

Providence

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

In his study Peter Frick starts with the examination of the theocentric structure of Philo's thought as outlined in the important passage De Opificio Mundi 171-2 where Philo correlates the idea of providence with his concept of God and the theory of creation. On this basis, any adequate understanding of providence in Philo must begin with the correlation between the formal aspects of the Philonic concept of God, especially the idea of God's transcendence, and Philo's conceptualization of the idea of providence in light of these formal aspects. In particular, the issue is how Philo can predicate that God is provident in nature, although God cannot be apprehended in his essence. Moreover, Philo explains the immanence of God in the cosmos in terms of the Logos and the divine powers, one of which he specifically characterizes as the providential power. Both the aspects of divine transcendence and immanence cohere in Philo's theory of creation. He conceives of the role of providence in cosmological matters as being responsible for the design, administration and continuous existence of the created universe. Two further issues, the questions of astral fatalism and theodicy, are critically important for a thorough understanding of Philo's conception of divine providence. Philo rejects the assumption implied in astral fatalism that the stars are transcendent divinities and thus have causal powers over human affairs. And he rejects astral fatalism because it renders absurd the notion of moral responsibility. Concerning the question of theodicy, Philo proceeds from the Platonic premise that God is not the cause for evil in any way. For him, the existence of moral evil exonerates God and his providence as the cause for evil and anchors the blame in the person. In an era when immigration was at its peak, the Fabre Line offered the only transatlantic route to southern New England. One of its most important ports was in Providence, Rhode Island. Nearly eighty-four thousand immigrants were admitted to the country between the years 1911 and 1934. Almost one in nine of these individuals elected to settle in Rhode Island after landing in Providence, amounting to around eleven thousand new residents. Most of these immigrants were from Portugal and Italy, and the Fabre Line kept up a brisk and successful business. However, both the line and the families hoping for a new life faced major obstacles in the form of World War I, the immigration restriction laws of the 1920s, and the Great Depression. Join authors Patrick T. Conley and William J. Jennings Jr. as they chronicle the history of the Fabre Line and its role in bringing new residents to the Ocean State.

Lost Providence

Providence & Prayer

COP: "Buddy, I think this is a whorehouse." BUDDY CIANCI: "Now I know why they made you a detective." Welcome to Providence, Rhode Island, where corruption is entertainment and Mayor Buddy Cianci presided over the longest-running lounge act in American politics. In The Prince of Providence, Pulitzer Prize-winning journalist Mike Stanton tells a classic story of wiseguys, feds, and politicians on a carousel of crime and redemption. Buddy Cianci was part urban visionary, part Tony Soprano—a flawed political genius in the mold of Huey Long and James Michael Curley. His lust for power cost him his marriage, his family, and close friendships. Yet he also revitalized the city of Providence, where ethnic factions jostle with old-moneyed New Englanders and black-clad artists from the Rhode Island School of Design rub shoulders with scam artists from City Hall. For nearly a quarter of a century, Cianci dominated this uneasy melting pot. During his first administration, twenty-two political insiders were convicted of corruption. In 1984, Cianci resigned after pleading guilty to felony assault, for torturing a man he suspected of sleeping with his estranged wife. In 1990, in a remarkable comeback, Cianci was elected mayor once again; he went on to win national acclaim for transforming a dying industrial city into a trendy arts and tourism mecca. But in 2001, a federal corruption probe dubbed Operation Plunder Dome threatened to bring the curtain down on Cianci once and for all. Mike Stanton takes readers on a remarkable journey through the underside of city life, into the bizarre world of the mayor and his supporting cast, including: • "Buckles" Melise, the city official in charge of vermin control, who bought Providence twice as much rat poison as the city of Cleveland, which was at the time four times as large, and wound up increasing Providence's rat population. During a garbage strike, Buckles sledgehammered one city employee and stuck his thumb in another's eye. Cianci would later describe this as "great public policy." • Anthony "the Saint" St. Laurent, a major Rhode Island bookmaker and loan shark, who tried to avoid prison by citing his medical need for forty bowel irrigations a day, thus earning himself the nickname "Public Enema Number One." • Dennis Aiken, a celebrated FBI agent and public corruption expert, who asked to be sent to "the Louisiana of the North," where he enlisted an undercover businessman to expose the corrupt secrets of Cianci's City Hall. The Prince of Providence is a colorful and engrossing account of one of the most tragicomic figures in modern American life—and the city he transformed.

Providence has one of the nation's most intact historic downtowns and is one of America's most beautiful cities. The history of architectural change in the city is one of lost buildings, urban renewal plans and challenges to preservation. The Narragansett Hotel, a lost city icon,

hosted many famous guests and was demolished in 1960. The American classical renaissance expressed itself in the Providence National Bank, tragically demolished in 2005. Urban renewal plans such as the Downtown Providence plan and the College Hill plan threatened the city in the mid-twentieth century. Providence eventually embraced its heritage through plans like the River Relocation Project that revitalized the city's waterfront and the Douncity Plan that revitalized its downtown. Author David Brussat chronicles the trials and triumphs of Providence's urban development.

In Divine Providence, Swedish scientist-turned-seer Emanuel Swedenborg undertakes the difficult task of bridging his transcendent vision of a perfectly loving God with the sometimes unloving world where we all live.

History of Providence County, Rhode Island

Finally, the complete Alan Moore masterpiece in one 480 page tome – the PROVIDENCE COMPENDIUM! Providence is Alan Moore's quintessential horror series! In it, he weaves and reinvents the works of H.P. Lovecraft through historical events. It is both a sequel and prequel to Neonomicon. The PROVIDENCE COMPENDIUM is the complete series, all twelve issues by Alan Moore and Jacen Burrows, in one 480 page volume.

New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is "God's purposeful sovereignty." Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from Genesis to Revelation—to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God's mission in this world.

From the view that God does not intervene in the world to the view that God is the only effective agent in the working of his will, Terrance Tiessen identifies ten views of providence and adds his own.

Memory, Community, and Survivance in the Northeast

The Friar Legacy

Printed Under the Authority of the City Council of Providence

Divine Providence in Philo of Alexandria

From Its First Settlement, to the Organization of the City Government, in June, 1832

Over the past forty-five years, Friar basketball has captured the attention of sports fans in Rhode Island and throughout New England. From humble beginnings, the small Dominican school on Smith Hill in Providence has produced a story reminiscent of David and Goliath. The legend persists: tiny Providence College taking on and beating the big boys of college basketball. Run on a shoestring budget in the 1950s and 1960s, the program rose up out of nowhere to pull upset after upset. The school went on to dominate college basketball in New England, recording more postseason tournament games and victories, more twenty-win seasons, more All-Americans, and more players in the pros than any school in the region. Providence College Basketball: The Friar Legacy examines the seventy-five-year history of Friar hoops and celebrates the great players, coaches, games, and moments that have made Providence College basketball so unforgettable. Relive the annual trips to the National Invitation Tournament, the two Final Fours, and discover how Rhode Island became hooked on the Friars.

A teacher. A plumber. A librarian. A student. A deadbeat. These and more are plunged into circumstances beyond their control as two tragedies change the course of their lives in a single day. Who they meet and how they respond may change them forever. And their experience might just change you.

In 1682, John Sharpless settled in Nether Providence Township on a 1,000-acre tract of land along Ridley Creek that had been granted to him by William Penn. Other settlers soon followed, establishing Nether Providence as a small, successful, farming community. Over the next two centuries, Nether Providence grew into a thriving manufacturing center with 14 operating mills along the township's two creeks. At the turn of the 19th century, Nether Providence became a summer resort area rivaling the Main Line of Philadelphia, with such famous residents as Dr. Horace Howard Furness, a well-regarded Shakespearean scholar and the brother of architect Frank Furness, and Alexander Kelly McClure, the owner of the Philadelphia Times and an assistant adjunct general appointed by Pres. Abraham Lincoln during the Civil War. In 2007, Wallingford, the largest community in Nether Providence, was named by Money Magazine as the ninth best place to live in the United States.

Providence Compendium

Providence

Providence Police Department

A History

The Providence Police Department has served New England's second-largest city from its beginnings in 1651 with the appointment of a town sergeant to today's force of nearly 500 men and women. Officially established in 1864, policing in Providence has changed considerably from the days of night

watchmen armed with handheld rattle alarms and nightsticks. Whether quelling the violent street riots of 1914, enforcing Prohibition, or fighting the New England mob, the PPD has evolved to meet the complex challenges posed by the city. It also boasts a history of leadership among the nation's law enforcement agencies, being among the first to incorporate women into the department's ranks, create innovative campaigns to reduce traffic fatalities, and pioneer the use of trained canines to aid in police work. Today, cutting-edge telecommunications and forensic analysis in crime fighting continue to protect the city of nearly 178,000.

"Dave Brussat has made a significant contribution to the history of Providence. For those interested in that history, "Lost Providence" is a real find." Providence Journal Providence has one of the nation's most intact historic downtowns and is one of America's most beautiful cities. The history of architectural change in the city is one of lost buildings, urban renewal plans and challenges to preservation. The Narragansett Hotel, a lost city icon, hosted many famous guests and was demolished in 1960. The American classical renaissance expressed itself in the Providence National Bank, tragically demolished in 2005. Urban renewal plans such as the Downtown Providence plan and the College Hill plan threatened the city in the mid-twentieth century. Providence eventually embraced its heritage through plans like the River Relocation Project that revitalized the city's waterfront and the Douncity Plan that revitalized its downtown. Author David Brussat chronicles the trials and triumphs of Providence's urban development.

"Like his Puritan colleagues, Sedgwick was a wise observer of providence. In ""Providence Handled Practically,"" he shows how the over ruling hand of God should be considered as it comes to bear on the life of the Christian and the church. After briefly explaining the words of Matthew 10:29-31, he distinguishes between God's general and special providence. Then follows an extensive discussion of the practical use of this doctrine. The author's Thanksgiving sermon, entitled ""Haman's Vanity,"" which was preached before the House of Commons is added as an appendix to this work. Here, Sedgwick draws a parallel between Haman's plot to decimate the Jews and a Royalist plot that was hatched in London to seize the Parliamentary leaders. This edition has been edited for modern readers and has an introductory essay by Joel R. Beeke and Matthew Winzer. Read it, pass it along to a friend, and be comforted by the God who promises to never forsake the works of His own hands. Table of Contents: 1. God's General Providence over All Creation 2. God's General Providence over His Church and People 3. Learn to Depend on Providence 4. Don't Vex Your Mind (1) 5. Don't Vex Your Mind (2) 6. Wait on Providence 7. Be Content and Apply Providence Quietly 8. Glean Comfort from Providence 9. The Duties of God's Church Appendix - Haman's Vanity"

Census of the city of Providence, taken in July, 1855

"Haunting, intimate, and beautifully told: a magical debut novel from a writer to watch." —Emily M. Danforth, national bestselling and award-winning author of *The Miseducation of Cameron Post* A spellbinding young adult fantasy debut following three best friends who turn to magic when they're haunted by a friend's death...and perhaps her spirit, combining the atmospheric thrills of *The Hazel Wood* with the nuanced realism of Erika L. Sanchez. For best friends Miliani, Inez, Natalie and Jasmine, Providence, Rhode Island has a magic of its own. From the bodegas and late-night food trucks on Broad Street to The Hill that watches over the city, every corner of Providence glows with memories of them practicing spells, mixing up potions and doing séances with the help of the magic Miliani's Filipino grandfather taught her. But when Jasmine is killed by a drunk driver, the world they have always known is left haunted by grief...and Jasmine's lingering spirit. Determined to bring her back, the surviving friends band together, testing the limits of their magic and everything they know about life, death, and each other. And as their plan to resurrect Jasmine grows darker and more demanding than they imagined, their separate lives begin to splinter the bonds they depend on, revealing buried secrets that threaten the people they care about most. Miliani, Inez and Natalie will have to rely on more than just their mystical abilities to find the light. Thrilling and absorbing, *Deep in Providence* is a story of profound yearning, and what happens when three teen girls are finally given the power to go after what they want. "Magic runs like a glittering thread through this densely woven tale of friendship, grief, and identity, and what begins as a backbeat of creeping dread deftly builds into a landscape of supernatural terrors. Neilson balances her page-turning fantasy narrative against the coming of age of a trio of bereaved best friends with grace, delicacy, and startling humanity."

—Melissa Albert, *New York Times*-bestselling author of the *Hazel Wood* series and *Our Crooked Hearts*

When she left town to chase her dreams, she crushed his. Robert Winters is a small-town sheriff who is acutely aware of his role as the third wheel. He can't let go of the past, no matter how hard he tries. He's only been going through the motions for the last five years since his almost fiancé left their small town to chase her dreams. Jessie Sorenson Pendleton takes a broken heart to New York City, knowing she'll never love like that again. Affection for an attractive man is the best she could hope for. Unfortunately, the charismatic and persistent investment broker who sweeps her off her feet turns out to be controlling and abusive. Now, Jessie is back, running from the abusive husband who vowed to kill her if she ever left. Robert has promised to protect her and her secrets, but he isn't sure he can do so without falling in love with her all over again. And when Jessie's husband turns out to be more persistent than Robert expected, both of their lives are in danger. (Content Warning: Victims of domestic violence may find some scenes in this book disturbing.)

'Compelling and innovative... Barry takes a story that has been done countless times before and makes it seem original' - Daily Mail She is the ultimate weapon. She once served us. Now she's got her own plans. Once we approached the aliens in peace... and they annihilated us. Now mankind has developed the ultimate killing machine, the Providence class of spaceship. With the ships' frightening speed, frightening intelligence and frightening weaponry, it's now the salamanders' turn to be annihilated... in their millions. The mismatched quartet of Talia, Gilly, Jolene and Anders are the crew on one of these destroyers. But with the ship's computers designed to outperform human decision-making in practically all areas, they are virtual bystanders. The Providence will take them to where the enemy are and she will dictate the strategy in any battle. The crew's only job role is to publicise their glorious war to a sceptical Earth. Social media and video clips are THEIR weapons in an endless charm offensive. THEIR chief enemy is not the space reptiles but each other, and boredom. But then everything changes. A message comes from base: the Providence is going into the Violet Zone, where there are no beacons and no communications with Earth. It is the heart of the enemy empire - and now the crew are left to wonder whether this is a mission of ultimate destruction or, more sinisterly, of ultimate self-destruction... PROVIDENCE is a dazzling, inventive, and thought-provoking new novel from the author of *Lexicon*.

The Prince of Providence

Providence Handled Practically

This extensive work compiles all the known history of the city of Providence, and includes a general history of the State of Rhode Island, how Providence came into being and its progression and establishment of city government in the mid-1800s.

Paul Helm introduces the doctrine of divine providence--focusing on metaphysical and moral aspects and especially noting divine control, providence and evil, and the role of prayer. In the Contours of Christian Theology.

In the old world shadows of Providence, Rhode Island, Nina Grey finds herself the center of a war between Hell and Earth. Struggling with her father's recent death, Nina meets Jared Ryel by chance...or so she believes. Although his stunning good looks and mysterious talents are a welcome distraction, it soon becomes clear that Jared knows more about Nina than even her friends at Brown University. When questions outnumber answers, Jared risks everything to keep the woman he was born to save—by sharing the secret he was sworn to protect. When her father's former associates begin following her in the dark, Nina learns that her father is not the man she thought he was, but a thief who stole from demons. Searching for the truth behind her father's death, Nina stumbles upon something she never expected—something Hell wants—and only she holds the key.

Bd. 1

Native Providence

Soon after the American Revolution, certain of the founders began to recognize the strategic significance of Asia and the Pacific and the vast material and cultural resources at stake there. Over the coming generations, the United States continued to ask how best to expand trade with the region and whether to partner with China, at the center of the continent, or Japan, looking toward the Pacific. Where should the United States draw its defensive line, and how should it export democratic principles? In a history that spans the eighteenth century to the present, Michael J. Green follows the development of U.S. strategic thinking toward East Asia, identifying recurring themes in American statecraft that reflect the nation's political philosophy and material realities. Drawing on archives, interviews, and his own experience in the Pentagon and White House, Green finds one overarching concern driving U.S. policy toward East Asia: a fear that a rival power might use the Pacific to isolate and threaten the United States and prevent the ocean from becoming a conduit for the westward free flow of trade, values, and forward defense. By More Than Providence works through these problems from the perspective of history's major strategists and statesmen, from Thomas Jefferson to Alfred Thayer Mahan and Henry Kissinger. It records the fate of their ideas as they collided with the realities of the Far East and adds clarity to America's stakes in the region, especially when compared with those of Europe and the Middle East.

Addressing a topic of perennial interest in Christian theology, this volume offers a constructive account of the doctrine of providence. Mark Elliott shows that, contrary to received opinion, the Bible has a lot to say about providence as a distinct doctrine within the wider scope of God's acts of salvation. This book by a leading scholar of Christian theology and exegesis is a capstone of years of research on the history and theology of the doctrine of providence.

“Part love story, part supernatural thriller and completely engrossing” (People)—from the acclaimed author of You, now a hit Netflix series IN DEVELOPMENT AS A PEACOCK ORIGINAL SERIES FROM THE EXECUTIVE PRODUCERS OF YOU “A dark beauty of a book, Providence kept me up at night with characters that made my heart a little bigger.”—Jessica Knoll, New York Times bestselling author of Luckiest Girl Alive Best friends in small-town New Hampshire, Jon and Chloe share an intense, near-mystical bond. But before Jon can declare his love for his soul mate, he is kidnapped, and his plans for a normal life are permanently dashed. Four years later, Jon reappears. He is different now: bigger, stronger, and with no memory of the time he was gone. Jon wants to pick up where he and Chloe left off—until the horrifying instant he realizes he possesses strange powers that pose a grave threat to everyone he cares for. Afraid of hurting Chloe, Jon runs away, embarking on a journey for answers. Meanwhile, in Providence, Rhode Island, healthy college students and townies with no connection to one another are inexplicably dropping dead. A troubled detective prone to unexplainable hunches, Charles “Eggs” DeBenedictus suspects there’s a serial killer at work. But when he starts asking questions, Eggs is plunged into a shocking whodunit he never could have predicted. With an intense, mesmerizing voice, Caroline Kepnes makes keen and powerful observations about human connection and how love and identity can dangerously blur together. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE “Providence is a novel that doesn’t fit into one box—it’s tender and dark, eerie and cool, heartbreaking but also an affirmation of the power of love. Kepnes perfectly captures each character’s struggle and pain in such a unique, unconventional way that every page—every sentence—is a delightful surprise.”—Sara Shepard, #1 New York Times bestselling author of Pretty Little Liars “Caroline Kepnes is cool right this minute. . . . [Providence is] terrifically conceived and executed. . . . Kepnes has an exhilarating, poppy, unexpected voice.”—The New York Times Book Review “An addictive horror-tinged romance that’ll keep you guessing.”—Entertainment Weekly

Grand Strategy and American Power in the Asia Pacific Since 1783

Annals of the Town of Providence

The Question of Providence

The traditional doctrine of providence has fallen on hard times in the face of human suffering, such as that of September 11, 2001. In this clear and engaging book, Charles Wood seeks to renew reflection on doctrine of providence by reexamining features of the classical doctrine and reorienting the doctrine in a way that coheres more fully with the gospel. Woods argument moves in two directions: first, by examining recent thinking about the function of doctrine, Wood sheds light on what the doctrine of providence is supposed to do and how one might assess its adequacy. Second, Wood proposes a reorientation of the doctrine around the central Trinitarian and christological commitments a reorientation that moves beyond neglecting the doctrine of providence and toward a new way of understanding Gods involvement with the world.

Native Providence reveals stories of Native urban life in Providence, Rhode Island, shaped by the dynamics of colonialism, race, and class and not least by the survivance of people who today live among the ruins of modernity.
