

My Mom Is There

A funny, heartwarming picture book about the love between a mother and a child, written by master storyteller Sean Taylor and illustrated by David Barrow.

Discover this special ebook written and read by bestselling author and award-winning actress Julianne Moore! In My Mom Is a Foreigner, But Not to Me, Julianne Moore pays homage to all the Muttis, Mammias, and Mamans who are from another country. A foreign mom may eat, speak, and dress differently than other moms—she may wear special clothes for holidays, twist hair in strange old-fashioned braids, and cook recipes passed down from grandma. Such a mom may be different than other moms, but...she is also clearly the best. Vividly illustrated by Meilo So, this funny and heartwarming picture book about growing up in multiple cultures celebrates the diverse world in which we live. This version includes a read-along setting. If your device allows audio, you can listen along as Moore reads the story aloud!

All day there had been disasters - the water pot went all over the latest painting; the Little Princess fell off the seesaw and banged her knee; and worst of all, there was a monster under the bed that night. The castle had been ringing with the constant shout of 'I Want My Mum!'. And Mum always knew exactly the right thing to sort out the problem. But the next day, the incorrigible Little Princess is taken to play with the Little Duchess - and will she miss her mum? Not if she's having a lot of fun! But as for the poor Queen, she does miss her little girl! This title will be perfect for Mother's Day.

Ted's mom is always angry, so he wishes that his mom would become a fun unicorn. Magically, his wish comes true! Ted and the unicorn instantly bonded - a fun day filled with snacks, sparkles, confetti and gold coins! But will mommy stay a unicorn forever?

If My Mom Were a Platypus

My Mom Is a Superhero! (DC Wonder Woman)

The Day My Mom Came to Kindergarten

Mom and Dad, We Need to Talk

My Mom Has Two Jobs

Inviting her mother to visit her new class, a little kindergartener discovers that there are some things that kids are better at than parents.

How Do You Forgive a Parent Who Has Failed You? One summer, Melissa Cistaro 's mother stepped into her baby-blue Dodge Dart and drove away, leaving behind Melissa and her brothers. Rarely seeing their mother as they were growing up, they blamed themselves for her leaving, turning to each other for support and seeking out often destructive ways to cope with living without their mom. Decades later, with children of her own, Melissa finds herself in Olympia, Washington, as her mother is dying. She has just days to find out what happened that summer and to confront the unthinkable fear that a "leaving gene" might be lying dormant inside of her. She knew she came from a long line of mothers who left their children. But when Melissa stumbles across a folder titled "Letters Never Sent" tucked away in her mother 's filing cabinet, she begins to feel the wreckage of her mother 's painful journey, before and after she abandoned her family. Alternating between Melissa 's tumultuous coming-of-age and her mother 's final days. Without My Mother is a haunting yet ultimately uplifting story of one woman 's quest to discover how our parents ' choices impact our own and how we can survive those choices to forge our own paths.

A celebration of mums - from feathered to furry! Beautifully illustrated with delightful animals, My Mum's the Best captures the fun-loving bond between mother and child - from big, cosy bear hugs to bathing elephants. Whether big or small, feathered or furry, mums always know how to make us feel special! This special edition includes a lovely heart-shaped magnetic photo frame - perfect for your most treasured picture with Mum!

This cloth-covered and hand silk-screened book will be a gift for Mom that becomes a family heirloom. Inside are questions to spark the memories of her life. Laugh with her, hear her stories, honor her, create a treasured family keepsake.

My Mom Is a Firefighter

Mammal Babies and Their Mothers

Irrefutable Proof That You Are Indeed a Fantastic Parent

My Mom Had An Abortion

There Are Moms Way Worse Than You

Being My Mom's Mom chronicles the author's journey with her Mom's dementia and is faithful, funny, heartbreaking and hopeful.

When Violet's television-director father leaves Vancouver to live in L.A. with his new wife, and her mother's relationships seem to be going from bad to worse, Violet decides to help her mother get the perfect man—George Clooney.

My Mom Had an Abortion is a unique coming-of-age tale told by a self-described dyslexic-lesbian-feminist teenager and illustrated by body-positive comic artist Tatiana Gill. We follow our protagonist Beezus B. Murphy as she chronicles her evolving understanding of menstruation, reproduction, and abortion and finds her place in a confusing world. Initially influenced by harmful narratives in pop media such as the "pregnant teenager" cliché, we watch Beezus's ideas change as her body changes and as she learns more about the intricacies of her family history and her mom's own reproductive experiences. She grows from a confused, out-of-place kid into a self-assured, empathetic, and strong-willed activist teen. As Beezus says, "People shouldn't be ashamed for getting or not getting abortions. Young people absorb the information that we gather from our surroundings. Sometimes it's good information and other times it can be harmful. But now I realize abortion is perfectly normal and should be kept safe and legal." Sprinkled with pop culture references, hilariously apt descriptions of unwanted body changes and menstruation like the chapter "Blood, Bath, and Beyond," and instantly understandable relations of growing-up, this beautifully illustrated short graphic novel crucially fills a cultural gap around complexities of abortion, pop culture, body changes, and finding out where we fit in.

From making you smile—even when things are going wrong—to knowing just when hugs are needed, moms are Splendid, Fun, Magic, and Sunshine: lots of the Little Misses rolled into one! This book featuring the Little Miss characters will help you show your mom just how special she is to you.

I Turned My Mom Into A Unicorn

A Little Book about Me and My Mom

A Story for Children Who Have a Transgender Parent or Relative

My Mom Loves Me!

How to Recognize and Deal with Dementia in Your Loved Ones

Moms are people, too...fashionable people! Before we came along to yank on their skirts, they showed leg, sported killer bangs, and flaunted bikinis. Some even wore feathers and halter tops and drove around on motorcycles. Was their style shocking? Yes. Covetable? Absolutely. Based on Piper Weiss's hugely popular blog of the same name, this book features 200 color photographs from decades past of moms showing us how its done. A perfect gift for mothers, daughters, and style mavens, My Mom, Style Icon is an entertaining celebration of the very first—and most important—style icon in a young woman's life.

Sometimes, children find it difficult to stay in school. They would rather be at home having fun and playing with their mothers. And sometimes, these little tykes will get a stomach ache and have to visit the nurse's office in their school. Call My Mom!! tells a fun, rhyming story about a little boy who wants the nurse to call his mom. But the nurse, who has heard many stories just like this, knows just what to do make the child "better" and to go back to class and play with the other children. A humorous, lighthearted book at both students and the school nurse. Call My Mom!! is a picture book that shares a happy ending.

It's not easy being small. Especially not for Little Elephant who isn't tall enough to reach things, like the hook to hang a coat, a shelf to get toys, or the pedals of a bike. Kitchen counters, the shower, and a light switch are all too high. But with dad close by anything is possible and nothing is out of reach.

Children explore how their mothers have careers but also have the job of taking care of them.

Call My Mom!!

My Mom Is a Foreigner, But Not to Me

Me and My Mom!

Please Marry My Mom

Dad Can Do Anything

The perfect Mother's Day gift or mommy birthday gift for kids to show just how much they love Mom featuring adorable illustrations from bestselling author Marianne Richmond! Learn to start open, productive talks about money with your parents as they age As your parents age, you may find that you want or need to broach the often-difficult subject of finances. In Mom and Dad, We Need to Talk: How to Have Essential Conversations with Your Parents About Their Finances, you'll learn the best ways to approach this issue, along with a wealth of financial and legal information that will help you help your parents into and through their golden years. Sometimes parents are reluctant to address money matters with their adult children, and topics such as long-term care, retirement savings (or lack thereof), and end-of-life planning can be particularly touchy. In this book, you'll hear from others in your position who have successfully had "the talk" with their parents, and you'll read about a variety of conversation strategies that can make talking finances more comfortable and more productive. Learn conversation starters and strategies to open the lines of communication about your parents' finances Discover the essential financial and legal information you should gather from your parents to be prepared for the future Gain insight from others' stories of successfully talking money with aging parents Gather the courage, hope, and motivation you need to broach difficult subjects such as care facilities and end-of-life plans For children of Baby Boomers and others looking to assist aging parents with their finances, Mom and Dad, We Need to Talk is a welcome and comforting read. Although talking money with your parents can be hard, you aren't alone, and this book will guide you through the process of having fruitful financial conversations that lead to meaningful action.

This is the perfect guided journal for someone who is grieving the loss of their mother. My Mom - Her Story, Her Words

My Mum's the Best

A child describes the many wonderful things about "my mom," who can make anything grow, roar like a lion, and be as comfy as an armchair. Reprint.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother, Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In Mom & Me & Mom, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, Mom & Me & Mom explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for Mom & Me & Mom "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forging design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Ella "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

Discusses the origins of multiple personality disorder, explains how it is treated, and describes what it is like to live with a parent who has the condition

Read along as kids tell you all about their moms, who are all different kinds of lawyers and leaders. This sweet story about inspiring moms, and the kids they love, will be a treasured favorite and a great gift for the lawyer-moms in your life!

If My Mum Were a Bird

Does My Mom Have Dementia?

What My Mother and I Don't Talk About

Dear George Clooney

My Mother's Life in the Detroit Numbers

My Mom's name is David. He used to be a she but now he is a he! Last year he did this thing called transition. He took some medicine which made his voice deeper and he started wearing different clothes. When Benjamin's cousin accidentally misgenders his mom David, Benjamin explains why misgendering is hurtful and why we need to treat trans people with respect. Benjamin speaks with confidence about transitioning and gender identity, and helps to educate and empower others with trans relatives or friends. This brightly illustrated book for children aged 3 - 7 will aid discussion with children about a loved one transitioning or about trans people in general. Featuring a child with a mom who has transitioned, this book passes on an important message about acceptance and respect, and covers pronouns, dysphoria, family diversity and misgendering.

Through an informative examination of fourteen mammal animals, including the elephant and platypus, young readers can learn how mammal mothers protect, feed, and raise their young in their natural habitats during their offspring's most vulnerable period in life. Simultaneous.

A rhyming illustrated humor book for moms who feel they're not doing a good job (and that's all moms, right?). Packed with scientifically true examples of terrible parents in the animal kingdom, to remind and reassure any mother that there are way worse moms out there.

CONCERNED ABOUT YOUR LOVED ONES AS THEY GROW OLDER? WONDERING ABOUT MEMORY LAPSES? WANT HELP MAKING SENSE OF THE PIECES? Dementia is a frightening word. But what does it actually mean? What is the difference between dementia and simply getting old? It can be easy to become overwhelmed by jargon the doctor throws at you, and sometimes it feels easier to pretend nothing is happening. My Mom Is There

My Mom Is Magical

My Mom Is Trying to Ruin My Life

The World According to Fannie Davis

I Want My Mum! (Little Princess)

Little Bear's mom is so clever; she can do just about anything! But the thing she does best in all the world is hold her little bear cub tight. This beautiful book celebrates the very special bond between mother and child.

"You will devour these beautifully written—and very important—tales of honesty, pain, and resilience" (Elizabeth Gilbert, New York Times bestselling author of Eat Pray Love and City of Girls) from fifteen brilliant writers who explore how what we don't talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in acknowledging how what we couldn't say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

Meet Olliea gorgeous, lively zebraFred the dog, and all of Ollie's friends. Ollie loves Mumand Mum loves Ollie! Anna Walker has perfectly captured the bond between a mother and child in simple, everyday activities, as Ollie and Mum spend a special day together.

This delightfully entertaining story celebrating mom as the best one-woman show on Earth! This humorous story celebrates mom as the best one-woman show on earth as she juggles everything that goes on during the day—she's a ringmaster, a wild beast tamer, a magician, and sometimes a clown. But her best stunt of all is the sandman show, when it's time for a good-night story. Luciana Navarro Powell's colorful, humorous illustrations are a perfect complement to her spirited, rhyming text.

A Journey Through Dementia from a Daughter's Perspective

Being My Mom's Mom

My Mom, the Lawyer

If your mum were a bird, what sort of bird would she be?Mums come in all shapes and sizes - mums who are cheeky like parrots, and graceful like swans, and even some who are speedy like ostriches!With interactive lift-the-flap pages and gorgeous illustrations by best-selling author Jedda Robaard, kids will have lots of fun matching their parents' personality traits with those of their favourite animals.

Little Critter and his mother take a trip to the city exploring the department stores and museums.

As seen on the Today Show: This true story of an unforgettable mother, her devoted daughter, and their life in the Detroit numbers of the 1960s and 1970s highlights "the outstanding humanity of black America" (James McBride). In 1958, the very same year that an unknown songwriter named Berry Gordy borrowed \$800 to found Motown Records, a pretty young mother from Nashville, Tennessee, borrowed \$100 from her brother to run a numbers racket out of her home. That woman was Fannie Davis. Bridgett M. Davis's mother. Part bookie, part banker, mother, wife, and granddaughter of slaves, Fannie ran her numbers business for thirty-four years, doing what it took to survive in a legitimate business that just happened to be illegal. She created a loving, joyful home, sent her children to the best schools, bought them the best clothes, mothered them to the highest standard, and when the tragedy of urban life struck, soldiered on with her stated belief: "Dying is easy. Living takes guts." A daughter's moving homage to an extraordinary parent, The World According to Fannie Davis is also the suspenseful, unforgettable story about the lengths to which a mother will go to "make a way out of no way" and provide a prosperous life for her family - and how those sacrifices resonate over time.

The creators behind the greeting card and design studio Hello!Press share a joyful tribute to moms in this delightfully illustrated children 's book. Is your mom more amazing than a billion butterflies? More sparkly than a universe of stars? Sweeter than a cloud of cotton candy? Then this book is definitely for you! From Eunice and Sabrina Moyle, the creative team behind Hello!Press, this children 's book celebrates all the things that make Mom magical. Each page reveals whimsical artwork and a delightful, imaginative message that children—and their Moms—will love.
