

The Daily Bitch Includes Your Recommended Daily Dose Of Bitching 2018 Boxed Daily Calendar Cb0244

Writer and artist Ailie Banks is a self-proclaimed bitch. The word has been thrown at her, and the women around her, Ailie's entire life. A bitch is stereotypically thought to be unkind, uncaring and ultimately untrustworthy. But in Ailie's eyes, a bitch is someone who stands firm and speaks their mind in the face of sexist rhetoric. They don't filter themselves for the comfort of others and they don't give a single damn about meeting societal expectations. From Ambitious Bitch to Zealous Bitch, THE BOOK OF BITCH is an alphabetical tribute to the word sneered through clenched teeth at those who refuse to shrink in the face of oppression. This book shows once and for all that every bitch is multifaceted, every bitch is human and every bitch deserves to be celebrated. 'It's taken me a long time to embrace my inner bitch, but Ailie Banks's incredible illustrations have finally made me proud to say I'm a bitch and that's definitely NOT a bad thing!' Scarlett Curtis, curator of Feminists Don't Wear Pink 'I want to be an Ailie Banks kind of bitch. Terrorising bigots, breastfeeding in public, glam while surviving and holding a megaphone - these illustrations are badass and uncompromising. This book just put 'tenacious' back in my vocabulary and on my to-do list.' Bri Lee, author of Eggshell Skull 'As a self-identifying, all-encompassing, proud, loud and powerfully unapologetic bitch, this book speaks to me on too many levels. It has perfect descriptions for the complex narrative that is the life of a bitch, coupled with images that reflect me - chubby, strong, oft-hairy, always beautiful. I feel seen, acknowledged and understood.' Lillian Ahenkan, FlexMami

BULLDOGDOM BY A. G. STURGEON A VINTAGE DOG BOOKS CLASSIC REPRINT. Originally published in 1920, this extremely rare early work on the Bulldog is both very expensive and very hard to find in its first edition. VINTAGE DOG BOOKS have republished it, using the original text and photographs, as part of their CLASSIC BREED BOOKS series. The author was a highly respected breeder of the day. The book's 188 pages cover all aspects of the Bulldog. Beginning with the history of the breed, it moves on to discuss buying, breeding, feeding and showing amongst many other topics. The book is illustrated throughout with the lovely line drawings of R. WARD BINKS, and contains a double-page spread of an original pedigree document. There is a "Standard description of the correct appearance and the several points in detail of a perfect Bulldog" The final chapter features over 40 photographs of champion Bulldogs of the day, a full descriptive write-up of each dog and their pedigrees. Also included in the text are a number of period adverts for dog products featuring Bulldogs. This is a fascinating read for any Bulldog enthusiast or historian of the breed but also contains much information that is still useful and practical today. Many of the earliest dog breed books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are reprinting these classic works in affordable, high quality, modern editions, using the original text and artwork

From the author of the bestselling Prozac Nation comes one of the most entertaining feminist manifestos ever written. In five brilliant extended essays, she links the lives of women as demanding and disparate as Amy Fisher, Hillary Clinton, Margaux Hemingway, and Nicole Brown Simpson. Wurtzel gives voice to those women whose lives have been misunderstood, who have been dismissed for their beauty, their madness, their youth. Bitch is a brilliant tract on the history of manipulative female behavior. By looking at women who derive their power from their sexuality, Wurtzel offers a trenchant cultural critique of contemporary gender relations. Beginning with Delilah, the first woman to supposedly bring a great man down (latter-day Delilahs include Yoko Ono, Pam Smart, Bess Myerson), Wurtzel finds many biblical counterparts to the men and women in today's headlines. She finds in the story of Amy Fisher the tragic plight of all Lolitas, our thirst for their brief and intense flame. She connects Hemingway's tragic suicide to those of Sylvia Plath, Edie Sedgwick, and Marilyn Monroe, women whose beauty was an end, ultimately, in itself. Wurtzel, writing about the wife/mistress dichotomy, explains how some women are anointed as wife material, while others are relegated to the role of mistress. She takes to task the double standard imposed on women, the cultural insistence on goodness and society's complete obsession with badness: what's a girl to do? Let's face it, if women were any real threat to male power, "Jennifer Flowers would be sitting behind the desk of the Oval Office," writes Wurtzel, "and Bill Clinton would be a lounge singer in the Excelsior Hotel in Little Rock." Bitch tells a tale both celebratory and cautionary as Wurtzel catalogs some of the most infamous women in history, defending their outsize desires, describing their exquisite loneliness, championing their take-no-prisoners approach to life and to love. Whether writing about Courtney Love, Sally Hemings, Bathsheba, Kimba Wood, Sharon Stone, Princess Di--or waxing eloquent on the hideous success of The Rules, the evil that is The Bridges of Madison County, the twisted logic of You'll Never Make Love in This Town Again--Wurtzel is back with a bitchography that cuts to the core. In prose both blistering and brilliant, Bitch is a treatise on the nature of desperate sexual manipulation and a triumph of pussy power.

2020 Daily Planner Funny Makin Today My Bitch 388 Pages contains one whole page for every day of the year. See your schedule clearly in 2020! It's time to start planning now to make 2020 an amazing year with this efficient planner. Makes a perfect gag gift for just the right person in

This complete catalog of all things canine is essential reading for dog lovers everywhere. From Beethoven to Toto, dogs have a special relationship with humans and are forever known as man's best friend. The enduring loyalty and companionship of our four-legged friends is celebrated throughout The Dog Encyclopedia. Starting with their history, evolution, and anatomy, this beautiful book puts on a show of dogs in art and advertising, sport and service, and religion and culture. Famous dogs in fiction line up alongside heroic helpers. More than 400 dog breeds are introduced, from primitive dogs and working dogs to companion dogs and scent hounds. Each and every breed includes stunning photographs and fact-packed profiles detailing individual character, compatible owner traits, and breed-specific advice. If you're bringing home a new pet, this guide comes crammed with top tips for a balanced diet, exercise, grooming, and training, as well as a health section on continuing care, identifying illness, and veterinary visits. This perfect pooch package is an indispensable owner's guide and an invaluable reference for budding dog whisperers.

Hollywood's hottest mess gets a shot at redemption—and a chance to star alongside Tinseltown's most sought-after silver fox. But when their on-screen acting becomes a scorching-hot, forbidden offscreen romance, she discovers he's hiding a dark secret behind his carefully crafted public image. All the dirty details of former child star Carly Klein's fall from Hollywood grace were tabloid news...and they only knew about half of it. But now she's sober and grasping at the last chance to revive her flatlined career. Devon Hayes is Hollywood royalty. Branded the sexiest man alive, granted his first shot at producing, he's living a life most only dream of. But his offscreen reality is more like a nightmare and makes the twisted tales in his movie plots look tame. When Carly and Devon are cast opposite each other, Carly is pretty sure Devon is an asshole. Devon is certain Carly is a spoiled brat. But with chemistry that would make a nun lust like a schoolgirl, these two are DTF. Classic. As their broken parts begin to pull them together, on-screen love turns...could it be? Into the real thing. Faced with the prying paparazzi, vindictive agents and career-ending secrets, Devon and Carly have already sacrificed their souls for fame. Living a lie in public is a small price to pay for ecstasy in private...for now. Part One of Two. The story continues in Total Trainwreck. Don't miss it!

In the summer of 2002, I began to chronicle my Daily events on a Major Label recording session with a bidding-war band, an infamous producer, and a seemingly limitless budget. Every night, after a long session with these crazy characters, I posted up the day's events. The results were spectacular. As Metro reporter Gina Arnold put it, "Mixerman is supposed to be writing about recording techniques, but somehow, through that prism, he has hit upon a gripping story." That's right, it was even mentioned in random newspapers at the time. When I began posting my story, I had an audience of 200. By week 4 that grew to 25,000. And by the last entry, I was posting to the delight of over 150,000 music business professionals around the world. There were discussion threads all over the internet, debating every decision we made along the way. The story went viral before viral was even really a thing. Most people find them sidesplittingly hilarious. The Daily Adventures are available in book form, but you should also check out the audiobook, which has been produced like an old radio show, with music, foley, sound fx, and characters performed by some of the most well-known record producers and engineers of all time. Do you ever find yourself thinking, how could you be so stupid, you look fat, or you're a horrible mother? Are you afraid people will find out you've fooled them into thinking you're competent? If you're guilty of expressing these types of discouraging messages, then you have a bitch in your head. This self-critical behavior can wreak havoc with your life—it can keep you from getting the love you want, the raise you deserve, or even a good night's sleep. Dr. Plumez began to notice a pattern with her patients being too hard on themselves. She found that gentler approaches didn't work, but when she told them they were being a bitch—to themselves!—they finally recognized their self-defeating attitude and how much it was weighing them down. With this book, Dr. Plumez can help you banish the bitch. It identifies the different types of "bitches"—work, marriage, parenting, and so on—and provides effective tools and techniques to combat the forms of self-destruction described. Once you begin to encourage rather than criticize, you will find that your career, social life, and relationships almost magically

improve.

Hours before the opening of her career counseling practice, Gilda Greco discovers the body of golden girl, Carrie Ann Godfrey, neatly arranged in the dumpster outside Gilda's office. Gilda's life and budding career are stalled as Detective Carlo Fantin, her former high school crush, conducts the investigation. When three more dead blondes turn up, all brutally strangled and deposited near Gilda's favorite haunts, she is pegged as a prime suspect for the murders. Frustrated by Carlo's chilly detective persona and the mean girl antics of Carrie Ann's meddling relatives, Gilda decides to launch her own investigation. She discovers a gaggle of suspects, among them a yoga instructor in need of anger management training, a lecherous photographer, and fourteen ex-boyfriends. As the puzzle pieces fall into place, shocking revelations emerge, forcing Gilda to confront the envy and deceit she has long overlooked.

For every Skinny Bitch, there's a kick-ass man just as eager to take control of his weight and health. The New York Times bestselling authors now share their tips for turning Dad bods into Skinny Bastards. What's good for the bitch is good for the bastard. Hundreds of thousands of women have been inspired to "use their head" and get real about the food they eat after reading the best-selling manifesto Skinny Bitch. But it turns out some men have been reading over their girlfriends' shoulders. Professional athletes such as Milwaukee Brewers' Prince Fielder and the Dallas Mavericks' Jerry Stackhouse have adopted a whole new eating plan because of the book. Now authors Rory Freedman and Kim Barnouin think it's time for the guys to have a book of their own. In Skinny Bastard, they'll explain why the macho "meat and potatoes" diet is total crap, why having a gut is un-cool (and a turn-off), and how to get buff on the right foods. Eating well shouldn't be a "girlie" thing-and the Bitches will whip any man into shape with their straight-talk, sound guidance, and locker room language.

The Inner City Concrete Jungle

After five years atop the Skinny Bitch phenomenon, author Kim Barnouin has grown as a cook, a nutritionist, and a mom. Now she delivers the "Ultimate" cookbook that will be for everyone looking for a healthier way to feed themselves, their families, and friends. Kim's emphasis is on "easy," and her kick-ass recipes feature seasonal produce (no fake meat or hard-to-find ingredients) and provide a versatility of tastes and cuisines, from Mediterranean to California-fresh. With almost 150 recipes, full-color photos, complete nutritional breakdowns, and simple "switch-outs" for quick variations, it will be the new "gotta have" on any healthy bitch's bookshelf. Whether readers are looking to gradually add more meatless dishes to their meals, or want to go "all-out" vegan, Skinny Bitch: Ultimate Everyday Cookbook will be their "go-to" source for getting their "bitch" on—in the kitchen.

Tons of /a New Photos! Bad Decisions! WTF Moments! Plus Fan Stories! Celebrities! Goats! As Americans, we hold these truths to be self-evident: We will shop. And when we do, especially at our favorite supercenter, we will wear and do the most bizarre things possible. From the wildly popular website PeopleofWalmart.com, this photo collection of Americans in their natural shopping habitat (70 percent of which is brand new and never before included on the website) presents people of all shapes and sizes wearing and doing everything imaginable in full view of their fellow shopping public. Plus, for the first time brand-new fan-submitted stories offer the most random experiences you can imagine! So welcome to a world where no shoes and no shirt are no obstacles, where parking lots are filled with dead deer, Bengal tigers, and old men in thongs riding bikes. Once you meet the People of Walmart, you are sure to fall in love.

Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

Are you tired of the day-to-day drudgery of a job that has become tedious and boring? Are you ready to finally really change your life? Then make an appointment with Andrea Kay, a top career counselor who's on call to help you! No, you don't have to fly to Ohio, where Kay was named Best Career Counselor by Cincinnati Magazine. You can have a one-on-one counseling session with her by picking up a copy of *Life's a Bitch and Then You Change Careers*. Designed for career changers of every age, the book works like a series of sessions with Kay, as she takes you through the nine steps that will get you out of your funk and on to your future. The process begins with the reader doing some soul-searching to define a career objective that's based on who you are, not what others think you should be. The author then offers a methodical plan for successfully making the shift, addressing every issue from research and training to networking and interviewing to ultimately landing your ideal job. Along the way, you'll find helpful exercises and real-life examples of Kay's clients who have made the transition to a happier working life. Kay's personable writing style, vast knowledge, and years of experience make this life-changing book the next best thing to a trip to her office.

Moe Loves childhood and adolescent years were anything but normal. Growing up in the inner city, he experienced physical abuse at the hands of his parents and assault at the hands of a pedophile. At times, he felt as though the world had literally chewed him up and spit him out. In *The Inner City Concrete Jungle*, Moe delivers the story of his gut-wrenching experiences that molded and shaped the attitude and mindset of a young boy trying to survive and find the proper path to follow in an adult world laced with predators of all types and kinds. He was raised and nurtured in an atmosphere designed to produce bad decision making based upon self-hatred, as well as selfdestruction, yet disguised as success in the form of pimps and drug kingpins. This memoir tells how Love became a ruthless, cold-blooded drug lord after being exposed to life as a pimp. *The Inner City Concrete Jungle* narrates the beginning of his story, sharing his mistakes to enlighten others.

How to keep your dog healthy and happy *Complete Dog Care* contains all the information you need to nurture your dog from puppy-hood through to old age. You'll find a comprehensive programme detailing everything required to provide your dog with the highest level of care, from house-training and socialisation to grooming and exercising. It covers all aspects of canine life, including guidance on choosing a dog to suit your family, home and lifestyle, and advice on preparing your home and garden. Step-by-step photographs show you how to handle your dog, travel with him, and administer basic first aid. Handy checklists and easy to follow charts help you identify health problems and deal with them appropriately. With *Complete Dog Care* you'll have everything you need to keep your dog healthy, happy, and playing fetch for years to come.

Just a Badass Bitch Getting Fit and Shit: 2022 Weight Loss Planner + Tracker

Ballad Of A Bad Bitch

Sh!t can happen to anyone, whether it's a life-threatening situation, a death in the family, a business gone bust, or another high-stress personal catastrophe. This book is your lifeline, offering tools to help you prepare yourself mentally to weather every impending storm. *Everyone Has a Plan Until Sh!t Hits the Fan* is your Practical Resilience Bible. Tofe Evans provides the battle-tested mental artillery you need to escape the trenches under heavy fire and find your way onto safer ground. No matter what the crisis, his powerful insights and strategies will enable you to face every onslaught, survive any trauma, and ultimately emerge victorious. Being ready for whatever the world throws at you is key. Adversity

is a fact of life, and dealing with traumatic events requires calm, focus, and mental toughness and sharpness. Tofe Evans will get you there.

"Lapin draws on ... real stories from her own career--the good, the bad, and the ugly--to show what it means to be a 'boss' in twelve easy steps ... She first shows how to embrace the 'boss of you' mentality by seizing the power that comes from believing in yourself and expanding your skillset. Then she offers ... advice for how to kill it at as the 'boss at work,' whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the 'boss of your own business,' from raising money and getting it off the ground to hiring a kickass staff and dealing [with] office drama to turning a profit"

An edgy yet accessible "bad bitch" guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. Bad Bitch (n.): A self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary. Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos, to high fashion runways and magazines, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed "bad bitch" is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, "Muva" pulls back the curtain on her rollercoaster of a journey from a young trailblazer to a worldwide phenomenon—and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, How to Be a Bad Bitch covers finances, career, love, beauty, and fashion while emphasizing confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible.

Bull Terriers (A Vintage Dog Books Breed Classic - Bull Terrier) Originally published in the early 50s this scarce book on the Bull Terrier is both expensive and hard to find in its first edition. VINTAGE DOG BOOKS have republished it using the original text and photographs, as part of their CLASSIC BREED BOOKS series. The one hundred and ten pages contain twenty one articles by an assortment of well known contributors. All have been heavily involved in Bull Terrier circles for many years, and write with the benefit of much practical experience with the breed. Contents include: - The Appeal of the Bull Terrier. - Here and There in 50 Years. - Bull Terriers Abroad. - Care of the In-Whelp Bitch and Weaning of a Litter. - How Heavy? How Large? - Bull Terrier Pedigrees in 1950. - Experts Opinions on the Breed. - Judges and Judging. - Stewarding. - Miniature Bull Terriers. - etc. The book is illustrated with black and white photos of famous dogs and their owners. This is a fascinating read for any Bull Terrier enthusiast or historian of the breed, but also contains much information that is still useful and practical today. Many of the earliest dog breed books are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Since every song tells a story, the entire world is about to learn about the sadness and pain behind rising R&B artist Mia King. Even being on the run from her past couldn't diminish the star she was meant to be. Mia learned the hard way that the family you were born into could be your greatest downfall, and that true die-hard fans are more than the people who buy your music and stand in line for your concerts... They can literally save your life and be the family you always wished you had.
