

Parole Avvelenate Biblioteca Dei Ragazzi

Lisa Thompson's debut novel is a page-turning mystery with an emotionally-driven, complex character study at its core -- like Rear Window meets The Curious Incident of the Dog in the Night-Time. Matthew Corbin suffers from severe obsessive-compulsive disorder. He hasn't been to school in weeks. His hands are cracked and bleeding from cleaning. He refuses to leave his bedroom. To pass the time, he observes his neighbors from his bedroom window, making mundane notes about their habits as they bustle about the cul-de-sac. When a toddler staying next door goes missing, it becomes apparent that Matthew was the last person to see him alive. Suddenly, Matthew finds himself at the center of a high-stakes mystery, and every one of his neighbors is a suspect. Matthew is the key to figuring out what happened and potentially saving a child's life... but is he able to do so if it means exposing his own secrets, and stepping out from the safety of his home?

The 'fatal charm of Italy' has held Lord Byron - and millions of tourists ever since - in its spell. Yet, beneath 'the brilliant

and vivacious surface', what are the realities of Italian life? Few writers have ever painted a portrait of their compatriots as crisp, frank and fearless as Luigi Barzini's. Cutting through the familiar clichés, he instructs us with a cascade of anecdotes and provides a marvellous guided tour through centuries of history. He examines Machiavelli and Mussolini, popes, pilgrims and prostitutes, cliques and conspiracies, Casanova and the crippling power of the Church. Yet alongside the Baroque exuberance and spectacular display, the love of life and the life of love, he also shows us a divided nation, injustice, ignorance, poverty and fear. All this is Italy, a country of dazzling achievement and an uncanny aptitude for getting round problems; both its virtues and its vices are celebrated in this sparkling book

The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical

events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

The Italians

Struggling to survive in a postapocalyptic world after his village is destroyed, Yorsh, the earth's last elf, must embark on a perilous quest to decipher a powerful prophecy and find the last dragon, who holds the key to saving the world from the Dark Age that has begun. An ALA Notable Children's Book. Reprint.

Describes the shocking scientific devices and techniques available to any group in a position to manipulate society

It was a mistake for Ben to tell the Hunter that there were still wolves in Surrey. For the Hunter was a fanatic, always on the lookout for unusual prey. Driven by an ambition to wipe out the last English wolves, the Hunter set out on a savage quest. But what happens when the Hunter becomes the hunted?

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Alla vigilia della Grande crisi, in pieni Anni ruggenti, due

ragazzi vivono una pazza avventura sospesi tra diesel punk e spy story. In occasione dell'Esposizione, il caso fa incontrare Teresa e Daniel: il ragazzo rischia di morire in un rocambolesco incidente, e si salva solo a lei. Teresa, diciottenne spagnola, ha un'insolita passione per la scienza; lui - di poco più grande - è figlio di un brillante inventore americano, il professor Coleman, che sta per presentare alla mostra un marchingegno fenomenale: il generatore di energia libera, realizzazione di un'idea del controverso scienziato Nikola Tesla, le ali del futuro. Ai poteri economici e industriali, però, la cosa non aggrada. Il professor Coleman cerca di opporsi alle minacce dei potenti petrolieri, ma un loro sicario, l'agente segreto Smoke, riesce a distruggere la macchina. Potrà un'intuizione di Daniel impedire l'irreparabile? L'Autrice Monica Serra esordisce nel 2009 con Cuore di drago (Runde Taarn Edizioni), romanzo fantasy autoconclusivo pubblicato in nuova edizione, La Canzone del Drago (La Mela Avvelenata Bookpress), nel 2014. Dello stesso anno sono gli ebook della serie di fantascienza Sangue alieno, curata da Filomena Cecere per Diversa Sintonia

Edizioni. Nel 2015, il suo racconto Le sabbie delle Balakhad entra nell'antologia del collettivo Specchio Nero, dello scrittore Alessandro Fusco. Dal 2013, insieme alla scrittrice Filomena Cecere, collabora con la Biblioteca comunale di Formello all'organizzazione di Fantàsia, evento dedicato al fantastico, e del relativo premio letterario. Nel 2014 e nel 2015 fa parte della giuria del Premio Cittadella, concorso letterario nazionale per il genere fantasy. Scrive articoli e recensioni per i blog Sognando Leggendo, Temperamento e Art Litteram.

From the World's No. 1 Storyteller, The Witches is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches. Grandmamma loves to tell about witches. Real witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture!

The Root of All Evil

The Witches

The Secret History of Tom Trueheart

Cosa è successo a Barbara Molina? Il suo corpo non è stato mai trovato, né si ha alcuna prova per arrestare un colpevole. Una chiamata a un telefono cellulare ha capovolto il futuro di alcune persone: un funzionario di polizia che sta per andare in pensione, quello di una madre che ha perso la speranza di ritrovare sua figlia scomparsa, l'unica ragazza che ha tradito il suo migliore amico. Parole avvelenate è una veloce cronaca di un giorno, vissuto contro il tempo e interpretato da tre persone vicine a Barbara Molina, che scomparve misteriosamente e violentemente quando aveva quindici anni. Un enigma che, dopo quattro anni sta per essere risolto, sarà scossa da nuove chiavi. A volte, la verità rimane nascosta nel buio e illuminata solo aprendo una finestra. Una storia di bugie, segreti, inganni e false apparenze che mette il dito sulla piaga dei miti indiscussi. Una storia

agghiacciante, che analizza l'ipocrisia della moderna società. Una coraggiosa denuncia di abuso, delle sue conseguenze devastanti e della loro invisibilità in questo mondo bigotto come il nostro. Parole avvelenate si legge come un romanzo poliziesco o un thriller, con un ritmo rapido che spinge il lettore a continuare a leggere per scoprire cosa succede.

In this beautifully crafted, Rashomon-like novel, Maryse Conde has written a gripping story imbued with all the nuances and traditions of Caribbean culture. Francis Sancher--a handsome outsider, loved by some and reviled by others--is found dead, face down in the mud on a path outside Riviere au Sel, a small village in Guadeloupe. None of the villagers are particularly surprised, since Sancher, a secretive and melancholy man, had often predicted an unnatural death for himself. As the villagers come to pay their respects they each--either in a speech to the mourners, or in an internal monologue--reveal another piece of the mystery behind Sancher's life and death. Like pieces of an elaborate puzzle, their memories interlock to create a rich and intriguing portrait of a man and a community. In the lush and vivid prose for which she has become famous, Conde has constructed a

Guadeloupean wake for Francis Sancher. Retaining the full color and vibrance of Conde's homeland, Crossing the Mangrove pays homage to Guadeloupe in both subject and structure.

A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this

edition of The Grammar of Fantasy is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, The Grammar of Fantasy gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

The Last Dragon

Introduction to the History of the Nineteenth Century

With his father dead, Martyn has a choice. Tell the police - and become a murder suspect. Or get rid of the body and carry on. Whatever he decides, Martyn will discover that, while life is never simple, death is even tougher.

ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME • NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. *Stargirl* is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her

to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, Love, Stargirl, as well as The Warden's Daughter, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion." –The New York Times

The Caldecott Honor winner and New York Times bestselling author of Bats at the Beach "pays homage to the pleasures to be found within libraries and books" (School Library Journal). Another inky evening's here—the air is cool and calm and clear. Can it be true? Oh, can it be? Yes!—Bat Night at the library! Join the free-for-all fun at the public library with these book-loving bats! Shape shadows on walls, frolic in the water fountain, and roam the book-filled halls until it's time for everyone, young and old, to settle down into the enchantment of story time. Brian Lies's joyful critters and their nocturnal celebration

cast library visits in a new light. Even the youngest of readers will want to join the batty book-fest! "As with its predecessor, this book's richly detailed chiaroscuro paintings find considerable humor at the intersection where bat and human behavior meet. But the author/artist outdoes himself: the library-after-dark setting works a magic all its own, taking Lies and his audience to a an intensely personal place."—Publishers Weekly (starred review) *"The rhymed narrative serves primarily as the vehicle for the appealing acrylic illustrations that teem with bats so charming they will even win over chiroptophobes."*—Booklist *"There is enough merriness here to keep the story bubbling . . . Pictures light-handedly capture the Cheshire Bat, Winnie the Bat and Little Red Riding Bat."*—Kirkus Reviews

War of the Witches

Stargirl

From the German, with a Brief Notice of the Author by the Translator

A Novel

Crossing the Mangrove

The man is addicted to morphine, and can think of nothing but death. Only morphine has made his life barely tolerable. He is in this fragile mental state because of the things that happened in the past; because of the things he was forced to encounter. During the First World War he ended up alone on an island – an island that was pure horror. 'Dagon' is a horror short story written by H. P. Lovecraft. It was first published in 1917. H.P. Lovecraft (1890–1937) was an American horror writer. His best known works include 'The Call of Cthulhu' and 'the Mountains of Madness'. Most of his work was originally published in pulp magazines, and Lovecraft rose into fame only after his death at the age of 46. He has had a great influence in both horror and science fiction genres.

When her mother disappears, fourteen-year-old Anaíd sets out on a dangerous journey after learning that her mother is a witch, prophesied to be the chosen one to end an ancient war between two feuding clans.

In the 1960s, post-colonial Libya fell prey to the sprawling industrial greed of the West, driven by the discovery of oil. While the modern quarter of Tripoli, built by the Italians, was small and affluent, the rest of the city--like the rest of the nation--was left to fend for itself amid the arid, sandy stretches of North Africa. As tensions mounted between eastern and western ideals, terror began to supplant justice, and acts of religiously motivated violence began to fill some of Tripoli's darkest corners. Against this backdrop, the teenaged Michele Balistreri--a smart young man plagued by thuggish tendencies and a youthful attraction to

Fascism--suffered a succession of personal blows that would scar him for life: the death of his mother; a terrible tragedy that befell his best friend's family; and the consequences of his father's role in Gaddafi's rise to power. Worst of all, an innocent blood pact he made as a teenager would come to haunt him as an adult. Four decades later, journalist Linda Nardi is hard at work investigating the shadowy history of the Vatican Bank's involvement in Libya when she suddenly finds her attention diverted to an irresistible story assignment: covering the collapse of Colonel Gaddafi's forty-two year dictatorship. It is only a matter of time before Nardi's research and Balistreri's investigative work as a police commissario bring them into contact. Together they unearth a deadly conspiracy that goes to the top of Rome's power structure that neither of them will ever be able to forget.

CLIO

When Aldous Huxley wrote his famous novel Brave New World, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the

social, political and economic world order. Written almost thirty years later, Brave New World Revisited is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. Brave New World Revisited condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in Brave New World Revisited are still startlingly relevant, lending a chilling creditability to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

From the international bestselling author of Gomorrah, this is a deeply personal and candid portrait of Italy today: a place of trafficking and toxic waste, where votes can be bought and sold, where organized crime ravages both north and south – yet also where many courageous individuals defy the system, and millions work tirelessly for a better future. 'Saviano is a blazingly vivid and courageous writer' Independent 'A national hero' Umberto Eco 'Saviano has an astonishing ability to write luminously yet subtly about terrible things' Le Parisien 'Brave and passionate' Guardian 'One of the world's finest investigative journalists' GQ

A teenager discovers his voice in this contemporary love story from “one of young adult literature’s greatest living writers” (Booklist). Shy teenager Karl is desperately in love with his girlfriend, Fiorella, a literary enthusiast who’s asked him to write her a letter in which he reveals his true self. There’s just one problem . . . Karl is dyslexic. Convinced that his attempts to express himself with words will end in disaster, Karl tracks down Fiorella’s

favorite novelist and begs him to take up the task. The famous writer unexpectedly agrees, but on one condition: Karl must participate in a series of interviews so the author can pen an authentic portrait of his affections. What follows is a series of misunderstandings, a startling revelation, and an unusual bond that will change all three of their lives. A moving story of love and friendship, Dying to Know You is the perfect novel for “that cloudy expanse between older teenager and younger adult, a novel that doesn’t pretend to advise, but merely sees its characters for who they really are” (The Guardian). “This quietly understated performance captures the wistfulness of music in a minor key.” –Kirkus Reviews
