Interview

Question Answer

I was 21 when I finished my University degree in Computer Visualization and Games. I was a freshman with no work experience in this field. I was looking for jobs in computer field, mainly

Where To Download Mechanical games

development, web
design or 3d
animation. It
was hard to get
1 interview; I
remember those
days when I use
to apply for
dozens of jobs
every day. I
have been to
countless online
job recruiters
