

## ***Rich Dads Prophecy Why The Biggest Stock Market Crash In History Is Still Coming and How You Can Prepare Yourself And Profit From It***

Bernadette and Norman Smith have just celebrated their fiftieth wedding anniversary. After all these years, they are still romantic and in love. They have four children who all have children of their own. The children live in nearby Los Angeles not far from the retirement park where Bernadette and Norman are living. Of all the grandchildren she has, Bernadette has a favorite, Eddie. She and Eddie, who is a teenager when the book begins, have many interests in common. They love books, history and language. And Eddie likes to help Bernadette do small things like show her how to use an iPod. When setting up her computer he scatters his back pack belongings all over the sofa in the study. He hurriedly grabs them up when his dad says it is time to go. Bernadette thinks that the study could use a little change of décor. As she slides the sofa away from the wall she discovers a book wedged in between the wall and the sofa. The book is *Infinite Jest* by David Foster Wallace. On the inside cover someone has written "Eddie's Bible". Bernadette believes that Eddie has left her this treasure -- a modern translation of the Bible specifically for young people. And she begins to read it. She doesn't tell anyone about the book, but it starts to influence her decisions and beliefs. As she is beginning her senescence, her mind is aging, too, and logic is fleeing. She, in fact, is showing senility. How will the book influence her decisions about her children and grandchildren? How will it change how she copes and how she feels as old age begins to take its toll on both she and Norman. When their children have problems in their marriages and her grandchildren become unapproachable and her husband's health as well as her own begins to fail, how will "Eddie's Bible" help her, or will it at all? There are no quotes or references to Wallace's book in this novel. The novel is not based on any of his work or on any work about him. And could there be a more odd selection of novels to even refer to in this more delicate story? Perhaps you will find out why I chose that book as you read.

The tenth book in the series provides firsthand accounts of the author's startup companies, what he learned from his successes and failures, and other topics a reader needs to know in order to start a company and quickly develop it.

Children really need to have and read this book lots so they never have to get a job and work. Losing your free time for fun things, to having to go work to get money instead. If you learn everything in this book all about money and what to do with it, and really understand it all. You will never need to work for money and your never to have a Job. Money is everywhere and everything. If we can understand it and learn to control it, you will never have to work for money. Let your money work for you so you can enjoy your life doing the things you enjoy doing. If every kid only learns and does this one thing, we will all be rich no matter what we want to do when we grow up. LET'S FIND OUT MORE.

Why cutting up your credit cards won't make you rich A popular TV personality often says, "Take out your credit cards and cut them into pieces." While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich \* Are you in credit card debt? \* Is job security dead? \* Is your financial security threatened? \* Is a high-paying job the answer? \* Is your money working for you? \* Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

Rich Dad's Rich Kid, Smart Kid Pb Special

In the future, the past will never be the same... By the end of the 25th Century few had as storied a career as Doctor J. Burke. An historian who used quantum superluminal teleportation to mingle among her forebears through twenty different decades making discoveries and recovering lost artifacts, she was the last of the Historical Archive Collection's 'big three' antiquinants. The physical effects of the profession had grounded jovial Ike Chernovich in old San Francisco, companion Braham Lilienthal had vanished without a trace three years before, and the indifference of the Minders from the future, who were best positioned to help, left Burke with a weary cynicism. Only the promise of a special mission, the brainchild of rookie archivist Nathan Rialto, brought her back again. It was Burke's specialty, the recovery of a glamorous old airliner from 1951 using a revolutionary new teleport, and in California as well. She would gather her trusty team of specialists, teach the rookie the ropes and perhaps contemplate a different kind of future afterward with Ike. From the moment it

**began it felt as if the whole mission had been created just for her...and that was only the beginning of her problems!**

**Reveals how to actually speed up and maximize the return on investments to achieve total financial independence.**

**For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth:**

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.**
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep."**
- o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can.**
- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.**
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.**

**Drama and Thrills - liberally spiced with Romance and Humor**

**Marcia Thompson is a celebrated dancer in 1920's Melbourne Australia. When her best friend is kidnapped at Flemington racecourse, Marcia receives a ransom demand - the first of several - as other people she loves also fall prey to a very clever extortionist who will stop at nothing to ruin Marcia - financially, physically and emotionally. Marcia is driven to her wits end as the extortionist leads her on a not-so-merry dance around the state of Victoria. For a long time, she has no idea who this person is or why he is persecuting her. Her fiancé is Inspector Jack O'Brien who is singled out for special treatment by the extortionist, but through some dogged detective work he manages to break into the extortionist's group of accomplices. He does his best to protect Marcia but when the kidnapper strikes again, Marcia decides enough is enough and circumstances force her to hatch a daring plan that will end in either her death - or freedom.**

**Rain of Grace**

**Rich Dad's Conspiracy of the Rich**

Success is measured not by the size of your brain, but rather by the size of your thinking. This intrigues a lot of people, and if you observe how people behave, you will have a clear understanding of what success really means. Time and time again, history and experience have proved that the degree of our general satisfaction and happiness is dependent on how we think. There is magic in thinking big! Positive thinking helps accomplish so much in our life, but unfortunately not everyone thinks that way. We are all products of our thinking that goes within and around us. There is an environment around us that exerts all sorts of forces on your thinking; some will push you up the ladder while others will pull you down. We have been told many times that opportunities to lead are no longer there; hence we should be content with who we are without having positive aspirations on leadership. The petty environment surrounding us also has its own narrative concerning our lives. It constantly tells us that whatever is destined will eventually happen and we have no control over it. Leaving your fate in the hands of chance can potentially ruin your life and make you miserable. Therefore, before you start giving up your dreams of a finer home or giving a better life for your children, stand firm and resist resigning to fate. Do not lie down and wait to die. Success is worth every effort you expend, and every step you make pays a dividend. Even in an environment where competition is intense, you still can succeed as long as your thinking is in the positive quadrant of your mind frame. The basic concepts and principles that underlie the power of thinking big are drawn from the highest-pedigree sources and the finest thinking minds such as Emerson who said "Great men are those who see that thoughts rule the world." Milton who wrote in his book Paradise Lost, "The mind is its own place and in itself can make a heaven of hell or a hell of heaven." Shakespeare made an interesting observation about thinking which he summarized and said "There is nothing either good or bad except that thinking makes it so." Proof is everywhere that thinking big indeed works. When you look at the lives of people who you consider as big thinkers, you will be amazed at their winning success, happiness and achievements. This book will show you proven strategies from different life situations that will turn your life around. It's much easier to become a money machine on the road to wealth if you first get rid of the debt that's choking your engine. You've seen all the goofy ideas and fads that don't work. Now it's time to get back to basics with a simple, time-tested, step-by-step plan that anyone can follow. Arm yourself with the truth about getting out of debt. Knowledge is power and you're going to get it. Find out: Whether your mortgage is good or bad (the answer may surprise you!) About the Power Pay Off Plan (and how Sam saved 20 grand) The secrets to successfully get out of

debt Where to find the money you need for debt free living How much money you ought to be putting towards paying off debt The truth about debt consolidation (including pitfalls to avoid) How to use insurance to protect yourself from the unexpected What to do next, once you've started on the road to wealth Your student loans, mortgage, car loans, and credit card balances can all be gone with the straightforward strategies you'll learn in this book. You don't have to feel stress, shame, or embarrassment over it for one moment longer. You're going to take control and change your life for the better. You'll also get free access to The Debt Destroyer. This wickedly good tool will create a customized plan for you to pay off debt and ensure that more of your money stays in your pocket. You don't have to tackle this alone, and you don't have to be rich to pull this off. If you want debt help on a budget - with straight talk and no tricks - you'll find everything you need right here. Debt relief can be yours. Buy this book today and get started. It's your turn.

In this compelling sequel to Power Quest Book One: America's Obsession with the Paranormal, S. Douglas Woodward reveals the hidden history of Nazi infestation of American institutions after World War II. Beginning with the 1952 flying saucer flap over the nations capital and concluding with the CIA's clandestine mind control agenda of the 1950s-1970s, the reader is confronted with highly charged and seldom known facts. The story centers on America's erstwhile alliance with German fascism linked to the infamous personalities of Hitler's Nazi Party who escaped the war crimes trials at Nuremberg. In this second volume of Power Quest, The Ascendancy of Antichrist in America, Woodward brings to the reader the recently declassified proof our America has often shunned its most noble ideals. The author uncovers a vast record of unethical and deceptive Federal activities committed in Washington's darkened corridors of political power. Woodward condenses mountains of highly reliable research compiled by authoritative investigative journalists and insiders along with his own well-turned analysis, demonstrating that the political and spiritual evil of Nazism was often excused and encouraged by American officials as part of a blind quest to fight communism during the Cold War. Woodward makes no secret of his evangelical perspective. But Power Quest: The Ascendancy of Antichrist in America is not a selective proof texting of biblical assertions or a diatribe against liberal political views. His account is a factual his-tory that most Americans have never heard. For conservative Christian readers, Woodward speaks prophetically - challenging the cherished assumption held by political conservatives that America traditionally takes the moral high ground. And he poses an alternative view to the typical eschatological position, asking "Could America be the seat of power for a literal personage the Bible calls Antichrist?"

Explains how Baby Boomers can look forward to a profitable retirement by presenting a detailed financial plan to help them prepare for the worst and avert a long-term financial crisis.

10 Real-Life Lessons Every Entrepreneur Should Know About Building a Multimillion-Dollar Business

*Miracles happen today. Do you want to increase your faith? Read about miracles. True stories of God's faithfulness, love, and power are woven together with art, poetry and scripture into a tapestry made of the colors of the rainbow that demonstrate the many aspects of faith. A woman finds herself in a car accident on a lonely Nevada highway gazing at her two daughters sprawled on the road. She screams in terror for help. Someone places a white gold cross in the palm of her hand. This changes everything. "A White Gold Cross," one of the true stories found in "Faith Colors, Encounters with God in Living Faith," explores the power of faith in God to transform the outcome of a terrible crisis. This story is found in the section called White Faith, the kind of faith that strengthens the inner heart to persevere. A son prays in earnest while the emergency team from the fire station try to revive his father. After the paramedics give up and permission is granted to stop CPR, the father miraculously begins to breathe on his own. But will he survive long enough to take care of his unfinished business? This story is found under Blue Faith, the kind of faith that looks up from a dark pit to find hope. These testimonies and others, including some of the author's own experiences, are grouped into the colors of the rainbow to highlight important aspects of faith. Poems and prophetic art, intensifying the impact of the messages, are found throughout the book. Each color section concludes with a prayer to draw the reader's heart closer to God. Scriptures and colorful prophetic pictures featured in this book highlight significant attributes of faith that are bound to spark hope in God and His promises found in the Bible.*

*Strength comes in numbers of merry men. Philip, one of the lost children of Fairedale, wakes in the woods outside the village of Lincastle, surrounded by the forest's most frightening creatures. Thus begins his daily battle to outsmart the creatures that would like nothing more than to eat him, requiring Philip to construct a makeshift bow out of limbs and leather and become, in a few days' time, a master archer. One day, while Philip is out hunting, he meets one of the legendary merry men. After discovering he can miraculously shoot an arrow and hit a bulls-eye, the ragged men invite Philip to join them in stealing from the rich of Lincastle and giving to the village poor. But in spite of his valiant efforts and his extraordinary bravery, Philip will need more than just the merry men to rescue him*

from what is coming. *The Boy Who Robbed the Rich* is the eighth book in the *Fairendale* series, an epic fantasy middle grade series that explores both familiar and unfamiliar fairy tales, legends, myths, and folk tales. The world of *Fairendale* revolves around villains and heroes--all on a quest for what they believe is right. But one cannot always know, at first glance, who is the villain and who is the hero. Throughout the series, the story of King Willis and his determination to keep the throne of *Fairendale* is woven into the story of his son, Prince Virgil, heir to the throne and friend to the village children, and the story of fairy tale children fleeing for their lives--children who become what we know as fairy tale villains, for one good reason or another. But, remember, one cannot always know, at first glance, who is the villain and who is the hero.

About the Author Gustavo E. Acevedo, is an ordained minister, accountant, business man and an author, has dedicated more than 30 years of his life serving people. His long experience in different areas of his life backs up his works and books that he has written such this one.

This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you-- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

***It's Robert Kiyosaki's position that "It is our educational system that causes the gap between the rich and everyone else." He laid the foundation for many of his messages in the international best-seller Rich Dad Poor Dad -- the #1 Personal Finance book of all time -- and in Why the Rich Are Getting Richer, he makes his case... In this book, the reader will learn why the gap between the rich and everyone else grows wider. In this book, the reader will get an explanation of why savers are losers. In this book, the reader will find out why debt and taxes make the rich richer. In this book, the reader will learn why traditional education actually causes many highly educated people, such as Robert's poor dad, to live poorly. In this book, the reader will find out why going to school, working hard, saving money, buying a house, getting out of debt, and investing for the long term in the stock market is the worst financial advice for most people. In this book, the reader will learn the answers Robert found on his life-long search, after repeatedly asking the question, "When will we learn about money?" In this book, the reader will find out why real financial education may never be taught in schools. In this book, the reader will find out "What financial education is... really."***

In late January, 2009, Robert Kiyosaki launched CONSPIRACY OF THE RICH - a free online book which was written in serial ba to help people understand how the current recession came about, and what they need to learn on how to survive through th rough years. An unprecedented publishing event for Kiyosaki and The Rich Dad Company, CONSPIRACY OF THE RICH is an interactive, "Wiki-style" project in which Kiyosaki has invited feedback, commentary, and questions from readers across the g The response so far has been totally fantastic. Millions and millions of readers have flocked to the website (www.conspiracyoftherich.com) to read what Robert has to say about the recession, and the readers have posted thousands comments. Some of those reader comments will even be included in the final tradepaper version.

Suburban Metal Dad, Compendium One: Raging Bullsh\*t collects Years III and IV of the terrible webcomic by D.X. Ferris. Metal grew up listening to Megadeth and raging against the machines. But now he's older, he has a family, and he needs to harmon with the people around him. So he can't punch his pinhead boss when he wants to. And he usually wants to. Some of the cor a-day strips. Some are episodes from multi-part storylines. Some are single panels. Some are esoteric (read: poorly written po references). Sometimes they're bitter. Sometimes they have heart. Sometimes they're running bits. Some are random ideas th nothing to do with anything. Sometimes they're metal. But they all have a low-tech punk-rock quality (or lack thereof). You're but you know you got it good. This is the struggle. This is Suburban Metal Dad. Compendium One features 162 black & white strips, eight even-worse demo strips, an updated SMD FAQ, a foreword, and a true-life Metal Dad story (so there's stuff to r addition to stick figures and sloppy lettering).

8 Lessons in Military Leadership for Entrepreneurs

*Robert Kiyosaki's new book 8 Lessons in Leadership draws from his years at the Merchant Marine Academy at Kings Point and his service in the United States Marine Corps. With compelling stories and examples and a engaging way of comparing and contrasting two very different cultures and value systems, Robert shares the challenges he faced in transitioning to civilian life&hellip;where chain of command and team-over-self--once so black and white--were muddy and distorted. "Permission to speak freely, sir?" Count on it. This is Robert Kiyosaki--and he does just that, in the forthright and no-nonsense style that readers have come to expect and appreciate. From Robert's perspective, military training shapes lives and supports entrepreneurship. The training, discipline, and leadership skills taught in the military can be leveraged for huge success in the civilian world of business. Highlights of 8 Lessons in Leadership include sections on Mission and Team, Discipline, Respect, Authority, Speed, the Power of Connectivity, Leaders as Teachers, Sales and Leadership.*

*WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN*

*When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything.*

*Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking*

## Online Library Rich Dads Prophecy Why The Biggest Stock Market Crash In History Is Still Coming and How You Can Prepare Yourself And Profit From It

*the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.*

*Michael Dante played the title role in Winterhawk (1975), a Western about a legendary Blackfoot Chief's character and his principles. In this novella sequel, he pens an ageless saga about ruthless railroad executives trying to assassinate him in order to build their railroad directly through his territory, taking the Blackfoot land without provocation. Winterhawk and his tribe remain strong as long as they can, to protect the land of their people, the land they call home, before the invasion of progress imposes itself on America. This inspiring story of a brave man, who stands up to and fight against those who have their own agenda for his land, evokes the nostalgic atmosphere of Western series that Dante frequently appeared in during American television's Golden Era, such as Death Valley Days, The Big Valley, Daniel Boone, Custer, The Texan, Bonanza, Maverick, and Cheyenne.*

*Kady must learn to unleash the magic trapped inside her if she is to help the mage Pylum rescue her aunt. As Kady learns her way around the Temple of Light and takes classes to help her understand magic, she makes new friends like Jasper and learns more about the mysterious mage who helped her in book one: Akilah. Will Kady be able to unleash her power, and what else might she find when her bonds are broken?*

The Minor Prophets were the courageous and true spokesmen for God during the time of the great Assyrian, Babylonian, and Persian empires. Joel's prophecy appears to be the first of all the books of prophecy, and Malachi the last. They are called Minor Prophets because they are shorter in length than the Major Prophets. However, their writings are no less important. We will look at the prophets in their chronological order. Joel, Jonah, Amos, Hosea, and Micah prophesied during the Divided Kingdom. Nahum, Zephaniah, Habakkuk, and Obadiah were prophets in Judah before the Babylonian Exile. Haggai, Zechariah, and Malachi prophesied after the return to Jerusalem from the exile. Jonah of Israel and Nahum of Judah prophesied against the city of Nineveh in Assyria. "Before the time of Christ these twelve books were joined together to make one scroll known collectively as "The Twelve."

Book 1 of Fated Eternals An endless love, for an endless price. Jack ' s immortality is exposed when he prevents a liquor store heist, forcing him to flee to protect his secret—a secret not even he understands. But when he meets Leah Winters—a mirror image of his decades-lost love, Lydia—his very soul is laid bare. He begins to question his sanity. Is she real, and if so, what does that mean for Jack and his secret? Jack ' s not the only mystery man in town. A stranger named Artagan hints at knowledge Jack is desperate to possess. But can he trust Artagan, or does the dark newcomer harbor deadly secrets of his own? As Jack ' s bond with Leah grows, so does the danger to her life. Jack must discover just how much he is willing to risk in order to save the woman he already lost once. Keywords: Paranormal, Romance, Immortal, Love

When the generation known as 'Baby Boomers' begin to retire and cash in on their plans, there's a chance that this drain on reserves could cause a major devaluation in people's savings. This book offers a plan to help you prepare for the worst, offering alternative investments.

How do you get a child interested in learning about finance? Give them a comic book! Robert Kiyosaki, author of the Rich Dad series, recognised the increasing need for people to begin their their journey to financial literacy - and life-long wealth - as early as possible, even before they become teenagers! In Escape from the Rat Race basic lessons about 'working to learn, not to earn', buying assets and understanding the financial statement are revealed through the kid-friendly tale of Timid E Turtle. When Tim runs out of cash at an amusement park his savvy friend, Red E Rat, shows him how to make money work for him - and tells Robert T. Kiyosaki's own riveting account of learning the basic principles of financial success. Illustrated with full-colour sequential art that ties in to Rich Dad's popular cashflow games and Website, here's a book that allows children - and reluctant readers of all ages - the chance to take their first steps towards financial success.

Through poetry and story, Daydreams and Night Visions moves us through Charles Henley's transformational journey from a boy hopelessly addicted to drugs, alcohol, and the strife that accompanies addiction, to a man full of hope, love, and joy. In this book of rhymes and wisdom, we get a glimpse of an emotional state of mind we might not otherwise understand. We get a first-hand view of the conversion from and remorse for a life of sin to the daydreams and night visions that Henley experienced during and after his conversion. These visions made him acutely aware of the struggle between good and evil as demonic forces battled for the possession of his soul. This awareness helped him not only prepare for the battle but claim victory over it. This poetic look at a life of a sinner once saved is a look at faith and hope at the end of the road of despair. It's not only written for those who suffer from similar addictions, it's also written to give hope and advice to friends and relatives who feel helpless as they watch their loved ones losing the

battle for their souls—if only for a season.

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

Perfect for new real estate investors or first-time home-buyers. How to find a good deal, how to calculate profits and where to go for financing. We live in an extremely different marketplace now than when the first edition of *Real Estate and Wealth: Investing in the American Dream* was originally published. The initial volume served as an incredible resource for thousands of people, so bearing in mind the tremendous resurgence in the real estate market, real estate expert Sonia Booker felt that it was vital to offer this second, up to date best seller to make it relevant to financing and marketing changes in our current economic climate. This book offers a wealth of information, new topics and ideas with a particular appeal to first-time home buyers who are vacillating about their ability to purchase their "dream house". Sonia encourages her readers to begin by beginning... by purchasing a property with the intention of selling or renting the property and moving on up within a few years. A Portion of the Proceeds From This Book Go to Assist the Philanthropic Endeavors of Habitat for Humanity.
