Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning

Page 52/69

Get Free Service Honda Atv

accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to

Page 53/69

Get Free Service Honda Atv

make their bike, or their kid's, handle like a pro's. The de gives a clear account of the three forces of suspension that you must understand to make accurate assessments of

Get Free Service Honda Atv

your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect

Get Free Service Honda Atv

your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for

Get Free Service Honda Atv

optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.
