The brilliant #1 New York Times bestseller Named a best book of 2020 by The New York Times, The Washington Post, TIME, The Guardian, and many more With The Mirror & the Light, Hilary Mantel brings to a triumphant close the trilogy she began with her peerless, Booker Prize-winning novels, Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man's vision: of a modern nation making itself through conflict, passion and courage. The story begins in May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The blacksmith's son from Putney emerges from the spring's bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, a man with only his wits to rely on, has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to the breaking point, Cromwell's robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune's wheel turns, Cromwell's enemies are gathering in the shadows. The inevitable question remains: how long can anyone survive under Henry's cruel and capricious gaze? Eagerly awaited and eight years in the making, The Mirror & the Light completes Cromwell's journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a

husband and a father, a man who both defied and defined his age.

Join Rafe as he survives white-water rafting, camp counselors, and rock climbing in this hilarious New York Times bestseller from the Middle School series. After a rough summer, Rafe is heading back to the dreaded Hills Village Middle School, the site of the very worst years of his life. And as if that's not bad enough, he's learned that he's going to be held back a year unless he can prove himself on an outdoor survival excursion—complete with dangerous white-water rafting, dizzying rock climbing, and fanatical counselors. Rafe and the rest of the pack of "delinquent" trainees are forced to cooperate as they prepare for the final test: a solo excursion in the deep woods. Can Rafe come out of the experience in one piece? And if he does, will he go home as the same insecure kid? Both heartwarming and hilarious, *Save Rafe!* is a story of perseverance and courage as only James Patterson could tell it.

Imogen, Lady Maitland, has decided to dance on the wild side. After all, she's in the delicious position of being able to take a lover. A discreet male who knows just when to leave in the morning. But Lady Maitland is still under the watchful eye of her former guardian, the wildly untamed Rafe, the Duke of Holbrook. He believes she is still in need of a "watchdog." She laughs at the idea that someone so insufferably lazy and devoted to drink can demand that she behave with propriety. It's Rafe's long-lost brother, a man who looks precisely like the duke but with none of his degenerate edge, who interests Imogen. To Imogen, he's the shadow duke . . . the man who

really should hold the title. But when Imogen agrees to accompany Gabe to a masquerade...whose masked eyes watch her with that intense look of desire? Who exactly is she dancing with? The duke or the shadow duke? Rafe . . . or Gabe?

The Fire Chronicle

The third installment in fan-favorite author Rachel Hawthorne's Dark Guardian paranormal romance trilogy, featuring Connor, from Dark Guardian #2. Connor has watched for years while the other Dark Guardians have undergone their transformations into wolves. What he doesn't understand is why he's not feeling any of the inner stirrings that they have. The only stirrings that he feels are for Brittany—he's certain that she's his destined mate. Which makes it all the more devastating when the first full moon after his eighteenth birthday passes and he doesn't transform. He's just desperate enough to become a wolf that he'll go to extremes he never thought possible. . . and put all the Dark Guardians in incredible danger. But does he really need to change to keep Brittany's love? YOU CAN'T WANT WHAT YOU'VE NEVER HAD That's the philosophy Claire Hannaford's always followed. Left in a basket shortly after her birth, Claire's never had a family—and she doesn't think she needs one. Being on

her own means she's free to take nursing assignments wherever and whenever she wants. Her latest assignment brings her to the Parker Ranch to care for ailing Mae Parker, the clan's formidable matriarch. Claire's never seen a family like this one. They all seem to be strong-willed and no-nonsense. And they don't exactly approve of Claire—since Mae went behind their backs to hire her. But one member of the extended family, Tanner—as much an outsider as Claire—stands out. Before long, Tanner and the rest of the Parkers have Claire wondering if she's been lying to herself all these years. The West Texans: Welcome back to West Texas and the Parker Ranch! Lucifer and his army triumphed at Armageddon, leaving humans and demons living in uncertain peace based on sacrifice and strict laws. It is up to those with mixed demon and human blood, the Host, to prevent society from falling into anarchy. Noon Onyx is the first female Host in memory to wield the destructive waning magic that is used to maintain order among the demons. Her unique abilities, along

with a lack of control and a reluctance to kill, have branded her as an outsider among her peers. Only her powerful lover, Ari Carmine, and a roguish and mysterious Angel, Rafe Sinclair, support her unconventional ways. When Noon is shipped off to a remote outpost to investigate several unusual disappearances, a task that will most likely involve trying and killing the patron demon of that area, it seems Luck is not on her side. But when the outpost settlers claim that an ancient and evil foe has stepped out of legend to commit the crimes, Noon realizes that she could be facing something much worse than she ever imagined...

In a red-hot saga from New York Times bestselling author Kay Hooper, a Delaney rebel finds his saving grace in the arms of a woman who's also wild at heart. Tiny, blond Maggie O'Riley may look like a delicate doll, but her skill as a horse trainer able to tame even the most violent animal has made her a legend. As for her new boss, Rafe Delaney,

*everyone knows that no mortal woman will ever gentle that man. He's too sexy, stubborn, and decidedly single for anything more than a fling, and that's not Maggie's style. But life at Shamrock Ranch has a funny way of bringing out the Irish in everybody—and before Maggie can list all the reasons her attraction to Rafe is just plain wrong, she's losing more than her willpower in the heat of his touch. Rafe is used to calling the shots on his family's legendary Arizona ranch, but beautiful, talented Maggie sends his head spinning, his heart racing, and his body aching in overdrive. She's not the kind of distraction he needs as ruthless saboteurs stage a deadly showdown to break the Delaneys—but since when did Rafe ever back down from a challenge? Especially considering the only thing that's ever tamed a Delaney man is a spirited and determined woman who's brave enough to try. Hunting Wolf: Black Mesa Wolves 3 (Wolf Shifter Romance Series)

With historical mysteries and tales of Tudor England in high demand, acclaimed author Fiona Buckley returns with a poignant new novel featuring Ursula Blanchard, waiting woman and secret agent for Queen Elizabeth I. Still loyal to her royal mistress but needing to be with her French husband, Matthew de la Roche, Ursula begins to build a new life for herself at Matthew's château. She loves Matthew, although she longs desperately for her little girl, Meg, left behind in England. But when Meg's passage is finally arranged, the child is missing. Where is she, and could her disappearance be part of a plot to tempt Ursula back to her homeland? Frightened for her child, Ursula follows a trail that leads to the home of the ancient Mortimer family, the mysterious Vetch Castle, a

grim, haunted keep on the Welsh border. There she finds castle owner Philip Mortimer, who boasts that he will force Queen Elizabeth to restore the fortunes of his once-great family. There, too, Ursula finds Philip's mother, the aging but still beautiful Lady Thomasine, who is frightened by her son's claims and pleads for Ursula's help in discovering what it is that he knows. What deadly secrets does this castle hide? What ghostly faces look from the windows of the deserted southwest tower? What has Philip Mortimer discovered? The secrets of Vetch Castle could be dangerous, especially if they concern the Queen -- dangerous to the Mortimers and to Ursula and those she loves, as she soon learns to her peril. Richly evocative of its rugged English and Welsh setting, precise in its historical detail, and filled with memorable characters, *To Ruin a Queen* will affirm Fiona Buckley's growing reputation as a queen of historical crime.
