

Steven Universe Art Origins

This is a book of deep mysteries revealed to the earth man for the first time by God, through the Harbinger of the last covenant Iyke Nathan Uzorma.

On sale date subject to change. A beautifully realized tome inspired by traditional Japanese aesthetics and featuring art from the delicately crafted video game from Sucker Punch Productions. Dark Horse Books and Sucker Punch Productions are honored to present *The Art of Ghost of Tsushima*. Explore a unique and intimate look at the Tsushima Islands--all collected into a gorgeous, ornately designed art book. Step into the role of Tsushima Island's last samurai, instilling fear and fighting back against the Mongolian invasion of Japan in the open-world adventure, *Ghost of Tsushima*. This volume vividly showcases every detail of the vast and exotic locale, featuring elegant illustrations of dynamic characters, spirited landscapes, and diagrams of Samurai sword-fighting techniques, along with a look at storyboards and renders from the most intense, eloquent, and expressive cinematic moments of the game.

Josceline Fenton (Hemlock) and Chrystin Garland (Adventure Time) help keep Beach City weird with this new four-issue miniseries. Steven takes the Gems out for a camping trip and tells them spooky stories around the camp fire. The Gems don't give him much of a reaction, but they do tell him a spooky story of their own about a monster who turns bad Gems into glass and shatters them. Pearl assures a terrified Steven that it's just a story, but suddenly people around Beach City start turning up frozen in glass...

Jack is back! The hit TV show turned hit comic book returns in this collection of classic Samurai Jack stories. Kicking off with Jack's origin story and continuing through the first of his "Action Pack" tales, see Jack's first battle with Aku as the events that propel the entire series unfold! It's sword-swinging, fist-pumping, vengeance-getting action at its best.

This second edition of the foundational textbook An Introduction to Applied Linguistics provides a state-of-the-art account of contemporary applied linguistics. The kinds of language problems of interest to applied linguists are discussed and a distinction drawn between the different research approach taken by theoretical linguists and by applied linguists to what seem to be the same problems. Professor Davies describes a variety of projects which illustrate the interests of the field and highlight the marriage it offers between practical experience and theoretical understanding. The increasing emphasis of applied linguistics on ethicality is linked to the growth of professionalism and to the concern for accountability, manifested in the widening emphasis on critical stances. This, Davies argues, is at its most acute in the tension between giving advice as the outcome of research and taking political action in order to change a situation which, it is claimed, needs ameliorisation. This dilemma is not confined to applied linguistics and may now be endemic in the applied disciplines.

Do you think you know the truth about what happens in Beach City? THINK AGAIN! Fans of Steven Universe know that Steven and the Crystal Gems are behind most of the strange occurrences that happen in their hometown of Beach City. But Ronaldo Fryman, the town's resident blogger and conspiracy theorist, has some other ideas. This book, created by show writers Ben Levin and Matt Burnett, is a companion to Ronaldo's blog of the same name, and includes his favorite theories and collected evidence. Is Ronaldo a raving, delusional madman or a brilliant, misunderstood visionary (or a little bit of both)? You be the judge!

The official sequel to the bestselling Steven Universe: Art & Origins Steven Universe: End of an Era is the eagerly anticipated follow-up to the bestselling behind-the-scenes companion book Steven Universe: Art & Origins. Showcasing new concept art, storyboards, background paintings, and exclusive interviews, End of an Era will update the history of the Emmy Award-winning series to cover season four through to the critically acclaimed finale, "Change Your Mind," and beyond. Fans can expect a special focus on creator and showrunner Rebecca Sugar's elaborate process for creating the lore for the series, as she and the crew reveal how they discovered and developed the complete story arc for each character, as well as how they were able to design a show that so refreshingly captures and celebrates the experience of childhood. Steven Universe: End of an Era is a heartfelt send-off to one of the most progressive, imaginative, and beloved animated series of our time.

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Netflix's BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, The Art Before the Horse goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: BoJack Horseman 2019 Wall Calendar (ISBN: 978-1-4197-3177-8)

This book assembles ten scholarly examinations of the politics of representation in the groundbreaking animated children's television series Steven Universe. These analyses address a range of representational sites and subjects, including queerness, race, fandom, colonialism, and the environment, and provide an accessible foundation for further scholarship. The introduction contextualizes Steven Universe in the children's science-fiction and anime traditions and discusses the series' crucial mechanic of fusion. Subsequent chapters probe the fandom's expressions of queer identity, approach the series' queer force through the political potential of the animated body, consider the unequal privilege of different female characters, and trace the influence of anime director Kunihiko Ikuhara. Further chapters argue that Ronaldo allows satire of multiple media forms, focus on Onion as a surrealist trickster, and contemplate cross-species hybridity and consent. The final chapters concentrate on background art in connection with ecological and geological narratives, adopt a decolonial perspective on the Gems' legacy, and interrogate how the tension between personal and cultural narratives constantly recreates memory.

A fun-filled book based on Steven Universe, the hugely popular Cartoon Network show about Steven, a lovable boy with growing magical abilities and the Crystal Gems, a trio of powerful women who watch over Steven and protect humankind. Steven Universe: the Tale of Steven

Steven Universe & The Crystal Gems #1

The War of the Worlds

The official picture-book adaptation of "Change Your Mind" by series creator Rebecca Sugar! In 2019, Cartoon Network aired a pivotal episode in its Emmy- and Annie-award nominated series Steven Universe: The hour-long special "Change Your Mind" revealed the highly anticipated culmination of Pink Diamond's storyline. A companion book to the series, The Tale of Steven tells the story of "Change Your Mind" in the same style as the New York Times bestselling The Answer. Featuring an unusual and thought-provoking interactive format, readers will follow the story of Pink Diamond's escape from Homeworld, Rose Quartz's life on Earth, and the creation of Steven Universe, from multiple conflicting perspectives. The Tale of Steven will be an irresistible keepsake for Steven Universe fans of all ages. From the back cover: Once upon a time, a silly, impossible little Gem named Pink Diamond ran away from her Homeworld to the planet Earth. She transformed into Rose Quartz and gave up her existence to create a half-human child, Steven Universe. But so long as Steven has her Gem, can they BOTH exist? Is he her? Is she him? Is she trapped inside his Gem? This is so DISORIENTING! In a story unlike any other-- made up of multiple points of view-- who gets to tell the Tale of Steven?

Beach City gets even weirder in this all-new Steven Universe original graphic novel. As electric disturbances begin causing objects to mysteriously hover all around town, The Gems travel to the Moon Base and back to figure out how to solve the problem and figure out who is causing it.

All the hits from Season 1 of Steven Universe! Steven Universe may have inherited his magical abilities from his mother, Rose Quartz, but there's no doubt that his love of music comes from his father, Greg Universe. Now, fans can learn to sing and play all of Steven's favorite songs--from the tunes he learns on his ukulele, to his father's guitar hits, as well as original songs sung by each of the Crystal Gems. This music book also gives kids the tools and inspiration they need to write their own songs!

Join Steven as he starts his next adventure from trying to save the local library to getting lost inside Pearl's head! It's always a good day to be Steven Universe when you're surrounded by such amazing friends and family. Collects issues #5-8, including all the covers and shorts.
