# **The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation**

The history of Neanderthal influence from Atlantis to the contemporary era • Provides evidence of Neanderthal man's superior intelligence • Explores the unexplained scientific and architectural feats of ancient civilizations • Presents an alternative history of humankind since 7500 B.C. with an emphasis on esoteric traditions and the history of Christianity from the Essenes onward In Atlantis and the Kingdom of the Neanderthals Colin Wilson presents evidence of a widespread Neanderthal civilization as the origin of sophisticated ancient knowledge. Examining remarkable archaeological discoveries that date back millennia, he suggests that civilization on Earth is far older than we have previously realized. Using this information as a springboard, Wilson then fills in the gaps in the past 100,000 years of human history, providing answers to previously unexplained scientific and architectural feats of ancient civilizations. Wilson shows that not only did Atlantis exist but that the civilizing force behind it was the

## Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

Neanderthals. Far from being the violent brutes they are traditionally depicted as, Wilson shows that the Neanderthals had sophisticated mathematical and astrological knowledge, including an understanding of the precession of the equinoxes, and that they possessed advanced telepathic abilities akin to the "group consciousness" evident in flocks of birds and schools of fish. These abilities, he demonstrates, have been transmitted through the ages by the various keepers of the hermetic tradition--including the Templars, Freemasons, and other secret societies. In the course of his investigation, Wilson also finds new information about historical links between the Masonic tradition and the Essenes that indicate that America was "discovered" long before Columbus set sail and that Jesus actually survived crucifixion and fled to France with his wife Mary Magdalene.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

When we see the word blueprint we usually think of a technical drawing or other image

## Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

rendered as white lines on a blue background produced by an architect. A blueprint is a detailed plan of action and everyone should develop a blueprint in order to plan for success in life. The men and women in this book have, in interesting and innovative ways, developed their own blueprints that paved the way for their success. As I interviewed these people, I found that there are as many ways to plan for success as there are people who create those plans. I was fascinated as I learned from these highly successful people what they did to succeed in their various professions. A successful businesswoman once told me that when she was involuntarily separated from her last corporate job she took the opportunity to sit back and take a deep breath, discover what she really wanted to do, and to explore her passion. She said she didn't write anything down but from just taking some time out to think and explore, she came up with her path to success. At times, successful people have to push through hard times and setbacks. I am always intrigued by the various methods they use to overcome difficulties. Some of them have gone on to teach others what they learned as they went back to the drawing board and created a new blueprint that led them to success. I believe

## Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

you will find that your time will be well spent in reading this book. I think you will find that these people have something to say that is worth listening to. I know that I did.

Reveals that Egyptian civilization is far older than commonly believed and that its sacred science was the legacy of the gods who founded Atlantis • Explains the cosmological and astronomical underpinnings of Egyptian philosophy and how they gave structure to the entire society • Explores the importance of the Precession of the Equinoxes in the initiatory nature of Egyptian life This book asserts that the civilization of Egypt existed far longer than is commonly believed and was structured around forms of cosmic knowledge that involved astronomical and geographical competence that modern science has yet to attain. Building on evidence of the prehistoric existence of an ancient worldwide religious culture that extended all the way to Tibet and China, John Gordon traces the origins of Egyptian culture to the legendary lost continent of Atlantis. Based on an understanding of the Precession of the Equinoxes and its inextricable connection to human evolution and divine purpose, he concludes that the sacred science of the ancient Egyptians was the legacy left to them

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

by “fallen star gods,” conscious divine beings who founded Atlantis. Egyptologists contend that ancient Egypt was a civilization obsessed with death, that its greatest monuments were tombs, and that its history dates back only some 5,000 years. In contrast Gordon suggests this civilization to have been 50,000 years older. Furthermore, he contends that Egypt was originally not a society obsessed with death, but one that saw in life and death an initiatory transition. This idea was followed by the entire population, which was attuned to the form and nature of cosmic evolution at all levels of being, from the highest to the most mundane.

The History of Atlantis may, in the light of our present knowledge of Plato's sunken island, appear as a somewhat presumptuous title for a work, the object of which is to present a general outline of what is known concerning Atlantean civilisation. Yet the author placed

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

this study upon a scientific basis, and in so doing he has attached the description of "history" to this work in the hope that the mere invocation of such a name will endow it with the spirit which should inspire all histories a desire to arrive at fundamental truth by every available means. Contents: Preface Introductory The Sources Of Atlantean History I: The Writings Of Plato The Sources Of Atlantean History Ii: From The Fourth Century B.C. Atlantean Historical Sources Examined The Geography Of Atlantis The Races Of Atlantis The Stone Age In Atlantis The Kings Of Atlantis Atlantis In Britain The Traditions Of Atlantis Life In Atlantis The Atlantean State And Polity The Religion Of Atlantis Animal Life In Atlantis The Colonies Of Atlantis The Atlantean Culture Complex Scientific and anthropological evidence for multiple Atlantean empires and the global catastrophes that destroyed them • Reveals that there was not one but three Atlantises--the first in Antarctica, the second in South America, and the third in the Mediterranean • Examines geological evidence of super-floods 15,000, 11,600, and 8,700 years ago • Shows how these flood dates directly parallel the freezing of Antarctica, the migrations of Cro-Magnon men, and the destruction of Atlantis according to Plato 15,000 years ago the Earth ' s axis tilted, shifting the geographic poles. Volcanoes erupted, the icecaps melted, and the seas rose dramatically. Antarctica was enveloped in ice, destroying the high civilization of prehistory: Atlantis. But before the survivors could reestablish what they had lost, catastrophe struck again--twice. Uniting scientific findings with theories on the location of Atlantis, the authors reveal that there was not one but three Atlantises--the first in Antarctica, the second in

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

South America, and the third in the Mediterranean. Examining paleoclimatology data, they show that Antarctica was temperate 15,000 years ago and home to the original Atlantis. They explore geological evidence of three worldwide super-floods 15,000, 11,600, and 8,700 years ago and show how these dates directly parallel the freezing of Antarctica, the arrival of Cro-Magnon man in Europe, and the destruction of Atlantis according to Plato. Uncovering the influence of the Atlanteans in Proto-Indo-European languages and in massive ancient monuments aligned with the stars, they show how the civilization founders in all early myths--the Pelasgians, Danaans, Viracocha, Aryans, and others--were part of the Atlantean diaspora and how this migration split into two major movements, one to Latin America and the other to Europe and Asia. Following the Atlanteans from a warm Antarctica up to Peru, Mexico, and the Mediterranean, they reveal that Cro-Magnon men are the people of Atlantis and that we are just now returning to their advanced levels of science, technology, and spirituality.

The mysterious civilizations of Lemuria and Atlantis become reality as Shirley Andrews, the author of *Atlantis: Insights From a Lost Civilization* combines details from scholars, scientists and the respected psychic Edgar Cayce. Her sober portrayal of disturbing parallels between the spiritual decay of Atlantis and our modern world, and her reasonable explanations for the vivid dreams and past life memories recounted by numerous people about life on the lost lands enhance this fascinating book.

A comprehensive study of the major occult writings on Atlantis • Fully examines the many occult teachings on Atlantis, including those from G. I. Gurdjieff, Madame

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

Blavatsky, Julius Evola, Edgar Cayce, Fabre d ' Olivet, and Dion Fortune • Shows how these writings correlate with the concept of cyclical history, such as the Mayan calendar and 2012, the Age of Aquarius, and the four Yugas • By a renowned scholar, author, editor, and translator of more than 30 books Atlantis has held a perennial place in the collective imagination of humanity from ancient Greece onward. Many of the great minds of the occult and esoteric world wrote at length on their theories of Atlantis--about its high culture, its possible location, its ultimate demise, and their predictions of a return to Atlantean enlightenment or the downfall of modern society. Beginning with a review of the rationalist writings on Atlantis--those that use geographic and geologic data to validate their theories--renowned scholar Joscelyn Godwin then analyzes and compares writings on Atlantis from many of the great occultists and esotericists of the 19th and 20th centuries, including Fabre d ' Olivet, G. I. Gurdjieff, Guido von List, Julius Evola, Edgar Cayce, Dion Fortune, and Ren é Gu é non, whose writings often stem from deeper, metaphysical sources, such as sacred texts, prophecy, or paranormal communication. Seeking to unravel and explain the histories and interpretations of Atlantis and its kindred myths of Lemuria and Mu, the author shows how these different views go hand-in-hand with the concept of cyclical history, such as the Vedic system of the four Yugas, the Mayan calendar with its 2012 end-date, the theosophical system of root races, and the precession of the equinoxes. Venturing broader and deeper than any other book on Atlantis, this study also covers reincarnation, human evolution or devolution, the origins of race, and catastrophe theory.

Unlocking the Ancient Mysteries of a Long-Lost  
Civilization

An exploration of mythological and archaeological evidence for prehistoric giants • Examines the many corresponding giant mythologies throughout the world, such as the Greek and Roman titans, Norse frost giants, and the biblical Nephilim • Reveals recent finds of giant skeletons in the deserts of Saudi Arabia and India • Explains how giants passed on their sophisticated culture and civilization to humanity before being wiped out in the great age of cataclysms and floods Giants are a cornerstone of the myths, legends, and traditions of almost every culture on Earth. Stories of giants are often considered fantasies of the ancients or primitive attempts to explain natural phenomena, but archaeological discoveries of 10- and 12-foot skeletons--many of which have been suppressed--confirm the existence of a forgotten golden age of giants before recorded history. Patrick Chouinard examines the staggering number of corresponding giant mythologies throughout the world, such as the Greek and Roman titans, Norse frost giants, the Hindu Daityas, the biblical Nephilim, the Celtic Formorach, the Sumerian Anunnaki, and the multitude of myths in which the sky or world is held aloft on the shoulders of a giant. He links these stories to Atlantis as well as other legends of prehistoric civilizations lost to cataclysm and great

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

floods whose survivors spawned the rise of ancient civilizations. The author reveals how physical remains of giant-size peoples have been found on almost every continent, including recent finds in the deserts of Saudi Arabia, Afghanistan, and northern India as well as hundreds of excavations of giant mummies and skeletons across the United States, corresponding directly with Native American accounts of red-haired giants. He also examines reports from famous explorers such as Magellan, Sir Francis Drake, and Desoto of their encounters with giants on the North American continent. Revealing how giants represent the true earthborn race, Chouinard explains how they engaged in open conflict with the extraterrestrial gods who created humanity for forced labor and how they passed their sophisticated culture and civilization on to humanity before being nearly wiped out in the great age of cataclysms.

A spellbinding blend of history and science, scholarship and speculation, this landmark work presents startling new evidence that traces archaeology's most enduring mysteries back to the lost civilization of Atlantis.... The Great Pyramid. Stonehenge. Machu Picchu. For centuries, these and other sacred sites have inspired wonder among those who ponder their origins. Conventional science tells us they were constructed by local peoples working with the primitive tools of a fledgling civilization. But these megaliths nonetheless continue to attract pilgrims, scholars, and adventurers drawn by the possibility that their true spiritual and technological secrets remain hidden. Who could have built these elaborate monuments? How did they do it? And what were their incomprehensible efforts and sacrifices designed to accomplish? Now comes a revolutionary theory that connects these mysteries to

reveal a hidden global pattern -- the ancient work of an advanced civilization whose warnings of planetary cataclysm now reverberate across one hundred millennia. International bestselling author Colin Wilson and Canadian researcher Rand Flem-Ath join forces to share startling evidence of a fiercely intelligent society dating back as much as 100,000 years -- one that sailed the oceans of the world, building monuments to preserve and communicate its remarkable wisdom. The Atlantis Blueprint is their term for a sophisticated network of connections between these sacred sites that they trace to Atlantis: a sophisticated maritime society that charted the globe from its home base in Antarctica ... until it was obliterated by the devastating global changes it anticipated but could not escape. Here is adventure to realms beyond our imaginings ... to shifting poles, changing latitudes ... into the world of ancient mariners who recharted the globe ... to astonishing discoveries about our ancestors. Here are the great mysteries ... the incredibly complex geography of the Temple of Luxor ... the startling sophistication of Egyptian science and math ... and tantalizing similarities among the Hebrew, Greek, and Mayan alphabets to the Chinese lunar zodiac. The Atlantis Blueprint opens up a Pandora's box of ancient mysteries, lost worlds, and millennial riddles. It is a story as controversial, fascinating, dangerous -- and inspiring -- as any ever told.

Echinacea and ginkgo biloba are well-known herbal remedies for common ailments such as colds and memory loss. But the vast majority of herbal aids are underused as treatments or preventatives for everything from insomnia to arthritis to heart disease. In **THE COMPLETE HOME GUIDE TO HERBS, NATURAL HEALTH, AND NUTRITION**, herbal practitioner Jill

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

*In Discovering the Mysteries of Ancient America, the author of The Atlantis Encyclopedia turns his sextant towards this hemisphere. Here is a collection of the most controversial articles selected from seventy issues of the infamous Ancient American magazine. They range from the discovery of Roman relics in Arizona and California's Chinese treasure, to Viking rune-stones in Minnesota and Oklahoma and the mysterious religions of ancient Americans.*

*Scientific and mythological evidence that Antarctica was once Atlantis • Reveals how the earth's crust shifted in 9600 BCE, dragging Atlantis into the polar zone beneath miles of Antarctic ice • Examines ancient yet highly accurate maps, including the Piri Reis map of 1513, which reveals a pre-glacial Antarctica • Shows how myths of floods and disaster from around the world all point to a common source In this completely revised and expanded edition of When the Sky Fell, Rand and Rose Flem-Ath show that 12,000 years ago vast areas of Antarctica were free from ice and home to the kingdom of Atlantis, a proposition that also elegantly solves the mysteries of ice ages and mass extinctions, the simultaneous worldwide rise of agriculture, and the source of devastating prehistoric climate change. Expanding upon Charles Hapgood's theory of earth crust displacement, which was championed by Albert Einstein, they examine ancient yet highly accurate world maps, including the Piri Reis map of 1513, and show how the earth's crust shifted in 9600 BCE, dragging Atlantis into*

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

*the polar zone where it now lies beneath miles of Antarctic ice. From the Cherokee, Haida, and Okanagan of North America to the earliest records of Egypt, Iran, Mexico, and Japan, they reveal that ancient myths of floods, lost island paradises, and visits from advanced godlike peoples from all corners of the globe all point to the same worldwide catastrophe that resulted in Atlantis's demise. The authors explain how the remaining Atlanteans, amid massive earthquakes and epic floods, evacuated and spread throughout the world, resulting in the birth of the first known civilizations. Including rare material from the archives of Charles Hapgood, Albert Einstein, and Dwight D. Eisenhower, the Flem-Aths explain how an earth crust displacement could happen again in the future, perhaps in correspondence with high solar activity. With new scientific, genetic, and linguistic evidence in support of Antarctica as the location of long-lost Atlantis, this updated edition convincingly shows that Atlantis was not swallowed by the sea but was entombed beneath miles of polar ice.*

*Examines some of the great mysteries of the ancient world, drawing on the latest research to reveal the secrets behind the Nazca lines, the destruction of Sodom and Gomorrah, and the curse of Tutankhamun*

*Reveals the parallels between the rise and fall of Atlantis, cultures in ancient Mesoamerica, and our modern civilization • Links the demise of Atlantis with the birth of the Olmec civilization in Mexico, the beginning of the first Egyptian dynasty, and the start of the Mayan Calendar •*

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

*Reveals the Atlantean and Mayan prophecy of an eternal cycle of global creation, destruction, and renewal and how we are headed into a destructive phase • Shows how ancient prophecies correlate precisely with the latest climatology studies, the rising incidence of solar flares, and papers from Pentagon and NASA analysts With the passing of the Mayan Calendar's end date we can now focus on the true significance of what the Maya and their predecessors were trying to convey to future civilizations. Frank Joseph reveals how the Mayan prophecy, symbolized by their calendar, was created through the combined genius of Atlantis and Lemuria and predicts an eternal cycle of global creation, destruction, and renewal. He shows how this cycle correlates precisely with scientific studies on glacial ice cores and predictions from the Hopi, the Incas, and the Scandinavian Norse as well as the visions of Edgar Cayce. He links the demise of Atlantis with the birth of the Olmec civilization in Mexico (the progenitors of the Maya), the beginning of the first Egyptian dynasty, and the start of the Mayan Calendar. Drawing on the latest climatology studies and papers from Pentagon and NASA analysts, he reveals that we are on the brink of a destructive phase in the global cycle of change as predicted by the Atlanteans and the Maya. The world's current political, economic, and cultural deterioration is paralleled by unprecedented storms and record temperatures, massive solar flares, tectonic disturbances, and fissuring sea floors that could release dangerous reservoirs of methane gas into the*

# Where To Download The Atlantis Blueprint Unlocking The Mystery Of A Long Lost Civilisation

*environment--all of which signals we are headed into another ice age. Despite the Atlanteans' greater understanding of the cyclical nature of catastrophes and of the human role in them, Joseph reveals the mistakes they made that played a crucial role in their civilization's destruction. By recognizing the self-destructive patterns of Atlantis in our own civilization, we can learn from their mistakes to reestablish civilization's cosmic balance before time runs out.*

Ocean. Relying on 10 years of research and extensive travel, Frank Joseph offers a compelling picture of this motherland of humanity, which he suggests was the original Garden of Eden. Using recent deep-sea archaeological finds, enigmatic glyphs and symbols, and ancient records shared by cultures divided by great distances that document the story of this sunken world, Joseph painstakingly re-creates a picture of this civilization in which people lived in rare harmony and possessed a sophisticated technology that allowed them to harness the weather, defy gravity, and conduct genetic investigations far beyond what is possible today. When disaster struck Lemuria, the survivors made their way to other parts of the world, incorporating their scientific and mystical skills into the existing cultures of Asia, Polynesia, and the Americas. Totem poles of the Pacific Northwest, architecture in China, the colossal stone statues on Easter Island, and even the perennial philosophies all reveal their kinship to this now-vanished civilization. 'The settlement consisted of a few cottages huddled in the mountain pass, pressed into a shelter of huge stone boulders. In the scarce pre-dawn light, the seven-year-old boy silently moved away

***together all the pieces of the vast and fascinating jigsaw of mankind's hidden past. In ancient monuments as far apart as Egypt's Great Sphinx, the strange Andean ruins of Tihuanaco, and Mexico's awe-inspiring Temples of the Sun and Moon, he reveals not only the clear fingerprints of an as-yet-unidentified civilization of remote antiquity, but also startling evidence of its vast sophistication, technological advancement, and evolved scientific knowledge. A record-breaking number one bestseller in Britain, Fingerprints of the Gods contains the makings of an intellectual revolution, a dramatic and irreversible change in the way that we understand our past—and so our future. And Fingerprints of God tells us something more. As we recover the truth about prehistory, and discover the real meaning of ancient myths and monuments, it becomes apparent that a warning has been handed down to us, a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time—a cataclysm that may be about to recur. "Readers will hugely enjoy their quest in these pages of inspired storytelling."—The Times (UK)***

***Hapgood's tour de force is back in print! This riveting account of how earth's poles have flipped positions many times is the culmination of Hapgood's extensive research of Antarctica, ancient maps and the geological record. This amazing book discusses the various pole shifts in earth's history -- occurring when earth's crust slips in the inner core -- and gives evidence for each one. It also predicts***

Explores scientific evidence from four cataclysmic events that led to the development of civilization and the downfall of Atlantis • The sequel and companion volume to The Destruction of Atlantis • Studies the connections between the world-conquering war the Atlanteans launched and the quartet of natural catastrophes that ravaged the earth more than 5,000 years ago • Demonstrates that the Atlanteans ran an imperial copper trade empire that stretched from North America to Asia Minor Archaeologists have long puzzled over the evidence suggesting highly sophisticated copper mining activities in the area of the Great Lakes

some 5,000 years ago. Menomonic Indian tradition speaks of fair skinned mariners who had come in the past to “dig out the shiny bones” of the Earth Mother. Plato, meanwhile, recorded that Atlanteans provided an exceptionally high grade of copper that was no longer available in his time. In this sequel to *The Destruction of Atlantis*, Frank Joseph argues that the Menomonic Indians’ mariners were Atlanteans and that the destruction of Atlantis by war and natural catastrophe brought about the end of Bronze Age civilization. Furthermore, Atlantis’s survivors dispersed to all sides of their former island empire into Western Europe, the Near East, and North and South America. In *Survivors of Atlantis* Frank Joseph provides an in-depth study of the Atlantean war and the intimate connections it had with the last of four great cosmic catastrophes generated by the cyclical return of a comet and its debris. This quartet of natural disasters was followed by mass migrations recorded in the histories of such diverse peoples as the Incas of Peru, the Celtic Irish, the Classical Greeks, and the Aztecs of Mexico. Where the archaeology, mythology, astronomy, and geology of these cultures coincide, a common thread is exposed:

Atlantis. Joseph shows that the fate of the Atlantean empire is the story of early civilization and reveals Atlantis to be a credible part of the world's history.

Lost Knowledge: The Concept of Vanished Technologies and Other Human Histories investigates early texts that speak of sophisticated technologies millennia ago that became obscured over time or were destroyed with the civilizations that had created them.

An investigation of how Moses was deceived and murdered by his father-in-law, Reuel • Shows how the magician Reuel staged the Burning Bush that spoke to Moses and assumed Moses' identity after his murder • Explains how early scribes edited the Exodus story to cover Moses' assassination and replacement and fabricated Moses' origin story • Builds upon the Moses research of Goethe, Christopher Marlowe, and Sigmund Freud--who spent the last 40 years of his life obsessed with solving Moses' murder The life of Moses, the greatest prophet of the Old Testament, has always been shrouded in mystery. The Bible mentions no witnesses to Moses' death, no funeral, and no indication of his burial place, and the story of Exodus paints a very contradictory picture of this man so important to both Judaism and

Christianity. At times, he is depicted as a meek, stuttering figure and at others his tyrannical commands and fits of rage terrorize the children of Israel. And, for the last years of his life, he chose to hide behind a veil. What is the explanation for these extreme shifts in character? Was Moses mentally ill? As Rand and Rose Flem-Ath reveal, the evidence points to something much more sinister: Moses was murdered and replaced by an impostor. The result of a decade-long investigation, this book continues and builds upon the research of Goethe, Christopher Marlowe, and Sigmund Freud--who spent the last 40 years of his life obsessed with solving Moses' murder--and reaches a startling but well-evidenced conclusion that Moses was deceived and murdered by his father-in-law, Reuel. The authors show how Reuel was a skilled magician trained at Egypt's prestigious House of Life and they reveal his motive: He was the son of Esau, from whom Jacob stole his birthright, the leadership of the Hebrew people, a role that Moses was now assuming. The authors explain how the magician Reuel used his sophisticated skills of manipulation and illusion to fake the Burning Bush that spoke to Moses as well as conceal his

assumption of Moses' identity after the murder. They reveal how the early scribes of the Old Testament inserted lags of time into the Exodus story to cover Moses' assassination and replacement, fabricated Moses' origin story, and changed the location of the "Mountain of God" from Edom, where Reuel was a prince, to Sinai. Unveiling the enigma of Moses' real story--and his murder and replacement--the Flem-Aths dramatically challenge the time line and details of biblical history, exposing a cover-up at the very origins of Western religion.

In a comprehensive and compelling manner, this guide to one of the world's most mysterious civilizations enables readers to tap into and harness the spiritual wisdom and power of Atlantis. With guidance on how to understand the profound truths of the Atlantean culture, the fascinating and inspiring lives of these ancients are fully divulged—from their social structures, beliefs, and practices to their extraordinary technological knowledge. Special chapters devoted to crystals—from their essences and remedies to the crucial role they played in Atlantis—are also included.

The Mystery of Their Culture, Influence,  
and Decline throughout the World

In this compelling book, Colin Wilson argues that thousands of years before ancient Egypt and Greece held sway, there was a great civilization whose ships traveled the world from China to Antarctica. Their advanced knowledge of science, mathematics, and astronomy was passed on to descendants who escaped to Egypt and South America. From Atlantis to the Sphinx bases this assertion on a true fact: that archaeologists and geologists are at odds over the age of the Sphinx. Archaeologists claim that the Sphinx dates to classical dynastic Egypt, around 2,400 b.c. But some geologists claim that it could have been built as early as 7,000 to 10,500 b.c. The geologists' claim is based on

the curious fact that the erosion of the Sphinx is more characteristic of water erosion than that of wind and sand. Starting from the assumption that there was an advanced civilization in existence much earlier than previously thought, Wilson goes on to claim that it could very well be Atlantis--not a literal island that sank, but more of a great civilization that either declined naturally or experienced a great catastrophe, passing on only a fraction of its knowledge to other peoples. From Atlantis to the Sphinx delves into what might have been a completely different knowledge system from that of modern man--one as alien to us as that of the Martians. The book sets out to reconstruct that ancient knowledge in a fascinating exploration of the remote depths of history, a ground-breaking attempt to understand how these long-forgotten peoples thought, felt, and communicated with the universe.

conspiracy theories, forgotten sciences and ancient wisdom.

Colin Wilson has explored the paranormal universe ever since he researched his first highly successful work, *The Occult*: "the most interesting, informative and thought-provoking book on the subject."\* Now, 20 years later, he offers an even wider examination of the mystical and paranormal. And what he has produced is amazing—a thoroughly convincing general theory of the occult. Wilson powerfully posits that our so-called "normal" experience may in fact be subnormal, and that evolution has brought us near the edge of a quantum leap into a hugely expanded human consciousness. Combining fascinating glimpses into the paranormal world with the latest scientific thinking on the nature of "physical reality," he reveals the usually unseen powers of the human mind and discusses why he has become convinced that disembodied spirits do exist.
