By outlining the Legion's vicissitudes, victorious campaigns, epic marches, heroic and sometimes hopeless stands, dirtiest combats and dramatic defeats, but also by briefly placing the Legion back in the historical background of France, and by describing its development, organization, uniforms, equipments and weapons, the

When Patricio Carrera's family was murdered by Salafist terrorists aided and abetted by the fleet of alien Earth, the only restraint on his ruthlessness and ambition was also removed. Now, after decades of war and preparation for war in his adopted homeland of Balboa, the last of the Tauran Union Expeditionary Force collapses and is herded into prison camps and ships, where their re-education commences. And finally, Hamilcar Carrera, Patricio's young son, stands poised on the bridge of a clandestine assault transport, ready to obliterate the last enemy base on his planet, even as a small ship is poised to remove the alien interstellar fleet overhead.
