Radium Halos is historical fiction based on the true events of the Radium Girls: a group of female factory workers who, in the early 1920s, contracted radiation poisoning from painting luminous watch and clock dials with radium paint. Our narrator is Helen Waterman, a 65-year-old mental patient who worked at the factory when she was 16. She tells us her story through flashbacks, slowly revealing her past, the loved ones she's lost, and the dangerous secrets she's kept all these years. "While the subject matter is intense, the tone of the novel is surprisingly light. Thanks is due to Helen who adds humor through her naive and bluntly honest outlook."The Historical Novel Review"At turns humorous, feisty, and heartrendingly childlike, Helen's narrative voice is powerfully blunt."Red Adept's Kindle Book Review Blog"5 Stars.....this was a novel to tug at the heart."FOREWORDby Leonard GrossmanFive years before I was born, my father, Leonard J. Grossman, represented women from Ottawa, Illinois in litigation against the Radium Dial Corporation seeking not merely damages but also recognition of what had been done to them. I grew up in the shadow of the Radium Dial case, a landmark in workers' rights in this country. I was deeply proud of my father and infuriated, as he was, by the injustice inflicted on these women. I am sure this background is one reason I became a government lawyer enforcing workers' rights. So when I came across Radium Halos by Shelley Stout I was very excited. Sometimes fiction can speak truth in ways that the bare facts cannot. Ms. Stout has found a unique voice in which to tell the tragic story of the Radium Dial workers and at the same time to say much about life in this country. The story goes beyond the Radium Dial case and reflects much about our attitudes toward work, women, mental illness and aging. Along the way it speaks of fear and loyalty and truth itself. Leonard Grossman September 2009

Forced to prove herself she hunts her next mark, a werewolf. Injured and hungry, she is forced to do what she must to survive. Her actions upset the ancient council and she finds herself now being the one thing she has always despised -- the Hunted. Tori has no other option but to run. She's disappointed the Council, attacked and killed an Elder and now Vlad, her abysmal father, is determined to find her. When secrets of the past reveal themselves, she finds herself at a crossroad. Unsure of which way to go, she must trust in other supernaturals to help guide her—something she has never allowed before. Forced to go against other Hunter vampires, she is backed into a corner where her only way out is to fight, or die trying. Book 3 Coveted When Evan is obviously been kidnapped by the Council, Tori will stop at nothing to get him back. At the same time, she's disappointed to learn Malcolm, her old hunting partner, is hot on her trail. Malcolm knows her very well as they worked together for

countless decades. He knows her every move and her every hiding spot. She seeks Finns help. Finn has been alive for centuries and has somehow managed to stay completely off the Council's radar by living off the grid. She's confident he can keep her, Eddie, and Trent safe while they come up with a way to get to Evan. Vlad wants her - dead or alive, it seems to no longer matter. Tori will do whatever is needed to keep Evan safe, even if it means coming up against her father and hunting him. Book 4 Twisted Tori's mortal enemy, Vlad Montour, just happens to be the most powerful vampire in the world--and her father. He's got the world's most lethal network of allies, along with a near impenetrable fortress. Trained by him to be a Hunter, she's killed other supernatural creatures for a living. Tori's world is turned upside when she finds herself now being the one hunted. In the past, Tori's lived by the rule: if you love no one, you can't be hurt. Suddenly this rule can no longer hold up. She has a brother to protect, a werewolf she's in love with and is pregnant with his child. Life changes in the blink of an eye. She makes herself a new vow: take out anyone who would hurt the people she loves. The only way to stop Vlad is to beat him at his own game. Except how do you beat someone who never loses? How do you stop an original without dying in the process? How far would you walk through hell, to save the ones you love? This is Tori's story in one complete box collection! Victoria's Journey:

USA Today Bestselling author, W.J. May, brings you to a new level of fantasy. Fans of Underworld and paranormal worlds will love this story! **PARANORMAL HUNTRESS BOX SET** is the first 3 books of the Paranormal Huntress series - altogether in one collection! "The wise learn many things from their enemies." My name's Atlanta Skolar, and I'm a huntress. No, not the vampire-slaying type, or the ever-brooding Winchester brothers from Supernatural. I live a relatively normal life—during the day at least. I go to school, have friends, and try my best to survive Uncle James' horrendous cooking. However, the nights in the city of Calen are not always calm. There's a thin veil between our world and the world of monsters, the good and the bad. I'm one of the few who stands between the two. With the help of my uncle, who's taken me in since my parents' deaths, I spend the nights making sure the balance is maintained and that each side keeps to their respective places. At least, that was until something rattled the cages and everything hit the fan. There's a new evil in town, an evil that's been here before, and it may be responsible for my parents' deaths. An evil that isn't satisfied with the balance. It'll do all it can to make sure darkness falls over Calen and the rest of the world once again. Scary? That ain't the half of it. It's particularly interested in me. Why? No idea. But it's my job as a huntress to make sure the evil is stopped, no matter what. **BOOK 2** The city of Calen has fallen. The forces that once held the city as one are scattered and drained of power. Adelaide, one of the witches who's haunted and threatened the peace once made by the elders in the territory, has regained her power by releasing the hybrids she's created. She's determined to destroy Calen and all those who stand in her way. Atlanta, the Druid huntress, responsible for unlocking the hybrids and the murder of her uncle, tries to come to terms with what's happened. The fate of Calen rests in too few hands. Divided sanctions, Vamps, Wolf and Druid, must unify or each race stands no chance of survival. **BOOK 3** Calen has fallen. Everlore has fallen. Atlanta Skolar is on the run. Barely escaping the clutches of Adelaide, and believing her mother is dead, she escapes the fires of the ancient city. Her escape, though, is bittersweet. Coupled with the unknown ability she has

recently discovered, and the curious case of her platinum colored hair, she has yet to find a way to defeat the witch and her followers. Joined by her band of trusted friends, Atlanta must work to find the remaining Lunar Books and figure out the secrets within if she wants to stop Adelaide's conquest for complete dominance. But with hybrids and the compelled hot on her trail, the task seems almost impossible. Atlanta must find the strength within her, and unleash the powers of the Coven Master, if she wants to ensure the survival of her friends...and herself.
