Book California Criminal Law Concepts 2014 Edition

Criminal Law: Concepts and Practice is a leader in providing materials that match the skills and values emphasized for developing practicing lawyers. The Fourth Edition incorporates over fifty problems that allow the law professor to explore the practical impact of the theoretical concepts underlying criminal law. The book challenges students to consider issues of race in the criminal justice

Where To Download Book California Criminal Law Concepts 2014 Edition

system. It retains its international and comparative notes and now includes several new cases and problems. The authors support a website, criminallawbook.com, that offers podcasts, syllabi, PowerPoints, and other teaching materials that complement the book. In short, the text combines theory and practice and is compact, student-friendly, flexible, and high-tech.

"Basic textbook in Criminal Law, for pre police students and CPOST requirements for Corrections students."

Randol Contreras came of age in the South Bronx during the 1980s, a time when the community was devastated by cuts in social services, a rise in arson and abandonment, and the rise of crack-cocaine. For this riveting book, he returns to the South Bronx with a sociological eye and provides an unprecedented insider's look at the workings of a group of Dominican drug robbers. Known on the streets as "Stickup Kids," these men raided and brutally tortured drug dealers storing large amounts of heroin, cocaine,

Where To Download Book California Criminal Law Concepts 2014 Edition

marijuana, and cash. As a participant observer, Randol Contreras offers both a personal and theoretical account for the rise of the Stickup Kids and their violence. He mainly focuses on the lives of neighborhood friends, who went from being crack dealers to drug robbers once their lucrative crack market opportunities disappeared. The result is a stunning, vivid, on-the-ground ethnographic description of a drug robbery's violence, the drug market high life, the criminal life course, and the eventual pain

Where To Download Book California Criminal Law Concepts 2014 Edition

and suffering experienced by the casualties of the Crack Era. Provocative and eye-opening, The Stickup Kids urges us to explore the ravages of the drug trade through weaving history, biography, social structure, and drug market forces. It offers a revelatory explanation for drug market violence by masterfully uncovering the hidden social forces that produce violent and self-destructive individuals. Part memoir, part penetrating analysis, this book is engaging, personal, deeply informed, and entirely

Despite a crime rate that has been falling steadily for decades, California has led the way in this explosion, with what a state analyst called "the biggest prison building project in the history of the world." Golden Gulag provides the first detailed explanation for that buildup by looking at how political and economic forces, ranging from global to local, conjoined to produce the prison boom. In an informed and impassioned account, Ruth Wilson Gilmore examines this issue through statewide, rural, and urban perspectives

Where To Download Book California Criminal Law Concepts 2014 Edition

to explain how the expansion developed from surpluses of finance capital, labor, land, and state capacity. Detailing crises that hit California's economy with particular ferocity, she argues that defeats of radical struggles, weakening of labor, and shifting patterns of capital investment have been key conditions for prison growth. The results—a vast and expensive prison system, a huge number of incarcerated young people of color, and the increase in punitive justice such as the "three strikes" law—pose profound and

Where To Download Book California Criminal Law Concepts 2014 Edition

troubling questions for the future of California, the United States, and the world. Golden Gulag provides a rich context for this complex dilemma, and at the same time challenges many cherished assumptions about who benefits and who suffers from the state's commitment to prison expansion.

Prisons, Surplus, Crisis, and Opposition in Globalizing California

Illuminating US constitutional concepts in plain language and clarifying nuances in the law, this third edition of Constitutional Law and Criminal Justice simplifies understanding of the United States judicial system for those without advanced legal training. It updates recent decisions by the Supreme Court of the United States and includes a discussion on the current makeup and policy of the Supreme Court. Learning objectives and summary outlines of recent Supreme Court decisions, combined with practical examples and selected actual court documents, enhance students' understanding of the most important issues regarding the US Constitution and its application in the criminal justice system. The book begins with an overview of the Bill of Rights, followed by an examination of the

Where To Download Book California Criminal Law Concepts 2014 Edition

components of the judiciary. It moves on to a discussion of due process; the First, Fourth, Fifth, Sixth, and Eighth Amendments; and the exclusionary rule. A unique chapter addressing civil liability and the criminal justice professional is especially relevant to students in criminal justice programs. Concise and informative, this book is designed to be used in undergraduate courses in criminal justice and justice administration programs in universities and community colleges.

This book is concerned to explore the changing role of the Parole Board across the range of its responsibilities, including the prediction of risk and deciding on the release (or continued detention) of the growing number of recalled prisoners and of those subject to indeterminate sentences. In doing so it aims to rectify the lack of attention that has been given by lawyers, academics and

Where To Download Book California Criminal Law Concepts 2014 Edition

practitioners to back door sentencing (where the real length of a sentence is decided by those who take the decision to release) compared to front door sentencing' (decisions taken by judges or magistrates in court). Particular attention is given in this book to the important changes made to the role and working of the Parole Board as a result of the impact of the early release scheme of the Criminal Justice Act 2005, with the Parole Board now deciding in Panels concerned with determinate sentence prisoners, lifers and recalled prisoners. A wide range of significant issues, and case law, has arisen as a result of these changes, which the contributors to this book, leading authorities in the field, aim to explore.

This book is centered around the major issues relating to criminal law in Thailand and aims to offer a detailed and systematic overview of the Thai criminal justice system. It is designed as a traditional textbook of criminal law which provides a succinct focused coverage of all the relevant aspects of laws, judgments, and legal reforms in a concise and readable form. Although all topics have been previously treated in the Thai language, this is the first and most

Where To Download Book California Criminal Law Concepts 2014 Edition

comprehensive work in the English language about Thai criminal law. The book covers not only the legal system, starting from the Penal Code of 1908 and emphasizing the substantial changes that have been introduced in the past decades, but also the deep influence of doctrine and case law. It is built up in several layers, starting from the general rule, to gradually examine the more specific ones. The book begins with the elementary legal concepts to be learned by the reader, by defining the fundamental principles underlying the Thai criminal system and outlining its objectives. It then extensively describes the main offences under the Thai Penal Code and classifies those breaches of law which are crimes from those which are merely illegal without being criminal.
