The definitive guide to the 'Sport of Kings'.

Here in this publication Sam shares his knowledge of Ponies. His insight offers advice on how to keep them in a field or Paddock and how you should look after them. This book has plenty of information and will be of use to novice owners as well as experienced owners. It will help you to provide a nurturing environment and help you choose which breed can live happily together. How to stud and help ill ponies back to health, it will also help you get the most satisfaction out of your riding and make the most of your hobby.

Breyerfest 2017 Edition. When I had 100 models I could still remember what I owned. When I had 300 models I computerized my records - and created the first version of this list. That was years ago. Breyer had added thousands of new models and hundreds of new molds. New (and old) companies have come and gone, or changed names. I'm always looking for more information, especially for companies and models not listed in this book. Detail start to escape me - was that the bay with 3 socks and black hooves, or the bay with 3 socks and pink hooves, or the bay with 4 socks version? There is just too much information to remember. I'm an avid collector. When I first started in the hobby, there were no books available, just box catalogs. This book is meant to be a record of YOUR collection. It is meant to be written in. You can mark if you own it or just want it. You can even write in a name for your model under the notes section. See you at Breyerfest!

Zowie! 200+ Ministries Kids Can Do is an upbeat and informative ideas book that will keep children's ministers, moms, and anyone interested in children's ministry full of ideas with hands-on activities to teach kids about missional living and putting others first. With close to 300 ideas, the writers have included one-time, short-term, and long-term ministry project ideas so that any group can select an activity and time frame that best meets its needs. Testimonials are also included to help the reader understand the impact that these activities can have on a child's understanding of active compassion. Practical helps and resource suggestions are also included.

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

"This Book is Designed more Particularly for Club-Houses and Rooms, for Steamboats, Sample Rooms, and the Gentleman's Sideboard. To the Recipes for Beverages there has been Appended a Number of other Valuable Suggestions and Recipes." This vintage book contains a comprehensive and practical guide to preparing all kinds of plain and fancy mixed drinks and popular beverages, with directions for making cocktails containing absinthe, cider, vermouth, sherry, soda, wine, gin, and more. It was originally designed for club-houses and rooms, steamboats, sample rooms, and the gentleman's sideboard. This volume is highly recommended for those with an interest in cocktail making, and would make for a fantastic addition to collections of allied literature.

Contents include: " The Cocktail " , " Champagne Cocktail " , " Brandy Cocktail " , " Whisky Cocktail " , " Gin Cocktail " , " Brunswick Cocktail " , " Morning Glory Cocktail " , " Absinthe Cocktail " , " Sherry Cocktail " , " Vermouth Cocktail " , " Frosted Cocktail " , " Fruit Cocktail " , " Cider Cocktail " , " Cider Cocktail " , " Soda Cocktail " , etc. Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, high-quality edition complete with a specially commissioned new introduction on cocktail and beverage making.

The Classic Guide to Polo

The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century. Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship. Prior to Saturday Night Fever rock music had a limited role in the motion picture business. That movie's success, and the success of its soundtrack, began to change the silver screen. In 1983, with Flashdance, the situation drastically evolved and by 1984, ten soundtracks, many in the pop/rock genre, were certified platinum. Choosing which rock scores to discuss in this book was a challenging task. The authors made selections from seminal films such as The Graduate, Easy Rider, American Grafitti, Saturday Night Fever, Help!, and Dirty Dancing. However, many productions of the period are significant not because of their success, but because of their box office and record store failures. Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century. This book is essential for those interested in communications, popular culture, and social change.

The best book for beautiful Rainbow Loom instructions! With millions of Rainbow Looms sold, the colorful toy is off to a sizzling start and shows no signs of stopping. "To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States.

Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."--Robert

Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association

"The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past

President, Popular Culture Association Features of The Guide to United States Popular Culture: 1,010 pages 1,600 entries 500 contributors Alphabetic entries Entries range from general topics (golf, film) to specific individuals, items, and events Articles are supplemented by bibliographies and cross references Comprehensive index

The Horse & Pony Guide with over 80 chapters, 300 images and 40,000 words. " The text is very well set out with good explanations, and it also points out when people may need specialist assistance and what to look for. This is really a book which would enhance any horse owners library as a great reference book as well as for the beginner" Testimonial from Jennie Loriston-Clarke M.B.E F.B.H.S
