelligent and brave and honorable. But she' s yet to show any trace of the magic she' ll need to protect her people. To keep her secret and save her crown, Aurora' s mother arranges for her to marry a dark and brooding Stormling prince from another kingdom. At first, the prince seems like the perfect solution to all her problems. He' ll guarantee her spot as the next queen and be the champion her people need to remain safe. But the more secrets Aurora uncovers about him, the more a future with him frightens her. When she dons a disguise and sneaks out of the palace one night to spy on him, she stumbles upon a black market dealing in the very thing she lacks—storm magic. And the people selling it? They' re not Stormlings. They' re storm hunters. Legend says that her ancestors first gained their magic by facing a storm and stealing part of its essence. And when a handsome young storm hunter reveals he was born without magic, but possesses it now, Aurora realizes there' s a third option for her future besides ruin or marriage. She might not have magic now, but she can steal it if she' s brave enough. Challenge a tempest. Survive it. And you become its master.

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Jeffrey Brown's reimagining of the Star Wars universe has delighted adult fans and young Jedi alike. This new adult coloring book is equally fun to share, featuring a careful translation of artwork from the bestselling Darth Vader and Son™ series to a large-format collection on crisp white paper, plus nine new images to color.

A Breath of Magic is a guide for magicians that are wanted and needed in the world to make a difference. Easy breathing instructions are included, and no batteries are needed. Our breath is the active ingredient of magic that manifests our wishes. The living message of this book is that magic is tangible when you breathe and merge with nature. For when you do, watch out, your world will transform just as the identical twins Nicholas and Gabriellas did one day after school. Their parents are struggling working two jobs each to make ends meet. George T., their neighbor and an illustrious retired professor, watches over them and walks them home on their last day of school and introduces them to the energy of nature and much more. They are initiated and are led to more experiences of its power that they find within themselves. The energy awakens their senses and inner core to a memory of the powerful magic that is theirs and that sparks its magical presence within their hearts. Their loving energy weaves their journey into a colorful tapestry, each thread displaying their inner wisdom, where through their hearts breath, they become the sole creators and true healers of their world.

Find out what's going on any day of the year, anywhere across the globe! The world's datebook, Chase's is the definitive day-by-day resource of what America and the wider world are celebrating and commemorating. Founded in 1957 on a reputation for accuracy and comprehensiveness, this annual publication has become the must-have reference used by experts and professionals for more than fifty years. From celebrity birthdays to historical anniversaries, from astronomical phenomena to national awareness days, from award ceremonies and sporting events to religious festivals and carnivals, Chase's is the one-stop shop for everything that is happening now or is worth remembering from the past. The 2017 Edition of Chase's Calendar of Events brings you information about: The 500th anniversary of Martin Luther's Ninety-Five Theses The 150th anniversary of the Dominion of Canada The 100th anniversary of the Russian Revolution The 100th anniversary of splitting the atom The 50th anniversary of the Summer of Love Frank Lloyd Wright's 150th birth anniversary and much more!

Seven days have passed since the start of the Daihasei Festival, one of the biggest events of Academy City. Everyone is participating--Seiri Fukiyose is helping coordinate the games, Komoe Tsukuyomi dresses for the part as she cheers for her students, and of course, famous Mikoto Misaka is blowing away the competition. Even Kamijou has appearances! But a shadow has fallen across the celebrations: The Croce di Pietro. This magical artifact threatens the livelihoods of everyone Kamijou holds dear so he dashes off to try and bring Academy City back from the brink. But Oriana Thompson, the magician known as Route Disturb, and the Roman Catholic Church are determined to bring the bastion of science to its knees. Kamijou is going to need all the help he can get-and some luck for once wouldn't hurt!

"A little gem of a book filled with Furie's fabulous approach to practical magic. Bursting to the brim with easy-to-make recipes for all manner of seasonal goodies, Supermarket Sabbats will have you reaching for the bookcase as every Sabbat approaches."—Kristoffer Hughes, author of The Book of Celtic Magic Enhance Your Sabbat Celebrations with Practical and Fulfilling Kitchen Witchery Celebrate the Wheel of the Year and the Wiccan sabbats with recipes, spells, and rituals prepared using ingredients easily found at the supermarket. This book features a complete year's worth of magical practices that are just as effective when done with common items as rarer ones. Organized by season, Supermarket Sabbats presents seasonally relevant magic, from formulas and correspondences to a full ritual for each of the eight sabbats. Discover how to banish negativity and make prosperity brews. Cast blessings of love and abundance, create magical protections and family crafts, and explore many more ideas that build upon the energies of the sabbats. Michael Furie combines ancient knowledge and traditions with twenty-first-century methods, providing you with the best of both worlds. Praise: "Michael Furie has a gift for bridging the magical and the mundane. He captures the true essence of each season and reflects a marvelous array of techniques for harnessing and activating that essence in magical practice."—Tiffany Lazic, author of The Great Work

Every Day Magic - A Pagan Book of Days contains 366 spells, rituals, meditations, Pagan prayers, divinatory techniques, poems to read and recipes and craft projects to try out, along with the details of festivals that take place throughout the year. All the activities are intended to be easy to follow so you can pick up the book, open it to a day and find something you can do. There are festivals from the ancient world and modern Pagan celebrations as well.

Magic Right Before His Eyes

Alright guys? It's me, Arron. Or as some people call me, 'that guy with the phone, the skinny jeans and the really fat head'. In a world that seems to be freefalling without a parachute towards utter chaos, I'm here to remind you that when life gives you lemons, make lemonade. No, in fact, when life gives you lemons, make a fool out of yourself in the lemonade aisle. Because there's more to life than Brexit, Bake Off and banging on about being vegan. Yes, with this book - which is my take on the world - you will learn how to survive a proper lads' holiday, become a master in the art of takeaway ordering and find out about the pitfalls of seriously inappropriate tattoos. So do yourself a favour: turn off the news, cancel that juice cleanse, open your eyes to the brilliant, hilarious world we live in and most importantly . . . buy this book. SEE YA LATER! Arron x *Actually, don't do exactly that, that's my thing.*

An NPR Best Book of 2017 Celebrate the witchiest women writers with an inventive guidebook that pairs imaginative vignettes with whimsical, folkloric illustrations. Literary Witches reimagines visionary writers as witches: both are figures of formidable creativity, empowerment, and general badassery. Through a series of thirty lyrical portraits, Taisia Kitaiskaia and Katy Horan honor the witchy qualities of well-known and obscure authors alike, including Virginia Woolf, Mira Bai, Toni Morrison, Emily Dickinson, Octavia E. Butler, Sandra Cisneros, and many more. Perfect for both book lovers and coven members, Literary Witches is a treasure trove of creative and courageous women who aren't afraid to be alone in the woods of their imagination. Kitaiskaia and Horan conjure evocative, highly stylized depictions of history's most beloved female authors, introduce enchanting new writers, and invite you to rediscover the magic of literature.

*An alpha always puts his pack first. Detective Silas Flynn wants revenge. Since the day Alex Bloodright murdered his parents, he’s made it his mission to bring the rogue werewolf to justice. With information obtained from his ex-girlfriend, Soleil, the madam of the local bordello, he’s closer than ever to neutralizing Alex for good. When he’s unexpectedly assigned a new partner, Silas fights the decision, but he can’t dissuade Detective Meredith Turner. The feisty redhead claims she has reasons to want revenge on Alex too. To complicate things, Silas’s wolf takes an unusual interest in her. As he closes in, it becomes apparent that someone on the inside is helping Alex. Stopping him will force Silas to question everything, including his ability to be the alpha fate has demanded him to be. *** Topics: werewolf romance book series, paranormal romance shifters series, urban fantasy series with sex, magic, fantasy romance, werewolf books, shapeshifters, shifters, new adult paranormal romance, shape shifters, steamy, romance series, HEA, Genevieve Jack, Fireborn Wolves Series, Genevieve Jack Knight Games series, magic, love, top shifter books, bestselling wolf shifter books. first in series, werewolf romance series, romance saga, romantic suspense, paranormal romance, shifter romance, romance ebook, romance series, top romance reads, bestselling, fantasy romance, paranormal elements, contemporary fantasy, urban fantasy, strong heroine, alpha hero, steamy romance, romance fiction, top ebooks in romance, top ebooks in paranormal, romance books, romance, award winning author, USA Today bestselling author Perfect for fans of Kresley Cole, Christine Feehan, Rebecca Zanetti, Alisa Woods, Darynda Jones, Dannika Dark, Mac Flynn, Mandy M. Tame anxiety and take back control of your life with this no-f*cks-given guide from the bestselling author of The Life-Changing Magic of Not Giving a F*ck and Get Your Sh*t Together. Do you spend more time worrying about problems than solving them? Do you let unexpected difficulties ruin your day and do "what ifs" keep you up at night? Sounds like you need to Calm the F*ck Down. Just because things are falling apart doesn't mean YOU can't pull it together. Whether you're stressed about sh*t that hasn't happened yet or freaked out about sh*t that already has, the NoWorries method from "anti-guru" Sarah Knight helps you curb the anxiety and overthinking that's making everything worse. Calm the F*ck Down explains: The Four Faces of Freaking Out—and their Flipsides How to accept what you can't control Productive Helpful Effective Worrying (PHEW) The Three Principles of Dealing With It And much more! Find even more calm with the Calm the F*ck Down Journal.

Exploring the world on today's modern adventure motorcycles offers the opportunity to see some of the most spectacular corners of the globe. In this stunning calendar, photographers Albert Lara and Naomi Tweddle have captured incredible vistas from mountain tops, desert floors, and coastal roadways. These remote destinations were visited by adventure motorcycles, which are some of the most capable off-road vehicles in existence. Whether you love motorcycles, travel, or remote places, this visually captivating calendar is sure to provide a full year of inspiration.

Jenna Black returns to the quarantined city of Philadelphia, where an unsuspecting seventeen-year-old has unknowingly unleashed a dark power that transforms the city into a monstrous hellscape in Night Magic. Philadelphia is locked in the grip of an evil magic that transforms its streets into a nightmare landscape the minute the sun sets each night. While most of the city hunkers down and hopes to survive the long winter nights, Becket Walker is roaming the darkened streets having the time of her life. Once, the guilt of having inadvertently let the night magic into the city—and of having killed her onetime best friend—had threatened to destroy her. But now she’s been Nightstruck, and all her grief and guilt and terror have been swept away—along with her conscience. So what if she’s lost her friends, her family, and her home? And so what if her hot new boyfriend is super-controlling and downright malevolent? Mesmerized by the power and freedom of not having to care about anyone but herself, Becket is sinking ever deeper into the night magic’s grasp. But those who love her refuse to give up on her—even if she’s given up on them. If they can’t find a way to help Becket break the night magic’s hold, the entire city might soon find itself shrouded in perpetual night. But the last thing Becket wants is to be “rescued” from her brand new life, and she will fight tooth and claw to stay exactly where she is.

NATIONAL BOOK AWARD WINNER • NATIONAL BESTSELLER • From one of America's iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then complete septic shock. She was put into an induced coma and placed on life support. Days later—the night before New Year's Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion' s attempt to make sense of the “weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself.

A breathtaking, enchanting new series by debut author Jessica Townsend, about a cursed girl who escapes death and finds herself in a magical world—but is then tested beyond her wildest imagination. Morrigan Crow is cursed. Having been born on Eventide, the unluckiest day for any child to be born, she's blamed for all local misfortunes, from hailstorms to heart attacks--and, worst of all, the curse means that Morrigan is doomed to die at midnight on her eleventh birthday. But as Morrigan awaits her fate, a strange and remarkable man named Jupiter North appears. Chased by black-smoke hounds and shadowy hunters on horseback, he whisks her away into the safety of a secret, magical city called Nevermoor. It's then that Morrigan discovers Jupiter has chosen her to contend for a place in the city's most prestigious organization: the Wondrous Society. In order to join, she must compete in four difficult and dangerous trials against hundreds of other children, each with an extraordinary talent that sets them apart--an extraordinary talent that Morrigan insists she does not have. To stay in the safety of Nevermoor for good, Morrigan will need to find a way to pass the tests--or she'll have to leave the city to confront her deadly fate. This fast-paced plot and imaginative world has a fresh new take on magic that will appeal to a new generation of readers.

The Wonder Weeks reveals what's going on inside baby's mind. Including a bonus chapter with everything about the relationship between sleep and leaps, as well as unique insight into your baby's sleeping behavior. The book includes:
* Week-by-week guide to baby's behavior* When to expect the fussy behavior, what this implies (cranky, clingy, crying (the three C's) behavior) and how to deal with these regression periods (leaps)* A description from your baby's perspective of the world around him and how you can understand the changes he's going through* Fun games and gentle activities you can do with your child* Unique insight into your baby's sleeping behaviour The book is based on the scientific- and parental-world-changing discovery of a phenomenon: all normal, healthy babies appear to be more fussy at very nearly the same ages, regression periods, and sleep less in these phases. These age-related fluctuations in need for body contact and attention (regression periods) are related to major and quite dramatic changes in the brains of the children. These changes enable a baby to enter a whole new perceptual world and, as a consequence, to learn many new skills. This should be a reason for celebration, but as far as the baby is concerned these changes are bewildering. He's taken aback--everything has changed overnight. It is as if he has woken up on a strange planet. He needs you to guide him and understand what he is going through! Get ready to rediscover the world all over again with your baby... Bonus: Sleep, and the lack of sleep... that's something we all have to deal with when we have a baby. The bonus chapter includes everything about the relationship between sleep and leaps, as well as unique insight into your baby's sleeping behavior. Hint: did you know your baby learns (and there's a lot of brain activity) during those little, 'light' sleeps?

Pre-Incident Indicators of Terrorist Incidents

Supermarket Sabbats

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

There’s something really magical about a stereogram; in fact, these stunning designs practically come alive with movement. As they tease and surprise our brains, they teach us to look at things differently and make us aware of how our eyes play tricks on us. And, of course, they are simply beautiful to see. Through the power of illusion and the illustrator’s skill, meaningless patterns and hidden objects on a 2-D page take shape and pop out in full, glorious, clearly defined 3-D. Images that were flat gain amazing dimension. These incredible, colorful, artistic creations offer unbelievable motion and depth.

The Homeschool Planner for 1 Student – 42 Weeks of Undated Lesson Plan Pages is a one-stop organizer to help plan and document your homeschooling year. It is religious in nature (Christian), and is tailored to meet the needs of families who homeschool one child, up to 42 weeks in a school year. What if it was proposed to you that all your life had been built on misunderstanding and, perhaps, outright deception? Your vision of the world, the conclusions you had drawn from your experiences, your intended place are all thrust under the glaring light of question. Would you want to know the truth? Would you be courageous enough to face it? Or for that matter, is there such a thing as truth, or is it really left swinging in the breeze to be determined by individual preference? Can something be true for you and not for me? In this twenty-first-century world of ours, are you bold in your conviction of something being right (or wrong), or are you merely being narrow-minded and egocentric? In this book, we will open ourselves up to these questions, and the results may surprise you. You need only bring along an open mind and an open heart.

How to Control What You Can and Accept What You Can't So You Can Stop Freaking Out and Get On With Your Life

Sometimes Fairy Godmothers bite off more than they can handle... Guys and Godmothers Book 2 When Fairy Godmother Lilly Bloom gets her latest assignment, the rules send her into a minor panic attack. She must bring two people together—using as little magic as possible. Photographer Bruce Matthews has finally found someone who really, really gets him. He and laugh at the same jokes. There's just one thing—he's never actually seen her face to face. Her social media profile bears no picture. Much as Greta Vandecall yearns to leave her small town and meet her online prince charming, secrets chain her to the past and force her to hide her face from the world. Secrets she knows would destroy the friendship she values most seems to be the perfect way to meet face to mask. And in the excitement of the moment they connect in a very warm, real way. But cold, hard reality isn't far behind. And if Lilly fails, this time she'll lose her fairy godmother status. For good.

Celebrates the use of optical illusion in art, presenting the importance and uniqueness of such work, discussing such artists as Salvador Dalá, M.C. Sesher, and Istváan Orosz.

'Inspired', 'enthraling' and 'stylish' are just some of the words used to describe the first edition of Bearback. Now in paperback, Pat Garrod's remarkable story is set to be discovered by even more travellers.. Imagine jacking it all in, packing your life into a 41-litre pannier and riding into the sunset. Bearback is the story of two GPs who did just that, downing stethosco motorcycle, The Bear, to see the world. Across the deserts of Africa, over the mountains of the Andes, deep into the jungles of Indochina, and beyond the Arctic Circle: 100,000 miles through six continents and 64 countries. A circumnavigation of epic proportion and entirely unsupported, it was to become one of the longest journeys ever undertaken by a couple on or destined to change their lives forever. 'A remarkable journey. Searching, honest, uplifting' – Sir Ranulph Fiennes 'An inspired travelogue, dispelling the myth that remarkable journeys are out of your grasp' – National Geographic Traveller 'Belts along at a cracking pace. Stylish and good quality' – RIDE 'I didn't want this enthralling book to end. If you only read one travelogue this one' – Real Travel, Book of the Month 'We've all dreamed about it – quitting the job, packing up the house, and hitting the road for the adventure of a lifetime. Few do it, and even fewer do it as well as Pat Garrod' – Travel Africa Magazine

Now optioned as a TV series for HBO, with executive producer George R. R. Martin! An award-winning literary author enters the world of magical realism with her World Fantasy Award-winning novel of a remarkable woman in post-apocalyptic Africa. In a post-apocalyptic Africa, the world has changed in many ways: yet in one region genocide between tribes still blood has survived the annihilation of her village and a terrible rape by an enemy general wanders into the desert, hoping to die. Instead, she gives birth to an angry baby girl with hair and skin the color of sand. Grippd by the certainty that her daughter is different—special—she names her Onyesonwu, which means "Who fears death?" in an ancient language. It doesn't take long that she is physically and socially marked by the circumstances of her conception. She is Ewu—a child of rape who is expected to live a life of violence, a half-breed rejected by her community. But Onye is not the average Ewu. Even as a child, she manifests the beginnings of a remarkable and unique magic. As she grows, so do her abilities, and during an inadvertent vi learns something terrifying: someone powerful is trying to kill her. Desperate to elude her would-be murderer and to understand her own nature, she embarks on a journey in which she grapples with nature, tradition, history, true love, and the spiritual mysteries of her culture, and ultimately learns why she was given the name she bears: Who Fears Death.

SHE'S OUT OF TIME ... Zachary Van Buren is everything Wendy Jordan's been dreaming of ... literally. He's as gorgeous and compelling as the man in the dreams she's been having for years. Even more amazing, he's as cosmically drawn to her as she is to him. But reality isn't so dreamy: he's unhappily married to a jealous woman who wields some kind of hold over him. Fate, it seems, has derailed destiny. WILL SHE RUN OUT OF LUCK? But Destiny may just have a few tricks up her sleeve. Wendy faints in the house and finds herself back in time in a desperate race to thwart Zachary's grim fate. As she races against the calendar, she must unravel clues about murder, blackmail, and a dark obsession so she can free Zachary... and find a love for all time.

The mutual history of art, agriculture, and American identity as told through the theme of the harvest. The harvest has traditionally been a productive season, both on American farms and in its artists' studios. Before the early nineteenth century, the ideal of the Jeffersonian yeoman, singly cultivating a subsistence plot for family use, dominated the American imagination; after World War II, the advent of big agribusiness proved less immediately attractive for artists. In We Gather Together, Charles C. Eldredge examines the period in between—when many Americans were farmers and much of America was farmland. Organized in a series of case studies each devoted to a single crop, We Gather Together initially focuses on familiar commodity crops such as corn, wheat, and potatoes, and then expands to other yields by Native American harvesters and California floriculturists, as well as winter ice cutters and coastal seaweed gatherers. This novel history of agriculture and art traces parallel developments on land and canvas, highlighting breakthroughs in each field. Artists such as Winslow Homer, Doris Lee, and Georgia O'Keeffe are joined by innovators in agriculture, whether mechanical inventors such as Eli Whitney, John Deere, and Cyrus McCormick or genetic hybridizers such as Luther Burbank, W. Atlee Burpee, and Theodosia Shepherd. Surveying an astonishing amount of material and a wide range of paintings, prints, and other artworks from the nineteenth century to the mid-twentieth century, We Gather Together gorgeously demonstrates how the use of agricultural metaphors permeated American visual culture. The harvest, we see here, came to signify and dominate politics, poetry, and popular culture, ultimately representing a primary facet of American identity and nationhood.

Winner of the Booker Prize for The Famished Road, Ben Okri is widely regarded as one of the most important contemporary writers writing today. Featuring a substantial new interview with Ben Okri himself, a full bibliography of his creative work and covering his complete works, this is the first in-depth study of Okri's themes and artistic vision. Rosemary Gray explores Okri's career-long engagement with myth, Nigerian politics and culture, and with the environmental crisis in the age of the Anthropocene.

'It wasn't even a proper diary ... no dates or days or even 365 pages. But after this morning I'd be surprised to make it to the end of the week - so seven pages would be plenty. As we sat in the little courtyard listening to the gunfire in the streets below us, I started to write ... In the summer of 2014 a black plague swept across Syria, a killer cult spreading misery and murder. Sitting in the shade of the Pomegranate Tree, we met Dilvan, a young Kurdish girl. Through the pages of her diary, we follow her quest to find her family with a determination to fight, maybe even to die - but never to surrender.

Fireborn Wolves Book 3

Rob Gonsalves—master of magical realism—presents another mesmerizing picture book in his Imagine a... series, that will “stimulate wonder and imagination” (Booklist, starred review). Imagine a world where the sky becomes the Earth; where a waterfall freefalls to become dancing women; where you can cut mountains out of curtains, and ships sail into the sky. This amazing world is what Rob Gonsalves has created. His vision inspires and astounds—and he wants to share that vision with you. With stunning illustrations that stretch the limits of the imagination, this fourth installment in the Imagine a... series explores a world that is boundless and beautiful, inviting you to imagine a world of possibilities—to imagine this world.

There's a new deputy in town, and she's a law unto herself. Jeremiah Church is still aching for justice to be served after his father's murder. Though the killer has been caught, the authorities are no closer to knowing why the Churches were targeted—and if the family's still at risk. When Miah receives an anonymous letter hinting at a darker conspiracy, he decides it's high time he seeks justice on his own terms, with the help of his fellow Desert Dogs. Patrol Deputy Nicki Ritehey is new to Fortuity, and hoping to make a clean start for her and her son. Involved in the Church's case, she's kindled a friendship with Miah that's evolving into something more. But Miah is crossing lines with his personal vendetta, and Nicki's attraction is making it tough to tell right from wrong... Praise for the Desert Dogs series “Original and compelling. A rare treat. Those looking for an escape from the conventional should stop in Fortuity, Nevada, for a spell.”—RT Book Reviews (4½ stars) “An engrossing romantic thriller. McKenna’s deft plotting and endearingly flawed characters will keep readers coming back for more.”—Publishers Weekly “Gritty and compelling. Cara McKenna is a master at capturing realistic situations and characters.”—#1 New York Times bestselling author Maya Banks “Like a smooth shot of whiskey after a dry desert ride, Lay It Down quenched my thirst for wicked-hot romance. Cara McKenna knows how to write sexy-as-hell bad boys.”—New York Times bestselling author Jaci Burton

A young child shares why each month is special, from the winter chill in January and the spring breeze in March to the heat in July and colored leaves in September.

From bestselling author S. Usher Evans comes the first book in a young adult clean contemporary fantasy series filled with magical hijinks and mystery. Fans of Tamora Pierce and Sabrina the Teenaged Witch will get caught up in this brilliant series about a supposedly normal teenager who discovers she's magical—and that's just the start of her problems. At the start of her senior year of high school, Lexie Carrigan is focused on two things—getting accepted to the college of her dreams and keeping her sisters safe. But when Gavon's apprentice, James Riley, appears on the first day of school, all of Lexie's well-laid plans of having a normal senior year go out the window. James says he's there to learn, but Lexie doesn't trust him, and she refuses to make another colossal mistake like she did with Gavon. Despite her best efforts, an unlikely friendship blossoms in the sparring ring, and James proves an adversary unlike any she's faced before: one she understands. Magic and Mayhem is the sequel to Spells and Sorcery, a young adult contemporary fantasy from author S. Usher Evans. Series Order: Spells and Sorcery Magic and Mayhem Dawn and Devilry Illusion and Indemnity Praise for Spells and Sorcery "I've read a few of S. Usher's books, and, honestly, I think YA is where she shines." ????? "This story with it's mixing of teenage angst and magic discovery does it all perfectly." ????? "It keeps you guessing until things finally fall into place." ????? "A page turner for sure." ????? "[Lexie's] a very real girl with very real problems, when whomp! she has to figure out how not to screw up with magic as well." ????? The Magic in a Year

366 Magical Ways To Observe The Cycle Of The Year

Darth Vader and Family Coloring Book

Anyone who has ever walked through the gates at a Disney Park knows that there is a magical experience waiting to be had on the other side. All of the telltale signs are there: the sound of joyful music pipes across the promenade; the smells of popcorn and cookies waft through the air; and the colorful attraction posters depict all the wonderful rides and shows created for Guests by the Imagineers. Poster Art of the Disney Parks is a tribute to those posters, which begin telling the story of each attraction even before Guests have entered the queue area. Disney attraction posters have been an important means of communication since Disneyland began displaying them in 1956. Not only are they eye-catching pieces of artwork that adorn the Parks with flair and style, they are also displayed to build excitement and disseminate information about the newest additions to the Disney landscape. When the first attraction posters made their debut at Disneyland, one such piece of art proclaimed that Guests could have a “true-life adventure” on the Jungle Cruise. And in 2012 at Disney California Adventure, a poster announced the grand opening of Cars Land—the newest thrill-filled destination at the Disneyland Resort. Both of those posters are reproduced within this book, along with posters from every decade in between. As evidenced by the evolution of the attraction posters, art styles and design techniques have certainly changed over the years. These characteristics also differ from continent to continent. Posters from Tokyo Disneyland, Disneyland Paris, and Hong Kong Disneyland exhibit the nuances in presentation that give each Park’s pantheon of posters its signature look. But while artistic interpretations and color palettes may vary from Park to Park and from year to year, the spirit of Disney storytelling is a constant that ties them all together.
