I thought it was time that someone addressed your big head and told you straight to your face that you’re not all that. Just because you have an Ivy league education doesn’t mean you’re the smartest man in the world. In fact, I’m not even sure if you would have gotten in if you didn’t have rich parents. Yes, I went there. Every woman doesn’t want to sleep with you and I’m sure you’re not even good in bed. And I’m someone that would know. From. Your Secret Not Admirer

It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow’s fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. It is morning in America, many years in the future. As the 22nd century approaches, the United States and Canada have been shattered by war and upheaval and have broken up into separate ethnic, racial, and political enclaves. On the east coast a crumbling, bankrupt and tottering United States government still holds a weak and impotent sway over a ragged collection of tattered states and cities, but life is chaotic and plagued with poverty, violence, and desperation. The entire Southwest, beginning with Texas and extending westward to southern California and north as far as Utah, has become the Spanish-speaking Mexican state of Aztlan. And in the Pacific Northwest, from northern California on up to Alaska, a brutal fascist and white supremacist dictatorship rules the Northwest American Republic. Colonel Donald Redmond of the Bureau of State Security (BOSS) is one of the Northwest Republic’s most ruthless and skillful political policemen. Then on a bright October morning he is called into the office of the State President, where he is given a top-secret assignment. A skeleton from the bloody and treacherous days of the revolution against America is about to emerge from the closet, and one of the most carefully guarded and suppressed mysteries of that revolution may become public knowledge. That long hidden truth may undermine the very moral and political foundations of the white supremacist state. A woman’s life hangs in the balance, but possibly even the fate a of a continent as well, as Donald Redmond and his partner Sergeant Nel plunge into the past and seek for the answer: who betrayed the Olympic Flying Column, and why? In The Hill of the Ravens, underground cult novelist H. A. Covington offers us a grim and chilling view of a future that may yet come to be.

Stand-In Saturday

A Standalone romcom. Book 2 in the Love For Days series)

This book underscores what we have long known—Gurganus stands among the best writers of our time. —Ann Patchett Through memorable language and bawdy humor, Gurganus returns to his mythological Falls, North Carolina, home of Widow. This first work in a decade offers three novellas mirroring today ’ s face-lifted South, a zone revolutionized around freer sexuality, looser family ties, and superior telecommunications, yet it celebrates those locals who have chosen to stay local. In doing so, Local Souls uncovers certain old habits—adultery, incest, obsession—still very much alive in our New South, a “Winesburg, Ohio” with high-speed Internet. Walls Town says of Gurganus, “No living writer knows more about how humans matter to each other.” Such ties of love produce hilarious, if wrenching, complications: “Fear Not” gives us a banker’s daughter seeking the child she was forced to surrender when barely fifteen, only to find an adult caregiver she might have invented. In “Saints Have Mothers,” a beloved high school volleyball disappears during a trip to Africa, granting her ambitious mother a postponed fate that turns against her. And in a dramatic “Decoy,” the doctor-patient friendship between two married men breaks toward desire just as a biblical flood shatters their neighborhood and rearranges their fates. Gurganus finds fresh paths in ancient tensions: between marriage and Eros, parenthood and personal fulfillment. He writes about erotic hunger and social embarrassment with Twain’s knife-edged glee. By loving Falls, Gurganus dramatizes the passing of Hawthorne ’ s small-town nation into those Twitter-nourished lives we now expect and relish. Four decades ago, John Cheever pronounced Allan Gurganus “the most technically gifted and morally responsive writer of his generation.” Local Souls confirms Cheever ’ s prescient faith. It deepens the luster of Gurganus ’ s reputation for compassion and laughter. His black comedy leaves us with lasting affection for his characters and the aching aftermath of human consequences. Here is a universal work about a village.
