They're older. They're wiser. So why aren't they finding Mr. Right? The feisty heroines of The Perfect Date series are seasoned about life and romance, but not necessarily wiser about love. The stories in this collection are romantic comedies with attitude. Book 7 - Never Look Back Her real life is no fairy tale and she's no Cinderella. After what her ex-husband did to her, heiress Henna Colombo is a man-hater, not a dater. And the thing she hates most of all is the fairytale of falling in love. Why do her father and her new wicked stepmother insist she keeps looking for her prince? She's fine being single. As far as Henna's concerned, the love god can take his diaper-wrapped butt and arrows elsewhere. Cupid can also shove those arrows where the sun doesn't shine if he thinks for one second that someone like Vassal Milano is her perfect man. Book 8 - Never Ever Been Better The last thing Iris needs is a man with his head in the clouds. Most days Iris can't believe that she actually left her home and country for a smooth-talking jerk who tossed her into the street first chance he got. A woman has to view that sort of thing as life lesson. Her mum raised her to be a survivor, and that includes understanding her worst enemy is herself when it comes to good-looking men. Book 9 - Never Too Old To Date Her business is wildly successful, but the rest of her life is just wild. Sixty may be the new forty, but not for the Honorable Eleanor J. Skyler. She's retiring from the law firm she spent her entire career building. What's wrong with wanting to wear yoga clothes every day and go zip-

lining whenever the adventurous mood strikes? Nothing, that's what. She's got no time for dating and drama. She certainly has no time to deal with her senior law partner, Andrew Carson, who has for reasons she can't fathom, decided she's his perfect woman. Why is Andrew suddenly looking at her legs and telling her she's beautiful? He's barely over fifty. He has the tiny sports car. Why can't Andrew chase a twenty-year-old like every other man having a mid-life crisis?

She has beauty, poise and intelligence, a diamond of the first water, a prize of great value, but she is not happy.

Lady Davina Woodburn feels totally uprooted. A country girl at heart, she is a better judge of horse-flesh than any man, enjoys the wild freedom of her rural life, and is not afraid to attend the births of the farm animals, or patch up a wound in either man or beast. Nineteen-year-old Davina feels quite out of place in London. She wishes to be back where she feels she belongs, certainly not on the London marriage mart. Had her aunt not insisted upon it to her father, she would still be back home... then she would never have met and lost the man of her dreams. In *One Perfect Afternoon*, Jane Dawkins (author of the acclaimed *Pride and Prejudice* continuations, *Letters from Pemberley*, and *More Letters from Pemberley*) tells another sparkling tale of another spirited young woman. Like Elizabeth Bennet, Lady Davina Woodburn sometimes ruffles the feathers of those around her, and her independent mind is often at odds with society in the English Regency period in which she lives. "*One Perfect Afternoon* is a wonderfully told story and will touch your heart...Jane [Dawkins] has again

There is elements of language that allow us to better understand the world. Abstractions in language help us classify ideas into groups so that we may generalize or specify parts within a label. For instance a car is made up of many parts, such as the engine, the wheels, the body, etc. We call it a car instead of of "an engine driving the wheels with a body attached to carry passengers", to

make it easier for us not only to transfer the thought within our mind, but also to others. Also, by calling it a car, we have differentiated the object from a train or a bike, both being other modes of transportation. Abstractions are part of our mental grids that help us by chopping reality into fragments so that we may organize it and put it into our grasp of understanding. Something such as the temperature cannot be measured because it is infinitely variable. It is just our environment reduced to numbers so that we can conceive it in our minds. Again, our world is divided into pieces so the human mind can understand it bit by bit. From seeing a car to measuring the temperature, language offers an explanation to our experience and it is a powerful tool to help us think.

They're older. They're wiser. So why aren't they finding Mr. Right? The feisty heroines of The Perfect Date series are seasoned about life and romance, but not necessarily wiser about love. The stories in this collection are romantic comedies with attitude. Book 1 - NEVER IS A VERY LONG TIME Cupid she's not—but she's pretty darn close. Nothing in the world feels better to Dr. Mariah Bates than finding her clients the perfect date. Of course finding one for herself might be nice, but

creative bill paying is for college students—not for accomplished doctors in their forties. Satisfied customers keep the electricity on. With her cop ex-husband doing everything he can to ruin her business, she's at her wit's end. Throw in another cop who makes her believe in love at first sight—or at least lust—and life is a mess. Book 2 - NEVER SAY NEVER Dating's one thing, but what's love got to do with it? Nothing. At least not for Ann Lynx. She's fifty-three for goodness sake. She's had love. All she's in the market for these days is some fun companionship—no strings attached. Right? Wrong. Thanks to her pain-in-the-rear-end best friend, Georgia, she's now back on the dating scene. Add Georgia's matchmaking daughter Mariah to the mix and Ann is officially in a world of trouble—or dates—to be more accurate. Book 3 - NEVER A DULL MOMENT What could she possibly have in common with a man whose watch costs more than her car? Georgia may be slowing down a bit at sixty, but she isn't stupid yet. The idea of her genuinely dating Dr. Brentwood Colombo, aka Hollywood.. well, that's just totally insane. How did she let her snickering friends dare her into giving him a chance? A fair chance at what? Breaking her heart? No, thank you.

*Her dignity will not be trampled under Hollywood's expensive shoes. Now if he'd just stop talking about her perfect, perfect breasts, she might forget about him completely. ***** NOTE ABOUT THE SERIES HEAT LEVEL: Not being a fan of the word "clean" when applied to romance, I will instead say the heat level in this new series is in the 1-2 range, rather than 3-4 like some of my others. The focus is on sensuality and I've packed a lot into these stories.*

Based on the evocative and haunting story of her journey from fashion to faith, the principles of true beauty and proper body image shared by professional model Strickland will shatter the illusion that worldly beauty and success satisfy, leading young women and teens to the powerful, lasting knowledge of who they are in God's sight.

Madame Jeanne Guyon (1648-1717), a woman of great wisdom and worship, was filled with the richness of God's grace as she endured hardships and abuse in her married life. Blessed with children and great earthly wealth, she suffered physically, mentally, emotionally, and spiritually at the hands of her spiritual leaders, imprisoned unjustly for her simple yet solid faith in Christ, her Divine

Confidant. Trusting in her Lord, she expressed her insights in commentaries concerning the Scriptures, seeing in them the mysteries of the holy Eucharist, the sacrificial presence of her merciful Savior. Through her intercession, we are inspired to adore the Lord, uniting our suffering to his as she did.

Kate Brown's life has gone downhill fast. Her father has quit his job to sell vitamins at the mall, and Kate is forced to work with him. Her best friend has become popular, and now she acts like Kate's invisible. And then there's Will. Gorgeous, unattainable Will, whom Kate acts like she can't stand even though she can't stop thinking about him. When Will starts acting interested, Kate hates herself for wanting him when she's sure she's just his latest conquest. Kate figures that the only way things will ever stop hurting so much is if she keeps to herself and stops caring about anyone or anything. What she doesn't realize is that while life may not always be perfect, good things can happen -- but only if she lets them....

Small town romantic women's fiction with love, hope, second chances, and a happy ending! Note from Mary: I love secondary characters: writing them, reading about them, even watching them on the big screen. Secondary characters support the "stars"; make them more vibrant and compelling. But when the story ends, I'm often left wondering what they'd do if they were in the "spotlight". That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series. These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series. Boxed Set Three contains Simple Riches and A Family Affair: Winter. I

invite you to follow their journey! Simple Riches
Alexandra “Alex” Chamberlain is a big city girl who knows nothing about close-knit families, sibling rivalry, or receiving an unsolicited opinion in the name of family. She’s been raised by an aunt and uncle who’ve provided her with a wealthy lifestyle and a fancy education, but have withheld what she craved most—love and acceptance. Her uncle has taught her to disregard everything but the bottom line on a balance sheet and she’ll do anything to earn his approval. She prides herself on excelling at her job which is selecting small towns to buy, flatten, and replace with luxury resorts. When Alex decides to investigate Restalline, Pennsylvania, as a potential site for the next resort, she enters the town under the guise of a researcher gathering information for a documentary. Her uncle wants this project badly, and she’s not going to disappoint him. This town should be like all the others. Only it isn’t. This town has the Androviches, a family who values hard work, honesty, and doing the right thing. And this town has Nick Androvich, the town doctor with a battered heart who doesn’t quite trust her, but can’t deny the mutual attraction. Oh, but it’s going to get messy when the truth about Alex’s real purpose for being in Restalline sneaks out...and the truth always does. But fear not, the town is not going to sit by quietly and watch this meant-to-be-together couple lose their happily ever after... A Family Affair: Winter Michael Androvich and Elise Pentani should have been married and working on their “happily-ever-after” but fate intervened and stole their chance. Can the residents of Magdalena help them get it back and give

them a second chance? On the day Michael stands at the altar before family, friends, and most of the town of Restalline, Pennsylvania, he's prepared to pledge his life, love, and fidelity to the woman who owns his heart. There's only one thing missing—the bride. Elise loves Michael truly and completely, but there's a tiny piece of her that believes he'll fall back into his "bad boy" ways. When a threat from his past visits her, Elise lets doubt rule and skips her own wedding. Nursing a broken heart and determined to forget the woman he can't forget, Michael heads to Magdalena, New York, to secure a business deal for his family's lumber company. He's not prepared for the endless questions and inquisitive nature of the residents who remind him an awful lot of his hometown. Just when Michael has gotten the town to accept the fact that he's not talking about his past or the reason for his surly disposition, his ex-fiancée shows up with an apology he doesn't want to hear and certainly doesn't want to believe. So much for the town leaving him alone; everybody has an opinion and they're all more than anxious to share it. There's no way the residents of Magdalena can ignore these two broken-hearted souls. Michael and Elise have "need help" and "belong together" stamped all over their sad faces. Add that to Pop Benito's determined matchmaking skills and Lily Desantro's clever curiosity, and this couple might just get that second chance... Jesus, Sin, and Perfection in Early Christianity

Jeanne Guyon's Mystical Perfection through Eucharistic Suffering

A Guide to English Grammar

A Study Edition

The first full-length study to trace how early Christians came to perceive Jesus as a sinless human being. Jeffrey S. Siker presents a taxonomy of sin in early Judaism and examines moments in Jesus' life associated with sinfulness: his birth to the unwed Mary, his baptism by John the Baptist, his public ministry - transgressing boundaries of family, friends, and faith - and his cursed death by crucifixion. Although followers viewed his immediate death in tragic terms, with no expectation of his resurrection, they soon began to believe that God had raised him from the dead. Their

resurrection faith produced a new understanding of Jesus' prophetic ministry, in which his death had been a perfect sacrificial death for sin, his ministry perfectly obedient, his baptism a demonstration of perfect righteousness, and his birth a perfect virgin birth. This study explores the implications of a retrospective faith that elevated Jesus to perfect divinity, redefining sin. "Be perfect as your heavenly Father is perfect." What does it mean to be perfect? Is entire sanctification possible in this life? Such words evoke worry and wonder in this time. In this introductory resource, pastor Nick Quient carefully explores the relevant questions surrounding Pauline theology and the journey toward perfect holiness in Christ. Addressing topics like sin, heaven, marriage, and the work of Jesus Christ in relation to sanctification, this book is a helpful resource for the church and for pastor-theologians who are seeking to live out the life of the Spirit.

I was truly blessed to write this book. Basically, each chapter entwines with the other in some shape, form, or fashion. I like that it helped boost my memory and gave me the clarity surrounding this particular biblical event and the individuals who were involved in it. I pray it will do the same for you. Among Elijah, King Ahab, Queen Jezebel, Hazeal, Elisha, Jehu, Ahaziah, Joash, Saul (apostle Paul), Gehazi, Naaman, Rezon, Abram, Ezekiel, Peter and John, Queen Athaliah, Obadiah, Joash and Jehoiada, Nehemiah, Joram, Noah, Moses, and King Benhadad, which two captivated your mind the most? This popular Build-It-Yourself (BIY) PC book covers every step in building one's own system: planning and

picking out the right components, step-by-step assembly instructions, and an insightful discussion of why someone would want to do it in the first place.

WHERE CAN YOU FIND THE KIND OF LOVE YOU

TRULY NEED? "If we want real love, ideal love, limitless love, God's heart is where to find it. It's the only love big enough to meet the God-sized needs of your life." --Ruth Myers

*Most people—even those with a deep faith—fail to really grasp the incredibly deep and passionate love God has for them. Yet, while God's love for us is beyond description, it doesn't have to be beyond our experience. In *The Perfect Love*, Ruth Myers helps uncover the surprising, quiet clues and expressions in Scripture of just how much God loves you. With the expressions of prayer and praise at the end of each chapter, you'll learn to experience God's love more deeply and return it more fully in worship. And you'll welcome a new sense of security, honor, and significance that comes from experiencing how God's love — *The Perfect Love*—truly meets your deepest needs.*

"This is not for the faint of heart, nor for Christians who want to be entertained. This is for hungry Bible students seeking vast, deep answers to a vast, deep subject" "the all-

important subject of Love. This book could and should be the standalone text for an 8 credit hour college course, mandatory for every accredited Bible student. And, it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level." - Jesse Steele, Moody Bible Institute Alum

This book is offered to help you love the Lord with your whole heart and to better know your Creator. It is intended to help clarify some lingering misunderstandings that trace back far into biblical history. The book deals with the righteousness and holiness of God as seen in His laws, but from a New Covenant perspective: love. Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God, the book focuses on love, as love is the focus of both the Law of God and the Law of Moses (Rom. 13:8). It's all about loving God with all your heart and loving your neighbor as yourself, even loving your enemy. With man this is impossible, but with God, all things are possible. These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today. With a clearer view of this line in the Bible, it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord. Seek first his kingdom and its righteousness, and all these things will be added unto you. The book also covers emerging research regarding the 364-day calendar of the books of 1st Enoch and Jubilees, and how to manage it in a 365-day context. I think you will enjoy studying this with us. Think about it, your

Creator wants to have dates with you, on the dates that his feasts have been observed in the heavens since creation. As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through, which I document in the appendix. Several in our extended family have also been warned and encouraged in dreams. The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom. But it all begins with desperate searching in his Word. Keep asking, and you will receive. Keep seeking, and you will find. Keep knocking, and it will be opened to you!

The memory feats of famous musicians seem almost superhuman. Can such extraordinary accomplishments be explained by the same principles that account for more ordinary, everyday memory abilities? To find out, a concert pianist videotaped her practice as she learned a new piece for performance, the third movement, Presto, of the Italian Concerto by J.S. Bach. The story of how the pianist went about learning, memorizing and polishing the piece is told from the viewpoints of the pianist (the second author) and of a cognitive psychologist (the first author) observing the practice. The counterpoint between these insider and outsider perspectives is framed by the observations of a social psychologist (the third author) about how the two viewpoints were reconciled. The CD that accompanies the book provides for yet another perspective, allowing the reader to hear the polished performance. Written for both psychologists and

musicians, the book provides the first detailed description of how an experienced pianist organizes her practice, identifying stages of the learning process, characteristics of expert practice, and practice strategies. The main focus, however, is on memorization. An analysis of what prominent pianists of the past century have said about memorization reveals considerable disagreement and confusion. Using previous work on expert memory as a starting point, the authors show how principles of memory developed by cognitive psychologists apply to musical performance and uncover the intimate connection between memorization and interpretation.

Barrett Stanbridge has a lovely home in one of London's best neighborhoods, great friends, a thriving private investigation business, and feminine companionship whenever it's convenient. The shadows of his past have been accepted and neatly put away. In short, he's a man really quite content with the structure and direction of his deliberately solitary life. Being accused of the murder of a beautiful woman changes everything. The daring Isabella Dandaneau, a widow, has left America and the memories of a less-than-happy marriage behind in order to find her fortune in England. With half of a pirate's treasure map in hand, she's arrived in London, determined to find her cousin--and the other half of the map--and better her financial lot in life. Only she has been murdered and the devilishly handsome, Barrett Stanbridge stands accused of her murder. But it takes only one look at the rogue for Isabella to know, not only is this a man who could have

never killed her cousin, but that he also sets her blood on fire the way no man ever has. And it's not long before she realizes that falling in love changes everything.

In 1968, 24-year old Denny McLain turned the baseball world upside down by winning 31 games for the Detroit Tigers. McLain was also a musician. After he won both the MVP and Cy Young Awards in '68, he cut two albums for Capitol Records and played the Hammond organ in a three-week stint in Las Vegas. But winning games and performing on stage were never enough for McLain. He was driven by an insatiable thirst for attention and adventure and in 1969, flying back from a dental appointment in Detroit that he could have rescheduled, Denny arrived 20 minutes after he was supposed to have thrown out the first pitch of the All-Star Game in Washington, D.C. McLain recounts his fabulous success in one of baseball's most exciting eras, as well as his rapid fall from glory, two prison stints, and a horrific personal tragedy. It's one of the most compelling baseball memoirs to come along in a generation.
